GENRE: Children's Adventure (An Unofficial Minecraft Book for Kids Ages 9 - 12 (Preteen) Book 1: Life in the Nether Do you ever wonder what it is like to live as a spiteful mob when you don't have a spiteful bone in your body? What about what is like to live with no torso, and rods for limbs? Well, meet Rupert. Rupert is a semi-shy, totally sweet soul in the body of a blaze. That's right! A

fire hurling, whirling, nightmare mob from the Nether. Being sweet on the inside doesn't always translate when your nervousness cause fire to spew from your body. Rupert is stuck with no friends and a pack of bullies tormenting his days and all because he doesn't want to be mean, and yet, he can't exactly be nice. Day after day Rupert argues with his bullies, and he lights fire to the people and mobs he wants to get to know. Then, one day, just when Rupert has given up hope, he comes across someone who is in trouble. This someone is going to change the life of our friendly blaze, but how? Book 2: Escape the Nether Rupert and Molly take a leap of faith right into a brand new world. They are met with many wonders like snow, trees, and bunny rabbits. If only they knew what to call these brand new sights. Rupert and Molly face their own unique obstacles as they set out to explore their new domain. Rupert sets almost everything he touches on fire, and Molly floats in this new atmosphere. Rupert has to tie her to him to keep her safe. The two inseparable friends from the Nether are about to explore forests and ravines, and make a go of Overworld living. It can't be that hard, can it? What happens when their new life outside of the red toned lava jungle doesn't turn out to be all that wonderful? Book 3: Attack of the Zombie Pigmen Circumstance, and a lifetime of unexpected events have led Rupert and Molly back to their native land of the Nether. Just as the two best friends are feeling back at home, they hear the distress calls of an unfamiliar voice. The calls bring them to a group of zombie pigmen threatening one of their own. Molly and Rupert react by getting the small zombie pigman to safety and vowing to protect him. Leroy is on the outs with his mob for a daring decision to save Steve. To them, he has turned his back on his family. To him, well, he was just trying to do the right thing. A feeling Rupert knows well. The zombie pigmen close in on the trio and threaten to harm Leroy. His new friends Rupert and Molly fiercely protect him and Rupert comes up with a genius plan to gain back the zombie pigmen's trust toward Leroy. The plan involves Steve, and a daring speech that could jeopardize all three of these lovable outcasts. What will happen to Rupert, Molly, and Leroy as they stand up for what is right in a world that seems so upside down? Author's Note: These short stories are for your reading pleasure. Everybody knows, and maybe even loves, a microgenre. Plague romances and mommy memoirs. Nudie-cutie movies, Nazi zombies, and dinosaur erotica. Baby burlesks, Minecraft fiction, grindcore, premature ejaculation poetry...microgenres come in all varieties and turn up in every form of media under the sun, tailor-made for enthusiasts of all walks of life. Coming into use in the last decade or so, the term "microgenre" classifies increasingly niche-marketed worlds in popular music, fiction, television, and the Internet. Netflix has recently highlighted our fascination with the ultra-niche genre with hilariously specific classifications -- "independent supernatural dramedy featuring a strong female lead" -- that can sometimes hit a little too close to home. Each contribution in this collection introduces readers to a different microgenre, drawn from a range of historical periods and from a variety of media. The Microgenre presents a previously untreated point of cultural curiosity, revealing the profound truth that humanity's desire to classify is often only matched by the unsustainability of the obscure and hyper-specific. It also affirms, in colorful detail, what most people suspect but have trouble fathoming in an increasingly homogenized and commercial West: that

imaginative projects are just that, imaginative, diverse, and sometimes completely and hilariously inexplicable.

GENRE: Children's Adventure (An Unofficial Minecraft Book for Kids Ages 9 - 12 (Preteen))My name is Ugh, and I'm finally in my last month of my all-monsters summer school. I had to sign up for three months of summer school because I failed three classes in school last year. I already passed my history and science classes, but now I have to face my last challenge: gym class. I always skipped gym class during the school year, but now I need to show up every day if I want to pass the class and make it to middle school next year. This won't be easy because my gym teacher is a Blaze. Blazes are known to be pretty hardcore, and I doubt that I can get away with slacking in this class. My best friends, Grunt and Snow, won't even be there to help me because they'll be taking different classes this month.
