In the three decades since Smita Patil died-at the impossibly young age of thirty-one-she has unwaveringly been one of Indian cinema's biggest icons. That is unusual enough for a 'parallel cinema' actor, rendered more remarkable in a career that spanned a mere ten years. Patil, one of the leading lights of the New Indian Cinema of the mid-1970s, has a body of work that would make veterans proud. *Smita Patil: A Brief Incandescence* tells her remarkable story, tracing it from her childhood to stardom, controversial marriage and untimely death. Her close friends remember 'Smi' as outspoken and bindaas, not beyond hurling abuses or taking off on bikes for impromptu joyrides. Film-makers like Shyam Benegal and Jabbar Patel, and co-stars Om Puri and Shabana Azmi talk about Patil's dedication to her craft and her intuitive pursuit of that perfect take. From the difficult equation she shared with her mother to her propensity for 'wrong' relationships, about which she was always open unlike other stars of the time, this is a complex and honest exploration of Patil's life. The book also includes a sharp critique of the films that defined her. They read like a roster of the best of New Indian Cinema: *Bhumika*, *Mandi*, *Manthan*, *Umbartha*, *Bhavni Bhavai*, *Akaler Sandhane*, *Chakra*, *Chidambaram* and *Mirch Masala* among them. Maithili Rao also examines Patil's many unfortunate forays into mainstream commercial cinema. Incisive and insightful, *Smita Patil: A Brief Incandescence* is an invaluable addition to film studies in India, bringing alive an entire era when cinema in India was truly different. It is also the definitive biography of a rare talent and a haunting life.

*Pather Panchali* placed Indian cinema on the world map in 1955: this is a simple statement of fact, no hyperbole. In the sixty years since, the movie has acquired cult status, and its sketchbook mythical proportions. Believed to have been forever lost after the film-maker donated it to the Cinematheque Francaise archives, the sketchbook is now available as a book, along with other fascinating and previously unseen material on the film: parts of the draft scenario, reviews, recollections, posters and illustrations. For film and Ray enthusiasts, this is a treasure trove, and for a whole new generation of filmgoers, including those who might not even have seen the film yet, it will reveal a process unfolding, a mind at work. As for connoisseurs of the graphic form, Ray's sketches are legend, and the novelistic qualities of this particular sketchbook have been the matter of intense discussion. As much a chronicle of the work of a genius as it is a handbook for aspiring film-makers, this collector's edition of *The Pather Panchali Sketchbook* is a must-have for every film lover's library.

Satyajit Ray, known to his intimates as Manik-da, remains India's most respected name in international film circles. This book reveals in its simplicity the ease and camaraderie between Satyajit Ray, one of India's finest film-makers, and Nemai Ghosh, photographer extraordinaire. Manik-da is the latter's endeavour to depict the man behind the director's mask. Ghosh first worked with Ray on *Goopy Gyne Bagha Byne*, and Ray immediately found in him a kindred spirit who intuitively understood his requirements - and whom he understood. Thus was formed a partnership that spanned over a quarter of a century. In the process, Ghosh was able to photograph Ray at work and play, capturing on film the many moods of the master director. This nuanced and

Lucid translation from the Bengali original, which includes a perceptive Foreword by Sharmila Tagore, presents to the English reader Ghosh's thoughts on Ray with over fifty exquisite, never-before-seen photographs.

Peppered with heartfelt accounts and charming anecdotes, Urdu film magazines were in great favour with the public from the 1930s through the 1990s – a considerable period of seven decades. Unfortunately, as Urdu got progressively marginalised in later years, these magazines were not archived, for the most part; leading to their inevitable disappearance from popular imagination. Tracking down these lost publications, Yasir Abbasi followed leads – some futile, some fruitful – to obscure towns and people's homes in a last-ditch effort to save valuable records of Indian cinema. As challenging as it was to locate faded issues and original texts, he managed to uncover and translate many fabulous memoirs covering a wide gamut of our favourite old artistes at their candid best. A gloom-laced piece on Meena Kumari by Nargis, a rollicking description by Raja Mehdi Ali Khan of an eventful evening with Manto (not to mention a mysterious woman and a house on fire), Jaidev writing about his chequered career, Balraj Sahni introspecting about the relevance of Hindi and Urdu in films – it's a rich mix of engrossing narratives brought back from oblivion.

With the Apu Trilogy - Pather Panchali, Aparajito and Apur Sansar - in the fifties, Satyajit Ray caught the attention of film enthusiasts all over the world. This 50th Anniversary volume, containing a foreword and working sketches by Ray presents the first authorized publication of these scripts in their entirety along with extensive interviews with Ray himself. Fresh material special to this edition includes an expansive interview with Ray by Shyam Benegal, himself a leading filmmaker with several award winning films to his credit. In the interaction between the two directors, Ray talks about early influences, the experience of making the Apu Trilogy, the importance of music and the portrayal of women in his film as well as other aspects of his craft. This edition also includes a complete filmography.

Matinee idol Arindam Mukherjee is on his way by train from Calcutta to Delhi to receive a national award. He encounters Aditi Sengupta, who runs a magazine for modern women. During the conversation, Arindam slowly sheds his carefully put together image of glamour and easy-living, revealing his insecurities and haunting regrets. Based on an original screenplay by Satyajit Ray, *Nayak* is a marvellous portraiture of the life of a superstar. The 1966 film, with unforgettable performances by Uttam Kumar and Sharmila Tagore, went on to win several awards. This novelization by Bhaskar Chattopadhyay will remind readers of Ray's enduring genius.

king of Halla and save the kingdom of Shundi; a group of friends run into a self-proclaimed ageless sage who claims to have been friends with Plato, Jesus and Buddha. With short stories from legendary writers like Tagore, Prabhat Kumar Mukhopadhyay, Rajshekhar Basu and Premchand, *Fourteen* is a beautiful collection of tales Satyajit Ray transformed into films, that have endured and become classics we all love and admire.

"This is a deeply researched, theoretically sophisticated and organic study. Keya Ganguly's intellectual tour de force in this analysis of the great Indian film maker Satyajit Ray will provide a benchmark for future studies of the subject."--Partha Mitter, author of *The Triumph of Modernism: Indian Artists and the Avant-Garde 1922-1947* "What distinguishes Ganguly's book from the more fashionable approaches to non-Western cinema is her willingness to assert the importance of European theory--specifically, writings on film by Eisenstein, Benjamin, Kracauer, Balázs, among others--as a way to elaborate Satyajit Ray's contributions in the larger postwar context of an international New Wave cinema movement. She does this with extraordinary intelligence and finesse, and the result is an illuminating statement on how a cinema that seems nostalgic for a disappearing cultural past can in fact be read, for the first time perhaps, for its intimations of an as-yet unrealized futurity."--Rey Chow, author of *Sentimental Fabulations, Contemporary Chinese Films*

An incident near the desolate Chhinnamasta temple on the rocky riverbank of Rajrappa leads to the death of Mahesh Chowdhury, the head of a Hazaribagh family. Adding to the mystery are a set of coded diaries, a valuable stamp collection that is missing and a tiger that is roaming the streets of Hazaribagh. One of Feluda's most intriguing adventures, this shows the master sleuth at his best.

bedtime reading for those who like their terror seasoned with a pinch of humor, and a collector's item for all Ray aficionados. "I can never forget the excitement in my mind after seeing 'Pather Panchali'", noted Akira Kurosawa. Satyajit Ray's three films about the boyhood, adolescence and manhood of Apu, 'Pather Panchali' (1955), 'Aparajito' (1956) and 'The World of Apu' (1959) - collectively known as The Apu Trilogy - are established classics of world cinema. The Trilogy was the chief reason for Satyajit Ray's receiving a Hollywood Oscar for lifetime achievement in 1992, just before his death. This book by Ray's biographer and world authority Andrew Robinson is the first full study of the Trilogy. Robinson - who came to know the director well during the last decade of his career - covers the literary and cultural background to the films, their production, their music composed by Ravi Shankar, their aesthetic value, and their complex critical reception in the East and the West, from 1955 up to the present day. Extensively and beautifully illustrated and a pleasure to read, 'The Apu Trilogy' will appeal to anyone captivated by the unique world created by Satyajit Ray.

Interviews with India's preeminent film director and creator of the Apu trilogy

Satyajit Ray, one of the greatest auteurs of twentieth century cinema, was a Bengali motion-picture director, writer, and illustrator who set a new standard for Indian cinema with his Apu Trilogy: Pather Panchali (Song of the Little Road) (1955), Aparajito (The Unvanquished) (1956), and Apur Sansar (The World of Apu) (1959). His work was admired for its humanism, versatility, attention to detail, and skilled use of music. He was also widely praised for his critical and intellectual writings, which mirror his filmmaking in their precision and wide-ranging grasp of history, culture, and aesthetics. Spanning forty years of Ray's career, these essays, for the first time collected in one volume, present the filmmaker's reflections on the art and craft of the cinematic medium and include his thoughts on sentimentalism, mass culture, silent films, the influence of the French New Wave, and the experience of being a successful director. Ray speaks on the difficulty of adapting literary works to screen, the nature of the modern film festival, and the phenomenal contributions of Jean-Luc Godard and the Indian actor, director, producer, and singer Uttam Kumar. The collection also features an excerpt from Ray's diaries and reproduces his sketches of famous film personalities, such as Sergei Eisenstein, Charlie Chaplin, and Akira Kurosawa, in addition to film posters, photographs by and of the artist, film stills, and a filmography. Altogether, the volume relays the full extent of Ray's engagement with film and offers extensive access to the thought of one of the twentieth-century's leading Indian intellectuals.

Beyond Apu - 20 Favourite Film Roles of Soumitra Chatterjee looks at the cinematic life of this thespian through twenty of the most iconic characters he has essayed. Handpicked by the star himself, and brimming over with vintage anecdotes, this is a fascinating read on the art and craft of a master at work. Including insightful essays on his theatre and other artistic achievements, this book not only introduces the reader to an icon of Indian cinema but also offers a unique insight into the mind of a genius.

Satyajit Ray is acknowledged to be one of the world's finest film-makers. This book brings together some of his most cerebral writings on film. With the economy and precision that marked his films, Ray writes on the art and craft of cinema, pens an ode to silent cinema, discusses the problems in adapting literary works to film, pays tribute to contemporaries like Godard and Uttam Kumar, and even gives us a peek into his experiences at film festivals, both as a jury member and as a contestant. The incredible story of a film that was never made. In the 1950s, when Satyajit Ray asked Pandit Ravi Shankar to compose the music for the *Apu Trilogy*, he conceptualized a film on the legendary sitarist. He also worked out a detailed storyboard for the film. However, for reasons unknown till now, the film was never made and the project was forgotten. Now, for the first time, Ray's storyboard is available. Together with interviews by both Ray and Ravi Shankar on various aspects of their collaboration and a scholarly introduction, this is truly a collector's edition.

For those who know their Indian cinema, *Shatranj Ke Khilari* is film-maker Satyajit Ray's only feature film in Hindi/Urdu and also his most expensive film, employing lavish stage design and stars of both Mumbai and Western cinema. A period piece set in nineteenth-century Lucknow, capital of the state of Oudh, the film revolves around the court of the flamboyant artist-king Wajid Ali Shah against the backdrop of the East India Company's avaricious annexation of Oudh in 1856. Jindal, Ray's young and artistically committed producer of *Shatranj Ke Khilari*, looks back on the gripping story of how Ray came to direct the film despite his unequivocal declaration that he would never write and direct a film that was not in Bengali. Quoting extensively from Ray's fascinating unpublished letters to Jindal, it evokes the driving passion, original historical research and trademark devotion to detail that Ray brought to every aspect of the production.

Sujan can imitate the calls of all kinds of birds and animals. When he finds himself in the king's court and learns of a fearsome bird-eating monster, he decides to use his skill to defeat the cruel creature and win the princess's heart. In another story, Ratan is cursed by a sage and is turned into an ogre, but his sweet song saves him from a terrible fate. In 'Gangaram's Lucky Stone' a beautiful rainbow-coloured stone rescues Gangaram from all kinds of disasters and even brings him a treasure, but what happens when he gives it away? And, in 'The Magic Moonlight Flower', a young boy goes in search of the flower that will save his father's life, but on the way he will need to fight a cruel king, rescue a prince and slay a nasty serpent. Funny, exciting and full of strange and wonderful humans and supernatural creatures, *The Magic Moonlight Flower and Other Enchanting Stories* is a delightful collection of stories by a master of children's writing in India.

Satyajit Ray was a master of science fiction writing. Through his Professor Shonku stories and other fiction and non-fiction pieces, he explored the genre from various angles. In the 1960s, Ray wrote a screenplay for what would have been the first-of-its-kind sci-fi film to be made in India. It was called *The Alien* and was based on his own short story "Bonkubabur Bandhu". On being prompted by Arthur C. Clarke, who found the screenplay promising, Ray sent the script to Columbia Pictures in Hollywood, who agreed to back it, and Peter Sellers was approached to play a prominent role. Then started the "Ordeals of the Alien" as Ray calls it, as even after a series of trips to the US, UK and France, the film was never made, and more shockingly, some fifteen years later, Ray watched Steven Spielberg's film *Close Encounters of the Third Kind* and later *E.T.: The Extra-Terrestrial*, and realized these bore uncanny resemblances to his script *The Alien*, including the way the ET was designed! A slice of hitherto undocumented cinema history, *Travails with the Alien* includes Ray's detailed essay on the project with the full script of *The Alien*, as well as the original short story on which the screenplay was based. These, presented alongside correspondence between Ray and Peter Sellers, Arthur C. Clarke, Marlon Brando, Hollywood producers who showed interest, and a fascinating essay by the young student at Columbia University's Graduate School of Journalism who broke the Spielberg story, make this book a rare and compelling read on science fiction, cinema and the art of adaptation.

Satyajit Ray is acknowledged as one of the world's finest film-makers. His films changed the way the world looked at Indian cinema. But Ray was not only a film-maker. He was also a bestselling writer of novels and short stories, and possibly the only Indian film-maker who wrote prolifically on cinema. This book brings together, for the first time in one volume, some of his most cerebral writings on film. With the economy and precision that marked his films, Ray writes on the art and craft of cinema, pens an ode to silent cinema, discusses the problems in adapting literary works to film, pays tributes to contemporaries like Godard and Uttam Kumar, and even gives us a peek into his experiences at film festivals, both as a jury member and as a contestant. Published in association with the Society for the Preservation of Satyajit Ray Films, and including fascinating photographs by and of the master, *Deep Focus* not only reveals Ray's engagement with cinema but also provides an invaluable insight into the mind of a genius.

trilogy. Wood was one of our most insightful and committed film critics, championing films that explore the human condition. His analysis of The Apu Trilogy reveals and illuminates the films' profoundly humanistic qualities with clarity and rigor, plumbing the psychological and emotional resonances that arise from Ray's delicate balance of performance, camerawork, and visual design. Wood was the first English-language critic to write substantively about Ray's films, which made the original publication of his monograph on The Apu Trilogy unprecedented as well as impressive. Of late there has been a renewed interest in North America in the work of Satyajit Ray, yet no other critic has come close to equaling the scope and depth of his analysis. In his introduction, originally published in 1971, Wood says reactions to Ray's work were met with indifference. In response, he offers possible reasons why this occurred, including social and cultural differences and the films' slow pacing, which contemporary critics tended to associate with classical cinema. Wood notes Ray's admiration for Western film culture, including the Hollywood cinema and European directors, particularly Jean Renoir and his realist films. Assigning a chapter to each Pather Panchali (1955), Aparajito, (1957), and The World of Apu, (1959), Wood goes on to explore each film more thoroughly. One of the aspects of this book that is particularly rewarding is Wood's analytical approach to the trilogy as a whole, as well as detailed attention given to each of the three films. The book, with a new preface by Richard Lippe and foreword by Barry Keith Grant, functions as a master class on what constitutes an in-depth reading of a work and the use of critical tools that are relevant to such a task. Robin Wood's The Apu Trilogy offers an excellent account of evaluative criticism that will appeal to film scholars and students alike.

It is unusual to come across a life so rich in varied experiences as the one that Bijoya Ray, wife and constant companion to the renowned film-maker Satyajit Ray, has lived. Despite being closely related, Satyajit—'Manik' to his friends and family—and Bijoya fell in love and embarked on a life together years before Ray's groundbreaking film *Pather Panchali* was made, and their long, happy married life lasted right until Ray's death in 1992. Bijoya Ray never felt the urge to write her memoirs, but was finally persuaded to pick up the pen when she was well into her eighties. *Manik and I* brims over with hitherto unknown stories of her life with Satyajit Ray, told in candid, vivid detail.

Akira Kurosawa said of the great director: 'Not to have seen the cinema of Ray means existing in the world without seeing the sun or the moon.' Martin Scorsese remarked on Ray's birth centenary in 2021: 'The films of Satyajit Ray are truly treasures of cinema, and everyone with an interest in film needs to see them.' *Satyajit Ray: The Inner Eye* is the definitive biography, based on extensive interviews with Ray himself, his actors and collaborators, and a deep knowledge of Bengali culture. Andrew Robinson provides an in-depth critical account of each film in an astonishingly versatile career, from Ray's directorial debut *Pather Panchali* (1955) to his final feature *Agantuk* (1991). The third (centenary) edition includes new material: an epilogue, 'A century of Ray', about the nature of his genius; a wide-ranging conversation with Ray drawn from the author's interviews; and an updated comprehensive bibliography of Ray's writings. James Monaco discusses the elements necessary to understand how a film conveys its meaning, and, more importantly, how the audience can best discern all that a film is attempting to communicate.

Frank and funny, these stories written originally for the Bengali children's magazine *Sandesh*, are an essential read for all Ray enthusiasts as well as those who want to know Ray, the writer and film-maker, better. In this volume, Ray also shares some of his experiences while shooting *Pather Panchali*—his epic debut, and subsequent films, particularly for children. He describes how an entire field of kaash flowers was eaten up by cows before he could shoot his famous scene with the train in *Pather Panchali*; and how a circus tiger let loose in a bamboo grove chased away a group of curious onlookers in the blink of an eye.

Providing analyses of selected films, including those that comprise The Apu Trilogy, Chess Players, and Jalsaghar, among others, Cooper outlines Western influences on Ray's work, such as the plight of women functioning within a patriarchal society, Ray's political vision of the 'doubly colonised', and his attack and critique of the Bengali/Indian middle class of today.
