Dragon hoards are supposed to be a beacon of unity, but Sophia isn't so sure of that as her hoard seems out to kill each other... When Sophia and her men arrive at the dragon town, the night is young, as fate seems keen to point out. First, she kisses one of her guys, and almost gets him killed by one of the others. It won't be the last time someone attempts that... Second, she hopes to get them all on the same page as she reveals that all four men are part of her hoard, her fated mates. That went over well... Third, she finds a little dragon in the streets, hungry, tired, alone. An orphan. Just like her. Returning home brings back many memories for Sophia, good and bad ones. But it also means she has to confront other things from her past, like the people she left behind, old friendships, old pain. Can she keep her head cool as the leader of their rebuilding mission, while caring for a young orphaned dragon and regaining the trust of old friends? This is the third novella in the Guarding Their Dragon Mate serial, a six episodes long reverse harem #WhyChoose story. This novella may include any of these elements: steamy scenes, 'I need tissues NOW' moments, cries of 'why, oh,

Go camping, they said. It'll be fun, they said. Relaxing on Lake Travis, drinking beer, and stuffing my face with smores, was what I was hoping for. You know what they say about the best laid plans. I've caught the eye of four sexy men, though, I think they might be a few fries short of a Happy Meal. They are spewing all kinds of crazy about being werewolves and how I'm one of them. Maybe they aren't the only insane ones. Between that and the unexplainable things happening when I'm around them, I think it's safe to say sanity has left the building. Now, Cayden, Barrett, Liam, and Wyatt are taking me on what was supposed to be a road trip to figure out my past. Problem is, theirs isn't the only eye I've caught. Author's note: Since this is a series, the book does end in a cliffhanger. Don't worry, we will be putting up the second book for pre-order very soon!

When Sophia manages to finally unlock the room with a spell passed down from her witch father, everything she thought she knew changes. It seems her father was involved in things that nobody had any idea about, showing a side to him that Sophia doesn't know how to combine with what her mother told her about him. To top it off,
