

1 John 1 5 10 How To Have Fellowship With God

Rebound & Keep Moving! is the key that unlocks the Christian way of life. After salvation the sin nature remains a relentless adversary, tempting the believer to sin and live in carnality. When the believer sins, fellowship with God is destroyed, the filling of the Holy Spirit is temporarily lost, and spiritual progress ceases.

Rebound is the simplest yet most incredible concept in the spiritual life. Rebound defeats sin. Guilt, anguish, remorse over past failures vanish knowing that God forgives and forgets all past sins. Rebound is our access to intimacy with the Lord, the gateway to divine power in our lives, our license to serve the Lord.

Rebound opens the door to the wonderful freedom the grace of God offers to every believer in Jesus Christ. For more information, visit rbthieme.org

Classic Christianity—Bob George's eye-opening distillation of the life-transforming truths of the gospel—now has a fresh cover and interior that reflect the up-to-the-minute relevance of its message. Like so many Christians, Bob George started out in love with Jesus, only to end up feeling disappointed and empty. Drawing on his struggles and his teaching and counseling experience, Bob cuts to the heart of believers' common questions... Doesn't God expect me to clean up my act before I approach Him? I know God loves me—but does He accept me? I'm saved and forgiven... do I just wait for heaven now? In Classic Christianity, believers will see the way back to the life Jesus provided—a life set free from the law's bondage, lived in the newness of the Spirit, and secure in the Father's affection. "God's plan is to unite all things in Jesus, things in heaven and earth."

(Ephesians 1:10) What does God unite us to in Christ?* To the reality of His calling, riches, and power* To one another by the work of Christ* To God's plan for the ages* To Christ's love* To our society, in the home and workplace* To the spiritual war we are destined to engage in"Our world is fragmented. Nature is divided and at war with itself. Classes of people are at constant odds with one another. Nations wage war against others. Ethnicities hate and attack others.

Religions battle. Genders clash. Most of all, God and humanity are divided. But the plan of God in Christ is to crush all this fragmentation." (Chapter 1, Participation in God's Mysterious Plan) In *Christ Unites*, Nate Holdridge takes you on a journey through Paul's letter to the Ephesian church. There, Jesus is seen as the head of the church, the originator of a new humanity designed to carry out His will. Each chapter tackles a different dimension of Christ's work at unifying all things to Himself, at His purpose and plan for His people.

Examines the ways in which the gospel is contradicted by the American dream and challenges Christians to join in a one-year experiment in authentic discipleship that promises spiritual transformation through the word of God.

The standard editions of the 1611 King James Bible (or Authorised Version) currently available give, with little variation, the text as established by the Oxford edition of 1769. They give the reader, therefore, a seventeenth-century text in mid-eighteenth century clothes - clothes which are neither original nor modern. In this new edition of the King James Version the text has been collated with the translators' original work in order to give the reader as closely as possible the exact text on which the translators decided. It has also been given consistent modern spelling and presentation in order to make it easier to read and study than standard editions. The text is presented in paragraph form, with marginal notes. The type is 10/12.5 Swift.

The publication of the King James version of the Bible, translated between 1603 and 1611, coincided with an extraordinary flowering of English literature and is universally acknowledged as the greatest influence on English-language literature in history. Now, world-class literary writers introduce the book of the King James Bible in a series of beautifully designed, small-format volumes. The introducers' passionate, provocative, and personal engagements with the spirituality and the language of the text make the Bible come alive as a stunning work of

literature and remind us of its overwhelming contemporary relevance.

ESV Illuminated Scripture Journal: Romans pairs the entirety of the book of Romans with a lightly dotted blank page opposite each page of Bible text and hand-lettered illustrations interspersed throughout--providing space to creatively engage with and reflect on the Word of God.

THIS BOOK (7X10 PAPERBACK) CONTAINS 14PT FONT FOR EASIER READING. (THE AVERAGE BIBLE CONTAINS 6PT FONT LETTERING.) The Gospel According to John is one of the four canonical gospels in the New Testament. It traditionally appears fourth, after the synoptic gospels of Matthew, Mark, and Luke. John begins with the witness and affirmation of John the Baptist and concludes with the death, burial, resurrection, and post-resurrection appearances of Jesus.

"John 1-10: I Am the Bread of Life "is an excellent way to introduce young adults to the book of John and the life-changing message of Jesus in this Gospel. As John sees it, we human beings need God. We need God's light in our lives, his power to energize us. But for the most part we are not very aware of this need because we spend our lives running around looking for one thing after another, preoccupied with meeting our material and social needs. We tend to see God as the provider of earthly blessings rather than the source of something much more important. And of course, we also tend to ignore God and instead work to satisfy our own desires. John tells us how God tries to break through the barrier of our earthly thinking by entering into our world personally. Designed as a guided discovery, Six Weeks with the Bible for Catholic Teens introduces high school students to different books of the Bible by integrating the biblical text with insightful questions to help youth discern what Scripture means for their lives today. The series provides students with a clear explanation of Biblical text, opportunities for prayer, and a means to enter into conversation with God.

This document's purpose is to spell out the Church's understanding of the nature of revelation--the process whereby God communicates with human beings. It touches upon questions about Scripture, tradition, and the teaching authority of the Church. The major concern of the document is to proclaim a Catholic understanding of the Bible as the "word of God." Key elements include: Trinitarian structure, roles of apostles and bishops, and biblical reading in a historical context.

Chained up in the hold of a French warship, Lusignan's only hope of escape rests with his captor - Captain Paul. A man with a mysterious past, Captain Paul is transporting Lusignan to exile in the West Indies. Little does he know that his mission is a sham. His

prisoner is an innocent man, framed because he fell in love with a Count's daughter. Once the truth is revealed, Paul and Lusignan return to France, determined to seek justice. Inspired by the real life of American Revolutionary War hero John Paul Jones, "Captain Paul" is a rollicking melodrama, packed with action and romance. A fine precursor to Dumas' later classics, it's especially recommended for fans of naval adventures, like C.S. Forester's "Hornblower" series. Alexandre Dumas (1802 - 1870) was a hugely popular 19th Century French writer. Born of mixed French and Haitian heritage, Dumas first rose to prominence in Paris as a playwright, but later gained international fame with his historical fiction. Often co-authored with other writers, these stories wove together swashbuckling adventure, romance, and real events from France's past. Among the best known are "The Three Musketeers", and its sequels "Twenty Years After", and "Le Vicomte de Bragelonne: Ten Years Later". Set across four decades, this trilogy follows the rise of the dashing D'Artagnan—from hot-headed soldier to trusted captain under Louis XIV. Dumas' other novels include "The Count of Monte Cristo" and "The Black Tulip". His works have been adapted into more than 200 movies, including The Man in the Iron Mask starring Leonardo DiCaprio.

Most Bible commentaries take us on a one-way trip from the twentieth century to the first century. But they leave us there, assuming that we can somehow make the return journey on our own. In other words, they focus on the original meaning of the passage but don't discuss its contemporary application. The information they offer is valuable--but the job is only half done! The NIV Application Commentary Series helps us with both halves of the interpretive task. This new and unique series shows readers how to bring an ancient message into modern context. It explains not only what the Bible means but also how it can speak powerfully today.
