A MAN WITHOUT AMBITION is Dr Arnold Mol's autobiography written with the purpose of giving his grandchildren some insight into part of their historical heritage. Even though his family and friends were surprised by the title, Dr Mol says that his life has been characterized by responding to opportunities that have come his way, rather than purposefully planning to achieve something. A MAN WITHOUT AMBITION begins with Dr Mol recounting the drama surrounding his birth in Holland shortly before the end of the Second World War. He then reflects on the past 68 blessed years of his life – about immigrating to South Africa, growing up, the love of his life, his first job, his missionary calling to South America, becoming a parent and his deep gratitude towards the Lord. A MAN WITHOUT AMBITION makes for rather entertaining reading with many anecdotes, and readers will see how blessed life can be when they trust God and put their faith in Him alone.

Ideal for pupils preparing for Common Entrance and other entrance exams at 13+, or those looking for lots of Geography practice to help hone their skills. On the train, on the beach, on the sofa ... many people in all parts of the world enjoy doing wordsearches. If you are studying English and want to learn and practise vocabulary related to various topics, then this book is for you! The topics reflect the kinds of everyday conversations that you might have both with native and non-native speakers of English. The topics are also those that are typically tested in English examinations e.g. TOEFL, Cambridge (First Certificate, Advanced), IELTS, and Trinity. Each chapter begins with a list of questions to enable you to have a conversation about a particular topic in various situations: on a social occasion (e.g. a work dinner, a conference lunch, a party); in the classroom during an English lesson; when chatting, either face to face or online; and during an English oral exam. After the list of questions, you will find a Word List associated with the topic and exercises to test your knowledge of less common words. The final aim is then to find the words from the Word List in the related Wordsearch. Easy English! is a series of books to help you learn and revise your English with minimal effort. You can improve your English by: reading texts in English that you might normally read in your own language e.g. jokes, personality tests, lateral thinking games, and wordsearches; doing short exercises to improve specific areas grammar and vocabulary, i.e. the areas that tend to lead to the most mistakes - the aim is just to focus on what you really need rather than overwhelming yourself with a mass of rules, many of which may have no practical daily value. Other books in the Easy English! series include: Wordsearches: Widen Your Vocabulary in English Test Your Personality: Have Fun and Learn Useful Phrases Word games, Riddles and Logic Tests: Tax Your Brain and Boost Your English Top 50 Grammar Mistakes: How to Avoid Them Top 50 Vocabulary Mistakes: How to Avoid Them HISTORY GEOGRAPHY GK GENERAL AWARENESS SSC MULTIPLE CHOICE

This book focuses on the National College Entrance Exam (NCEE), an important

measurement of education quality in China, from both education economics and education policy perspectives. It provides a better understanding and stimulates more sophisticated evaluations of NCEE-related policies in China from the perspectives of education equity, the effectiveness of education input, and education quality. This book reports inspiring findings based on high-quality individual level data, innovative measurement design, and various appropriate identification strategies. The most important conclusion is that both education equity and quality can be achieved using well-designed policies based on solid empirical evidence. This is likely the first book published in English to discuss the NCEE so extensively from multiple perspectives using concrete evidence.

Complete Revision Notes for Geography is a model Student Guide that incorporates power-packed notes with in-depth explanations that are easy to comprehend. Furthermore, this book compiles practice questions and answers that help students practice effectively for their class 10 Geography Board Examinations as per the latest syllabus and paper pattern. This book is perfect for students to measure their progress regularly and is recommended for every student who is aiming to score maximum marks in the Board Examination. What's included in this package? PART I: Complete Map Work Practice – This is compulsory section in ICSE Geography Exam. Part II: Theory Section in Geography – Location, Extent and Physical features of India, Climate, Soil Resources, Natural Vegetation and Irrigation, Water Resources, Mineral and Energy Resources, Agriculture, Manufacturing Industries, Transport and Waste Management. Following is included for all chapters – Points to Remember Important Questions & Answers Give Reason Based Questions & Answers How are these notes helpful? These notes outline all important (and useful) elements in your Geography syllabus and help you revise them through different exercises, solved questions & answers. Students who have studied geography through these notes have secured over 90 marks out of 100 in their Board exams and excelled throughout the year in classroom tests. Reading the Geography text book is important, but since the syllabus is very vast, these notes will help you learn every topic more closely and prepare for tests in timely manner.

The THOROUGHLY REVISED & UPDATED 2nd edition of the book "DMRC Exam Paper 1 & 2 for Jr. Engineer (Electrical) Guide + Workbook (10 Practice Sets) 2nd edition" has been specially designed to help students in the latest DMRC exam being conducted by DMRC. The book contains Quick Concept Review of the General Ability Test in 2 parts - Aptitude and Electrical Engineering. The Quick Concept Review is followed by a short exercise with solutions. The book also provides 2 Solved past papers of 2012 & 2013 to guide you about the pattern and the level of questions asked. The book provides 10 Practice Sets (Paper 1 and 2) as per the LATEST pattern of DMRC Electrical Engineering exam. The solutions of the 10 Practice Sets are provided immediately at the end of each Set. The questions have been carefully selected so as to give you a real feel of the exam. Each Practice Set is classified into 2 papers. Paper I is an Objective Test containing General Ability section and Electrical Engineering section. The General Ability section has 60 questions on General Awareness, Logical Ability and Quantitative Aptitude. The Electrical Engineering section has 60 questions on the knowledge of the Electrical Engineering discipline/trade. The Paper II consists of an objective test of English language of 60 questions. Two fully solved past papers of 2012 & 2013 have been provided It is our confidence that if you attempt each of the tests with sincerity your score must improve at least by 10-15%. The book also provides Response Sheet for each objective test. Post each test you must do a Post-Test Analysis with the help of the Test Analysis & Feedback Sheet which has been provided for each Set.
