This is a memoir presented in an anthological - like format; in other words, a collection of short stories, on the life of the author. It starts when he was growing up in the Philippine countryside of Ilocos Sur province. Just like a normal kid, he played with his friends, did crazy things, went to school and moved to Manila, for his college education. He got married while in fifth year college, but still graduated on time. This book relates his struggles, failures, as well as successes, including his coming to America. Searching for the American Dream was no picnic either, but with perseverance, he achieved some of them in modest ways. Foreigners planning to immigrate to the great ol' USA could get glimpses, on what it takes, to come and live in America.

Judith's marriage to Adam is failing fast. Despite her best efforts, his attention is entirely taken up by his law practice while her existence-if he remembers it-is merely something to criticize. Thankfully, Judith has an antique shop and her best friend and business partner, Susan, to keep her focused on the good things in life. Tired of being overlooked and undervalued, Judith decides to leave her husband and reconnect with herself as a single woman rather than as Adam's wife. Soon, Judith's world expands to include a support group of women also facing divorce. Slowly learning to extend to herself the same compassion she offers her friends, Judith begins to rediscover her own value as a person and as a woman. And her efforts don't go unnoticed. While Judith rebuilds her life, with the encouragement of her growing circle of friends, a secret admirer starts leaving thoughtful gifts on her doorstep-which she begins to hope will lead to a face-to-face meeting. A celebration of friendship and love, where every character counts, "The Things That Fall Away" is an insightful story that brings to light the beauty of everyday things and the wonder of being truly cherished.

In high school, everyone's talking about college. What to do. Where to go. Why it's important. Classes are given on it. Books are written about it. But details get left out. Every year, college graduates learn this the hard way as they step into adulthood. I was one of them. After earning a four-year degree, I went through two of the worst years of my life. Not that my situation is unique. I am a part of a generation that was told to go to college first and sort out the details later. Most of us did. We chased the promise of a big shiny future, and we ended up being chased by the mistakes of our past. That's not to say we completely regretted going. This book isn't a list of privileged millennial complaints. It's a collection of wisdom gained in less than pleasant ways. It's a story of hardship, failure, victory, and perseverance. It's all of the things we wish someone had told us. And it takes place before college, in college, after college, and without college. This is the wild, painful, awkward, hilarious, depressing, & beautiful journey from youth to maturity. This is the college book that no one ever gave us.

All the Advice You Need to Get In To the College You Want! Getting in to your dream college has never been more competitive. Swamped with applications, admissions officers spend 10-20 minutes on each, looking for reasons to say no. It's crucial that students make it easy for colleges to say yes. In his new book, *Brand U*, renowned college admissions adviser David Montesano shows you exactly how to position yourself as the kind of applicant colleges are eager to admit. David's proven, easy-to-follow Montesano Method takes the fear and uncertainty out of the admissions process, maximizes your chances of success, and is a guide that addresses the goals and concerns of both students and parents, because going through college applications is a family experience. The Montesano Method has 4 phases: **SPARK**: Here we identify the most critical element for your college application, your spark. This is what sets you apart from the crowd. **FIRE**: With your spark, now we build your fire, finding and developing your abilities and experiences that make you exceptional. This process isn't just about college, but life. **VISION**: What kind of undergraduate experience is right for you? We avoid superficial criteria like magazine rankings and instead guide you to the best undergrad fit for you. **BRAND**: Here, by positioning how you're different and what you bring to each college, we turn the admissions game around so that you're in control and colleges are pursuing you. The college game is too rough to go it alone. With *Brand U*, you'll have everything you need to find-and get into-the college of your dreams. *Brand U Reviews* "David Montesano has written a masterful book on how high school students can brand themselves in a way that will lead to winning more college acceptances. With top schools becoming more exclusive, getting the inside scoop on what excites college admission officers is invaluable. I highly recommend that parents and teenagers read this book." Lynn O'Shaughnessy, Education and Finance Writer, CBS Moneywatch "Montesano expertly translates tried and tested strategies and marketing techniques into a "how to" get-into-the-college-of- your-choice guide. His techniques work. I know, because my son got into 14 of the 15 schools he applied to, including his "reach" schools. Do not apply without reading this first!" John McLaughlin, Former CEO and Group President, Monster.com About the

Author: David Montesano is founder of College Match (collegematchus.com) - a leading global educational consultancy; more than 96% of Montesano Method students have gained admission to their "reach" colleges and graduate schools, winning merit scholarships averaging \$57,000 - the largest amount for students whose awards are being measured. Brand U is David's second book; his first was 10 Strategic College Admission Steps (College Bound News). Termed a "new breed" of college admission consultant by The Washington Post/Newsweek, David contributes to articles in The New York Times, U.S. News & World Report's "Best Colleges," the CBS Moneywatch Blog, Seattle Magazine and Newsweek/Daily Beast. Appearances include CBS-TV in San Francisco and on radio shows and webcasts including Michael Dresser Live and College Week Live. Drake Pearson, a narrow-minded 18-year-old barely enduring Missouri's heat, is tired of feeling empty. Living conditions are about as cozy as a cardboard box, on account of his alcoholic father who can find nothing better to do than argue relentlessly with him. When Drake thinks he can't take another blow, he is reminded daily of his mom who vanished twelve years ago. And now there's a dead body. After a terrible accident turns into a protected secret, a twisted string of events brings Drake miles away from home to an elderly man's front door. Every promising opportunity also brings new doubts and temptations to run away—this time for good. When the secret he has kept locked away threatens to reveal itself, Drake knows he must shield it with his very life, even if the love he has been shown undeservingly is about to be destroyed.

Public funding for community colleges has been steadily declining since the peak of funding in the 1970s. Surviving the constant threats of budgetary cuts has been a key motivating factor for community colleges to embrace academic entrepreneurialism. I examined the academic entrepreneurial pursuits of one California Community College (CCC) to understand those factors that encourage community college faculty to pursue academic entrepreneurial solutions. The purpose of this qualitative study is to examine factors that encourage academic entrepreneurialism among community college faculty. Specifically, I investigated three categories of factors that influence academic entrepreneurialism: individual, institutional, and environmental. Individual factors include demographic and background characteristics, including age, race, gender, academic training, and previous professional careers. Institutional factors include program offerings available for students, institutional reputation and history, institutional policies and practices, and academic and administrative leadership. Environmental factors relate to the peer influences of a campus that encourages academic entrepreneurial behavior of faculty. The significance of this study lies in the identification of factors that encourage academic entrepreneurialism among community college faculty, ultimately supporting institutional efforts to augment funding. I investigated individual, institutional, and environmental factors that encourage academic entrepreneurialism among community college faculty. Accordingly, the research questions identify key factors that encourage academic entrepreneurialism among community college faculty and explain how they facilitate faculty to engage in academic entrepreneurialism. The research questions that I evaluated in this study are: What individual, institutional, and environmental factors influence community college faculty to engage in academic entrepreneurialism? What is the relationship between faculty background, institutional, and environmental characteristics and the frequency and quality of academic entrepreneurialism among community college faculty? I found that all three factors are essential elements of academic entrepreneurialism among community college faculty. Individual, institutional, and environmental factors consist of people who are all pursuing their self-interest. This follows the tenets of rational choice theory as the study finds that self-interest influences faculty academic entrepreneurialism. The study argues that changes to institutional policies are the key determining factor to encourage academic entrepreneurialism among community college faculty. Institutional policies

determine how a college functions and understands the interrelationship between individual, institutional, and environmental factors. Encouraging academic entrepreneurialism among community college faculty requires institutional policies that focus on the fundamental issue: recruiting, retaining, and evaluating community college faculty. The study offers suggestions for how to influence institutional policies that in turn encourage faculty academic entrepreneurialism by addressing the following areas: faculty job descriptions, faculty job announcements, evaluating faculty levels of academic entrepreneurialism, and offering entrepreneurial faculty financial incentives.

We all want our life to change for the better. These 366 inspirational daily devotionals were written for that purpose. You will notice that the date coincides with the chosen scripture. For example, the scripture for February 7 (2/7) is Proverbs 2:7. The Scripture for February 8 (2/8) is Genesis 2:8. They were written to be a guide for the rest of the day. If you prefer to read them at night, just read the devotional for the next day. These inspirational messages have endured the test of time. They have been sent on a daily basis for some ten years to around 30,000 people worldwide over the internet. While the author plans to continue this practice, some people prefer to have them all together in book format since the internet is not always available or convenient. God bless you and God bless us all on our journey day by date to arrive some day in the future at our Glory Home.

With a new preface: A “stunning” analysis of the troubled Republican president by the Pulitzer Prize–winning author of *Lincoln at Gettysburg* (The New York Times Book Review). In this acclaimed biography that earned him a spot on Nixon’s infamous “enemies list,” Garry Wills takes a thoughtful, in-depth, and often “very amusing” look at the thirty-seventh US president, and draws some surprising conclusions about a man whose name has become synonymous with scandal and the abuse of power (Kirkus Reviews). Arguing that Nixon was a reflection of the country that elected him, Wills examines not only the psychology of the man himself and his relationships with others—from his wife, Pat, to his vice-president, Spiro Agnew—but also the state of the nation at the time, mired in the Vietnam War and experiencing a cultural rift that pitted the young against the old. Putting his findings into moral, economic, intellectual, and political contexts, he ultimately “paints a broad and provocative landscape of the nation’s—and Nixon’s—travails” (The New York Times). Simultaneously compassionate and critical, and raising interesting perspectives on the shifting definitions of terms like “conservative” and “liberal” over recent decades, *Nixon Agonistes* is a brilliant and

indispensable book from one of America's most acclaimed historians.

A social history of cheating and how American history -- through real estate, sports, finance, academics, and of course politics -- has had its unfair share of rigged results and widened the margins on its gray areas. Drawing from the intriguing (and sometimes unbelievable) true stories of the lives of everyday Americans, historian Julie M. Fenster traces the history of the weakening of our national ethics through the practice of cheating. From marital infidelity to financial fraud; rigged sports competitions to corruption in politics and the American education system; nuclear weaponry to beauty pageants; hospitals, TV gameshows, and charities; nothing and no one is exempt. And far from being ostracized, cheaters in every sphere continue to survive and even thrive, casting their influence over the rest of our society. And nowhere is this more obvious than in the recent tectonic shift in politics, where a revolution in our collective attitude toward fraudsters has ushered in a new kind of leadership. Part history of an all-American tradition, part dissection of an ongoing national crisis, *Cheaters Always Win* is irresistible reading -- a smart, sardonic, and scintillating look into the practice that made America what it is today.

Groomed for a place at a Big Name School since their obsessed, status-conscious helicopter parents passed out cigars at the Stockstill General Hospital Neonatal Unit, the privileged students of Pembrocton College Preparatory are ratcheting up the stakes in the race to get into the nation's most prestigious colleges. The PCP juniors are gloating, jubilant at the rumor that the valedictorian presumptive has received a B on her report card, a grade that will relegate her to in-state hell. Her heir apparent, a three-generation Yale legacy, is the sole mourner at the demise of her future—if only because her thoughtless academic lapse is going to derail his plans to attend MIT. Across town, in the graffiti-covered halls of Stockstill High School, the students slink to class, praying that they arrive without a knife wound—and dream of ivy-covered walls. And with the help of a take-no-prisoners principal and an enterprising parent, the students at SHS dare to encroach shamelessly on territory normally reserved for their wealthy private school rivals. Join the fray as a memorable cast of characters engages in the latest rage in extracurricular activities: college admissions as a blood sport. Laugh out loud funny, *The Applicants* lampoons the heights we scale—and the depths to which we sink—to get into the “right” college. ?

In early September, 1956, Judy Woodall sailed off to Europe with a group of young women, all students at Tulane University's Newcomb College about to experience their Junior Year Abroad. Starting that first night at sea, Judy kept an extraordinarily detailed journal recording her experiences living in Paris and Dijon and her many travels throughout Europe. Through her eyes, we see a post-war Europe still struggling with continuing shortages while the fear of another war simmers in Hungary, and we are with her as she experiences the treasures of European art and music. Reading this journal gives a vivid day-to-day portrayal of a time worth remembering - a time now fading into history.

"That Girl From the Dummy Line" is a first person account of growing up in severe poverty in the delta farm region of northeastern Arkansas in 50s and 60s in a tar-papered shack built on a dirt road known as the dummy line. The dummy line girl was the third of ten children born to an illiterate farmer and his wife, who didn't understand their daughter's love of education or her desire to go to college as she excelled in school. Indeed, they actively attempted to prevent her from leaving home to seek a college degree. The dummy line girl spent much of her childhood working in the cotton fields. Farm work and other chores took a toll on the dummy line girl's ability to stay on track with her studies and goals. Further complicating her life was a dysfunctional relationship with her parents and an abusive older sister. The local public school system became her refuge and provided her with the hope she needed in order to plan a better future for herself. This is a story about a girl who refused to accept the path given her by accident of birth - a girl who wanted more and believed she deserved more and was willing to work for it.

Gaby LeFevre is a suburban, Midwestern firecracker, growing up in the 80s and 90s and saving the world one homeless person, centenarian, and orphan at a time. With her crew of twin sister, Annie, smitten Mikhail, and frenemy Mel, she's a pamphlet-wielding humanitarian, tackling a broken world full of heroes and heroines, villains and magical seeds, and Northwyth stories. Beginning with a roadkill-burying nine-year-old and a gas-leak explosion, it follows Gaby as she traverses childhood and young adulthood with characteristic intensity and a penchant for disaster. Meanwhile, the large cast of compelling characters entertains and the Northwyth legends draw you into their magic.

There is an art to studying. Anyone one can "study," but few truly learn the art. Drew Case's insightful new guide to academic achievement, *The Keys to Success*, provides the tools you need for a lifetime of accomplishment. The author's fifteen years of classroom instruction have helped shape this handbook into a fun and easy-to-read compilation that teaches the skills required for successful learning, studying, and test taking. Over the past decade and a half, the strategies laid out in *The Keys to Success* have been shown to help all types of students achieve their maximum potential time and time again. The lessons learned, however, don't simply apply to college students. Instead, anyone wishing to acquire and apply new skills can benefit from Case's expertise. Originally conceived as a short addendum to the syllabi in his college science and nursing classes, Case quickly realized just how much most students needed a no-nonsense guide to academic achievement. As a result, he modified his original materials that resulted in the comprehensive book that is *The Keys to Success*. So whether one is a K-12 or college student, acquiring new job skills, or even a member of the military, the potential knowledge this educative guide offers is endless. Case travels around the state presenting to various K-12 schools and colleges. Case is available for speaking and

presentations. Please contact him at drew.case@doane.edu for more information.

Comments/Reviews While reading your book, I found myself reflecting on my college years and my laborious study methods. I wish I had read your book back then! -Bill, CreateSpace Editor This book has been a huge help to me as a high school student. I recently took an ACT preparation class and most everything covered in the class was covered in this book. It taught me how to get through tests quickly, but very efficiently and systematically. It has also taught me different methods for studying and I have found these tips very helpful. I highly recommend this book. - Isabel, High School Student Something's just need a refresher. This book provides all that and more!!! I would highly recommend this to anybody embarking on furthering their educational goals. - College Staff I think the book is great! I love the common sense approach in a day when "common sense" is rare. Your layout is clean and fresh. There is a nice flow. I found THE KEYS TO SUCCESS to be caring, upfront and a GPS to success. - College Bookstore Manager Coming back to school after many years of raising a family and having a career I felt so rusty and lost. This book literally saved my grade. If you have concerns about how to study and do well in college, this book is a MUST! Thanks Mr. Case - Angie, College Student I had Mr. Case for my pharmacology class and he gave us a copy of the unprinted book to see if we liked it. LOVED IT!!!! Seriously, I don't know how I could have passed this class without it. Why didn't you have this book available when I took your anatomy class? - Sam, College Student

Verbal Virtuoso: Guide To Improve Your Reading Comprehension (Grades 7-12/College Students/Graduate Students/Adults) is an innovative step-by-step program that will improve your reading comprehension for any standardized reading exam. This book will enhance just about any person's reading skills by offering a reading technique to locate key points quickly and effectively. This system was originally designed to help students score higher on the reading section of the MCAT(r) (Medical College Admission Test), one of the most difficult standardized exams administered in the United States. As this workbook has helped many students score higher on the MCAT since 2009, we have decided to offer this version of the workbook to any student and adult who wishes to improve their reading abilities or score higher on any reading exam. If you wish to improve your reading abilities or reading comprehension exam scores, then this workbook will help you. The Verbal Virtuoso technique provides you with an easy and efficient system to analyze every one of the author's arguments presented in any reading passage. By asking yourself two very important questions upon reading each statement in the passage, you will develop a thorough understanding of the author's views and biases, as these simple questions force you to analyze the author's purpose in writing each individual sentence. With clear insight into how the author presents his or her argument to the reader and defends these arguments, answering the passage questions correctly will be an easier and clear-cut task. By enhancing your speed to pinpoint these arguments, you will also learn to understand the author's key points in the passage quicker than other readers who read without a technique. Furthermore, we provide you with a systematic thinking technique that ensures you read each statement and THINK about the statement's meaning and purpose within the passage. If you have trouble focusing as you read complex material, this technique may help you maintain focus as long as you keep asking yourself our two questions. We understand it is difficult to read through dense and boring passages, so we do not teach our students to read for enjoyment. Rather, we teach you to systematically analyze every statement, searching for any sign of argument. This investigation of the passage will naturally help you answer the most time-consuming and thought-provoking questions presented on

reading exams (i.e. "Which of the following answer choices would most weaken the author's views presented in the passage?" or "Which of the following choices would the author most likely criticize?") Thank you, and we hope you enjoy this educational experience!

College is a pivotal time in a person's life. And it can be incredibly challenging to follow Jesus during those 4-7 years. Sadly, a lot of people walk away. Sadder still, a lot of people simply pretend to follow Him. This book was written as a challenge for anyone embarking on the journey through higher education. Don't just try to follow Jesus in college. Either do it or don't. Either devote your life to it or walk away from it. Don't pretend. Don't just play the part. Don't just go through the motions. Don't be lukewarm. And don't straddle the fence. Pick a side, and go after it with everything you've got. In these pages, you'll find practical steps to be all in.

ON COURSE: STRATEGIES FOR CREATING SUCCESS IN COLLEGE AND IN LIFE empowers students with the tools they need to take charge of their academic and lifelong success. Through distinctive guided journal entries, Skip Downing encourages students to explore and develop their personal responsibility, self-motivation, interdependence, and self-esteem, and to make wise choices that create successful results. Wise Choices in College sections in each chapter help students develop the study skills they need to excel in their other courses. The 7th edition features expanded coverage of diversity, emphasizing the many ways in which people are different and how these differences often influence the choices they make. Other new topics include a discussion of academic integrity, how to thrive in the college culture, and a research-based section on the importance of developing a growth mindset. Plus, a new Annotated Instructors Edition guides instructors to relevant exercises and materials in the **ON COURSE FACILITATOR'S MANUAL**.
