Conceived nearly a century ago by a man who died believing himself a failure, it's now a revered classic and a rite of passage in the reading lives of millions. But how well do we really know *The Great Gatsby*? As Maureen Corrigan, *Gatsby* lover extraordinaire, points out, while Fitzgerald's masterpiece may be one of the most popular novels in America, many of us first read it when we were too young to fully comprehend its power. Offering a fresh perspective on what makes *Gatsby* great-and utterly unusual-*So We Read On* takes us into archives, high school classrooms, and even out onto the Long Island Sound to explore the novel's hidden depths, a journey whose revelations include *Gatsby*'s surprising debt to hard-boiled crime fiction, its rocky path to recognition as a "classic," and its profound commentaries on the national themes of race, class, and gender. experience the greatness of Gatsby and cuts to the heart of why we are, as a culture, "borne back ceaselessly" into its thrall. Along the way, she spins a new and fascinating story of her own.

Krakauer's page-turning bestseller explores a famed missing person mystery while unraveling the larger riddles it holds: the profound pull of the American wilderness on our imagination; the allure of high-risk activities to young men of a certain cast of mind; the complex, charged bond between fathers and sons.

"Terrifying... Eloquent... A heart-rending drama of human yearning." —New York Times In April 1992 a young man from a well-to-do family hitchhiked to Alaska and walked alone into the wilderness north of Mt. McKinley. He had given \$25,000 in savings to charity, abandoned his car and most of his possessions, burned all the cash in his wallet, and invented a new life for himself. Four months later, his decomposed body was found by a moose hunter. How Christopher Johnson McCandless came to die is the unforgettable story of *Into the Wild*.

Immediately after graduating from college in 1991, McCandless had roamed through the West and Southwest on a vision quest like those made by his heroes Jack London and John Muir. In the Mojave Desert he abandoned his car, stripped it of its license plates, and burned all of his cash. He would give himself a new name, Alexander Supertramp, and, unencumbered by money and belongings, he would be free to wallow in the raw, unfiltered experiences that nature presented. Craving a blank spot on the map, McCandless simply threw the maps away. Leaving

behind his desperate parents and sister, he vanished into the wild. Jon Krakauer constructs a clarifying prism through which he reassembles the disquieting facts of McCandless's short life. Admitting an interest that borders on obsession, he searches for the clues to the drives and desires that propelled McCandless. When McCandless's innocent mistakes turn out to be irreversible and fatal, he becomes the stuff of tabloid headlines and is dismissed for his naiveté, pretensions, and hubris. He is said to have had a death wish but wanting to die is a very different thing from being compelled to look over the edge. Krakauer brings McCandless's uncompromising pilgrimage out of the shadows, and the peril, adversity, and renunciation sought by this enigmatic young man are illuminated with a rare understanding--and not an ounce of sentimentality. Mesmerizing, heartbreaking, *Into the Wild* is a tour de force. The power and luminosity of Jon Krakauer's storytelling blaze through every page. 'But it hadn't been given for nothing. It had been given, even the most wildly squandered sum, as an offering to destiny that he might not remember the things most worth remembering, the things that he would now always remember' F. Scott Fitzgerald's stories defined the 1920s 'Jazz Age' generation, with their glittering dreams and tarnished hopes. In these three tales of a fragile recovery, a cut-glass bowl and a life lost, Fitzgerald portrays, in exquisite prose and with deep human sympathy, the idealism of youth and the ravages of success. This book includes *Babylon Revisited*, *The Cut-Glass Bowl* and *The Lost Decade*.

George Orwell's celebrated novella, *Animal Farm*, is a

biting, allegorical, political satire on totalitarianism in general and Stalinism in particular. One of the most famous works in modern English literature, it is a telling comment on Soviet Russia under Stalin's brutal dictatorship based on a cult of personality which was enforced through a reign of terror. The book tells a seemingly simple story of farm animals who rebel against their master in the hope of stopping their exploitation at the hand of humans and creating a society where animals would be equal, free and happy.

Ultimately, however, the rebellion is betrayed and the farm ends up in a state as bad as it was before. The novel thus demonstrates how easily good intentions can be subverted into tyranny. Orwell has himself said that it was the first book in which he had tried, with full consciousness of what he was doing, 'to fuse political purpose and artistic purpose into one whole.' The book was first published in England in 1945, and has since then remained a favourite with readers all over the world, and has consistently been included in all prestigious bestseller lists for the past many years.

includes a cast of aristocratic and beautiful people, unhappy love affairs, a duel, incest, and the problems inherent in the possession of great wealth. Despite cataloging a maelstrom of interpersonal conflict, *Tender is the Night* has a poignancy and warmth that springs from the quality of Fitzgerald's writing and the tragic personal experiences on which the novel is based. The murder of a world-famous physicist raises fears that the Illuminati are operating again after centuries of silence, and religion professor Robert Langdon is called in to assist with the case.

Tales of the Jazz Age (1922) is a collection of eleven short stories by F. Scott Fitzgerald. Divided into three separate parts, according to subject matter, it includes one of his better-known short stories, "The Curious Case of Benjamin Button". All of the stories had been published earlier, independently, in either *Metropolitan Magazine* (New York), *Saturday Evening Post*, *Smart Set*, *Collier's*, *Chicago Sunday Tribune*, or *Vanity Fair*. Six entrancing tales represent the essential Fitzgerald and the Jazz Age spirit: "The Diamond as Big as the Ritz," "The Ice Palace," "Bernice Bobs Her Hair," "May Day," "The Jelly-Bean," and "The Offshore Pirate." The discovery of the Americas around 1500 AD was an extraordinary watershed in human experience. It gave rise to the modern period of human ecology, a phenomenon global in scope that set in motion profound changes in almost every society on earth. This new period, which saw the depletion of the lands of the New World, proved tragic for some, triumphant for others, and powerfully affecting for all. In this work, acclaimed

environmental historian Donald Worster takes a global view in his examination of the ways in which complex issues of worldwide abundance and scarcity have shaped American society and behavior over three centuries. Looking at the limits nature imposes on human ambitions, he questions whether America today is in the midst of a shift from a culture of abundance to a culture of limits-and whether American consumption has become reliant on the global South. Worster engages with key political, economic, and environmental thinkers while presenting his own interpretation of the role of capitalism and government in issues of wealth, abundance, and scarcity. Acknowledging the earth's agency throughout human history, *Shrinking the Earth* offers a compelling explanation of how we have arrived where we are and a hopeful way forward on a planet that is no longer as large as it once was.

Satyricon is a Latin work of fiction in a mixture of prose and poetry (prosimetrum). It is believed to have been written by Gaius Petronius. As with the *Metamorphoses* of Apuleius, classical scholars often describe it as a "Roman novel," without necessarily implying continuity with the modern literary form. The surviving portions of the text detail the misadventures of the narrator, Encolpius, and his lover, a handsome sixteen-year-old boy named Giton. Throughout the novel, Encolpius has a hard time keeping his lover faithful to him as he is constantly being enticed away by others. Encolpius's friend Ascyltus (who seems to have previously been in a relationship with Encolpius) is another major character.

The Baby Party (+Biography and Bibliography) (6X9po Glossy Cover Finish): When John Andros felt old he found solace in the thought of life continuing through his child. The dark trumpets of oblivion were less loud at the patter of his child's feet or at the sound of his child's voice babbling mad non sequiturs to him over the telephone. The latter incident occurred every afternoon at three when his wife called the office from the country, and he came to look forward to it as one of the vivid minutes of his day. He was not physically old, but his life had been a series of struggles up a series of rugged hills, and here at thirty-eight having won his battles against ill-health and poverty he cherished less than the usual number of illusions. Even his feeling about his little girl was qualified. She had interrupted his rather intense love-affair with his wife, and she was the reason for their living in a suburban town, where they paid for country air with endless servant troubles and the weary merry-go-round of the commuting train. It was little Ede as a definite piece of youth that chiefly interested him. He liked to take her on his lap and examine minutely her fragrant, downy scalp and her eyes with their irises of morning blue. Having paid this homage John was content that the nurse should take her away. After ten minutes the very vitality of the child irritated him; he was inclined to lose his temper when things were broken, and one Sunday afternoon when she had disrupted a bridge game by permanently hiding up the ace of spades, he had made a scene that had reduced his wife to tears

What does it mean when a literary hero travels along a dusty road? When he hands a drink to his companion? When he's drenched in a sudden rain shower? Ranging from major themes to literary models, narrative devices, and form, Thomas C. Foster provides us with a broad overview of literature—a world where a road leads to a quest, a shared meal may signify a communion, and rain, whether cleansing or destructive, is never just a shower—and shows us how to make our reading experience more enriching, satisfying, and fun. This revised edition includes new chapters, a new preface, and a new epilogue, and incorporates updated teaching points that Foster has developed over the past decade.

A collection of "commercial short stories F. Scott Fitzgerald published before he began to work on what would become his great American novel, *The Great Gatsby*."--Back cover. These beautifully crafted poems - by turns dark, playful, intensely moving, tender, and intimate - make up Margaret Atwood's most accomplished and versatile gathering to date, " setting foot on the middle ground / between body and word." Some draw on history, some on myth, both classical and popular. Others, more personal, concern themselves with love, with the fragility of the natural world, and with death, especially in the elegiac series of meditations on the death of a parent. But they also inhabit a contemporary landscape haunted by images of the past. Generous, searing, compassionate, and disturbing, this poetry rises out of human experience to seek a level between luminous memory and the realities of the everyday, between the capacity to inflict and the strength to forgive.

There, he reconnects with his distant cousin Daisy and her husband Tom Buchanan, a flagrant philanderer who brings Nick to the city in order to spend time with Myrtle, his impoverished mistress. Soon, he receives an invitation to a party at the Gatsby mansion, where he gets terribly drunk and meets his neighbor, who swears they served together in the Great War. As time goes by, the two begin a tenuous friendship bolstered by stories of the war and a mutual fondness for alcohol.
