

I Know What You Did Last Wednesday Diamond Brothers 6 Anthony Horowitz

“If you're determinedly not a self-help kind of reader (like me), make an exception for [this book]. And if you're not a parent, don't dismiss it. The message is one of non-judgmental kindness.”?Vogue (London) How can we have better relationships? In this instant Sunday Times bestseller, leading psychotherapist Philippa Perry reveals the vital do's and don'ts of relationships. This is a book for us all. Whether you are interested in understanding how your upbringing has shaped you, looking to handle your child's feelings or wishing to support your partner, you will find indispensable information and realistic tips in these pages. Philippa Perry's sane, sage and judgement-free advice is an essential resource on how to have the best possible relationships with the people who matter to you most.

This business classic features straight-talking advice you'll never hear in school. Featuring a new foreword by Ariel Emanuel and Patrick Whitesell Mark H. McCormack, one of the most successful entrepreneurs in American business, is widely credited as the founder of the modern-day sports marketing industry. On a handshake with Arnold Palmer and less than a thousand dollars, he started International Management Group and, over a four-decade period, built the company into a multimillion-dollar enterprise with offices in more than forty countries. To this day, McCormack's business classic remains a must-read for executives and managers at every level. Relating his proven method of “applied people sense” in key chapters on sales, negotiation, reading others and yourself, and executive time management, McCormack presents powerful real-world guidance on • the secret life of a deal • management philosophies that don't work (and one that does) • the key to running a meeting—and how to attend one • the positive use of negative reinforcement • proven ways to observe aggressively and take the edge • and much more Praise for What They Don't Teach You at Harvard Business School “Incisive, intelligent, and witty, What They Don't Teach You at Harvard Business School is a sure winner—like the author himself. Reading it has taught me a lot.”—Rupert Murdoch, executive chairman, News Corp, chairman and CEO, 21st Century Fox “Clear, concise, and informative . . . Like a good mentor, this book will be a valuable aid throughout your business career.”—Herbert J. Siegel, chairman, Chris-Craft Industries, Inc. “Mark McCormack describes the approach I have personally seen him adopt, which has not only contributed to the growth of his business, but mine as well.”—Arnold Palmer “There have been what we love to call dynasties in every sport. IMG has been different. What this one brilliant man, Mark McCormack, created is the only dynasty ever over all sport.”—Frank Deford, senior contributing writer, Sports Illustrated

The instant New York Times bestseller, now available in paperback and featuring a new afterword from the author—the insider's guide to the Facebook/Cambridge Analytica scandal, the inner workings of the tech world, and who really runs Silicon Valley “Incisive.... The most fun business book I have read this year.... Clearly there will be people who hate this book — which is probably one of the things that makes it such a great read.” — Andrew Ross Sorkin, New York Times Imagine a chimpanzee rampaging through a datacenter powering everything from Google to Facebook. Infrastructure engineers use a software version of this “chaos monkey” to test online services' robustness—their ability to survive random failure and correct mistakes before they actually occur. Tech entrepreneurs are society's chaos monkeys. One of Silicon Valley's most audacious chaos monkeys is Antonio García Martínez. After stints on Wall Street and as CEO of his own startup, García Martínez joined Facebook's nascent advertising team. Forced out in the wake of an internal product war over the future of the company's monetization strategy, García Martínez eventually landed at rival Twitter. In Chaos Monkeys, this gleeful contrarian unravels the chaotic evolution of social media and online marketing and reveals how it is invading our lives and shaping our future.

One year after the events of the first film, Julie James is attending summer classes in Boston. She suffers from memories and nightmares of her friends' Helen Shivers and Barry Cox brutal murders by the vengeful fisherman, Ben Willis. Julie's roommate, Karla, receives a phone call from a local radio station and wins a vacation for four to the Bahamas (in the movie, the radio station asks the question "what is the capital of Brazil", the girls answer "Rio de Janeiro," and get it right—despite the fact the answer is "Brasilia"). Julie invites her boyfriend, Ray, who declines, but later changes his mind. That evening, Ray and his co-worker, Dave, drive to Boston to surprise Julie, but stop due to a body in the middle of the road. When Ray discovers the body is a mannequin, Ben appears and kills Dave with his hook. Ben then chases Ray in a truck, but Ray escapes and falls down a hill. The next morning, Julie, Karla, Karla's boyfriend, Tyrell, and their friend, Will, depart for the trip. The group arrives at the hotel in Tower Bay and checks in. That evening at the hotel's bar, Julie is singing karaoke when the words "I STILL KNOW WHAT YOU DID LAST SUMMER" roll onto the screen. Terrified, she runs back to her room while the others get into the hot tub. Julie notices that her toothbrush is missing and searches her room before finding Darick, the dockhand, dead in the closet. She finds her friends and they return to find no sign of Darick's body and the hotel manager refuses to believe her story. Meanwhile, Ray survived his injuries and heads out to rescue Julie. The next day, the group finds the hotel staff murdered and the two-way radio, their only way of contact, destroyed. Isolated, the group goes to the room of Estes, the boat hand porter, and find that he has been using voodoo against them. Estes appears, explaining he was trying to protect them after realizing their answer to the radio station's question was incorrect. He tells them Ben and his wife, Sarah, had two children: a son and a daughter. Ben murdered Sarah when he found out about an affair. Estes goes missing and Will volunteers to find him, while Ray takes a boat to the island. Julie, Karla and Tyrell return to the hotel and find Nancy, the bartender, hiding in the kitchen.

Now a Netflix Feature Film! “A heart-pounding page-turner with an outstanding cast of characters, a deliciously creepy setting, and an absolutely merciless body count.” —Courtney Summers, New York Times bestselling author of Sadie and The Project A New York Times bestseller It's been almost a year since Makani Young came to live with her grandmother and she's still adjusting to her new life in rural Nebraska. Then, one by one, students at her high school begin to die in a series of gruesome murders, each with increasing and grotesque flair. As the body count rises and the terror grows

closer, can Makani survive the killer's twisted plan?

I Know What You Did Last Summer Little, Brown Books for Young Readers

A fantastic collection of funny, moving and outrageous confessions from people from all walks of life, chosen and introduced by popular digital creator and bestselling author Tova Leigh. "I was living with a nasty boyfriend who complained I didn't put enough pepper in his egg sandwich. So I dried out some hamster poop and chopped it into tiny pieces. He said it was delicious. Revenge is sweet! Have you ever wondered what other people get up to when they think no one's looking? Do you have a mortifying secret of your own you've never dared share? Whatever scandalous incidents lie hidden in your past, don't worry: this wonderful collection of funny, sexy, hair-raising and heart-warming confessions will reassure you that you're by no means alone. These confessions have all been curated by bestselling author and digital creator Tova Leigh, who explains just why we should stop being ashamed of our secrets, and instead have the courage to make ourselves vulnerable, speak out and connect. In this ultimate page-turner, there are parenting confessions, sex confessions, workplace confessions, revenge confessions ... not forgetting the all-important bodily fluids confessions! You need never feel embarrassed by your own slip-ups and misdemeanours again. "So I was married for nine years and after the divorce, when I was ready to sleep with other men, I signed up on Tinder. After few dates I was thinking ... why do I give it for free, when men will pay for it? So I became a escort! I did it for about five months and I must say I had the best time ever ... made a lot of money and met some really nice interesting people."

Young Cassie Logan endures humiliation and witnesses the racism of the KKK as they embark on a cross-burning rampage, before she fully understands the importance her family attributes to having land of their own.

On her first day at a new school, Ruby finds a note in her locker saying I Know You Did It. She's terrified that someone has found out she was responsible for the death of a girl called Hannah in a playground when they were both toddlers - a secret she has been keeping guiltily for ten years.

A paranormal rollercoaster ride with goosebumps at every turn--now a motion picture starring Uma Thurman and Anna Sophia Robb! Kit Gordy sees Blackwood Hall towering over black iron gates, and she can't help thinking, This place is evil. The imposing mansion sends a shiver of fear through her. But Kit settles into a routine, trying to ignore the rumors that the highly exclusive boarding school is haunted. Then her classmates begin to show extraordinary and unknown talents. The strange dreams, the voices, the lost letters to family and friends, all become overshadowed by the magic around them. When Kit and her friends realize that Blackwood isn't what it claims to be, it might be too late.

Based on the Book of Genesis, Dinah shares her perspective on religious practices and sexual politics.

#1 NEW YORK TIMES BESTSELLER • A panoramic experience that tells the story of Beastie Boys, a book as unique as the band itself—by band members ADROCK and Mike D, with contributions from Amy Poehler, Colson Whitehead, Wes Anderson, Luc Sante, and more. The inspiration for the Emmy-nominated Apple TV+ “live documentary” Beastie Boys Story, directed by Spike Jonze NAMED ONE OF THE BEST BOOKS OF THE YEAR BY Rolling Stone • The Guardian • Paste Formed as a New York City hardcore band in 1981, Beastie Boys struck an unlikely path to global hip hop superstardom. Here is their story, told for the first time in the words of the band. Adam “ADROCK” Horovitz and Michael “Mike D” Diamond offer revealing and very funny accounts of their transition from teenage punks to budding rappers; their early collaboration with Russell Simmons and Rick Rubin; the debut album that became the first hip hop record ever to hit #1, Licensed to Ill—and the album’s messy fallout as the band broke with Def Jam; their move to Los Angeles and rebirth with the genre-defying masterpiece Paul’s Boutique; their evolution as musicians and social activists over the course of the classic albums Check Your Head, Ill Communication, and Hello Nasty and the Tibetan Freedom Concert benefits conceived by the late Adam “MCA” Yauch; and more. For more than thirty years, this band has had an inescapable and indelible influence on popular culture. With a style as distinctive and eclectic as a Beastie Boys album, Beastie Boys Book upends the typical music memoir. Alongside the band narrative you will find rare photos, original illustrations, a cookbook by chef Roy Choi, a graphic novel, a map of Beastie Boys’ New York, mixtape playlists, pieces by guest contributors, and many more surprises. Praise for Beastie Boys Book “A fascinating, generous book with portraits and detail that float by in bursts of color . . . As with [the band’s] records, the book’s structure is a lyrical three-man weave. . . . Diamond’s voice is lapidary, droll. Horovitz comes on like a borscht belt comedian, but beneath that he is urgent, incredulous, kind of vulnerable. . . . Friendship is the book’s subject as much as music, fame and New York.”—The New York Times Book Review “Wild, moving . . . resembles a Beastie Boys LP in its wild variety of styles.”—Rolling Stone

Coming to Amazon Prime as a series on October 15th, 2021! Four teens fight to outsmart a killer who intends to avenge a young boy's death in this suspenseful thriller that inspired the classic horror film. After a party, four teens are in a hit-and-run accident that results in a young boy's death. Unable to deal with the consequences, they leave the body behind, and make an anonymous phone call to the police, tipping them off. The group makes a secret pact to bury the memory of that night and never speak of it again, but when one of the girls receives a note that reads "I know what you did last summer," their dark lie is unearthed. With twists and turns at every corner, they'll have to fight to stay steps ahead of a killer determined to make them pay.

In his sixth business book, bestselling author, entrepreneur, and investor Gary Vaynerchuk explores the twelve essential emotional skills that are integral to his life—and business—success and provides today’s (and tomorrow’s) leaders with critical tools to acquire and develop these traits. For decades, leaders have relied on “hard” skills to make smart decisions, while dismissing the importance of emotional intelligence.

Soft skills like self-awareness and curiosity aren't quantifiable; they can't be measured on a spreadsheet and aren't taught in B-schools or emphasized in institutions. We've been taught that emotional intelligence is a "nice to have" in business, not a requirement. But soft skills can actually accelerate business success, Gary Vaynerchuk argues. For analytical minds, it's challenging to understand how to get "better" at being self-aware, curious, or empathetic—or even why it's important to try. In this wise and practical book, Gary explores the 12 human ingredients that have led to his success and happiness and provides exercises to help you develop these traits yourself. He also shares what the "half" is—that emotional ingredient of leadership he's weakest at and makes the most effort to improve. Working through the ideas and exercises in the book, he teaches you how to discover your own "halves" and offers insight on how to strengthen them. Gary's secret to success is using these twelve traits in varying mixtures, depending on the situation. But how do we know when to balance patience with ambition? Humility with conviction? Gary provides real-life examples involving common business scenarios to show you how to use them together for optimum results. This iconoclastic book will help you refine your ingredients and improve your leadership capabilities. When implemented in the proper situation, these ingredients can help leaders land promotions, retain core employees, move faster than competitors, win the loyalty of customers, and build successful organizations that last.

In 1992, Lois Duncan, acclaimed author of fictional suspense novels, wrote a horror story she could never have imagined writing—a true account of the murder of her own daughter, Kaitlyn Arquette. Kait, 18, was shot to death as she drove home from a friend's house on a Sunday evening in Albuquerque, New Mexico. Police closed the unsolved case as a "random shooting," refusing to accept information that indicated otherwise, although it had all the earmarks of a professional hit. That first book, WHO KILLED MY DAUGHTER?, was Duncan's desperate attempt to motivate informants and prevent the facts of Kait's story from becoming buried. It turned out to accomplish much more than that. Duncan's new book, ONE TO THE WOLVES: ON THE TRAIL OF A KILLER, is even more horrifying than its predecessor as new information poured in, the family ran for their lives, and their original suspicions turned out to be the tip of an iceberg so immense that Kait, herself, could not have known how dangerous the information was that she had been sitting on in order to protect a now-estranged boyfriend. Since Kait didn't live to reveal it, her mother now does so in a book so intense and yet so painfully human that the reader will never forget it. All of the elements of a suspenseful mystery are here—intrigue, turns and twists, cover-ups, and page-turning action. The sobering fact is that, this time, the story isn't fiction.

From beloved author Lois Duncan comes a frightening novel about a group of students who set out to teach their malicious teacher a lesson -- only to learn that one of them could be a killer. Mr. Griffin is the strictest teacher at Del Norte High, with a penchant for endless projects and humiliating students. Even straight-A student Susan can't believe how mean he is to her crush, Dave, and to the charismatic Mark Kinney. So when Dave asks Susan to help a group of students teach Mr. Griffin a lesson of their own, she goes along with them. After all, it's a harmless prank, right? But things don't go according to plan. When one "accident" leads to another and people begin to die, Susan and her friends must face the awful truth: one of them is a killer.

Presents a groundbreaking investigation into the origins of morality at the core of religion and politics, offering scholarly insight into the motivations behind cultural clashes that are polarizing America.

The New York Times best-selling book exploring the counterproductive reactions white people have when their assumptions about race are challenged, and how these reactions maintain racial inequality. In this "vital, necessary, and beautiful book" (Michael Eric Dyson), antiracist educator Robin DiAngelo deftly illuminates the phenomenon of white fragility and "allows us to understand racism as a practice not restricted to 'bad people' (Claudia Rankine). Referring to the defensive moves that white people make when challenged racially, white fragility is characterized by emotions such as anger, fear, and guilt, and by behaviors including argumentation and silence. These behaviors, in turn, function to reinstate white racial equilibrium and prevent any meaningful cross-racial dialogue. In this in-depth exploration, DiAngelo examines how white fragility develops, how it protects racial inequality, and what we can do to engage more constructively.

She only took what she deserved. She never expected what happened next. A heart-stopping murder plot leads to an investigation that unearths one shocking secret after another. - An emotional roller coaster of a domestic thriller that will leave you breathless! -

It's not fair. I do my homework. I clean my teeth twice a day. Why does everyone want to kill me? It's a dangerous life being the younger brother of the world's worst private detective, but Nick Diamond's survived... so far. He's due a holiday, so he should be happy when an invitation arrives for his brother Tim inviting him to a school reunion on a remote Scottish island and offering to pay him pound]1,000 for the pleasure. But Nick's got a bad feeling and it's not indigestion. And when he meets their fellow guests, the feeling only gets worse - especially when they start dying in ever more bizarre ways Could it be the Diamond Brothers' days are numbered?

****NAMED FINANCIAL TIMES "TOP 10 BOOKS OF THE YEAR" **NAMED EVENING STANDARD "BOOK OF THE YEAR" **NAMED NEW STATESMAN "BEST BOOK OF 2017" **** A warm and intimate memoir by an acclaimed historian that explores the European struggles of the twentieth century through the lives, hopes, and dreams of a single family—his own. Uncovering their remarkable and moving stories, Mark Mazower recounts the sacrifices and silences that marked a generation and their descendants. It was a family which fate drove into the siege of Stalingrad, the Vilna ghetto, occupied Paris, and even into the ranks of the Wehrmacht. His British father was the lucky one, the son of Russian-Jewish emigrants who settled in London after escaping the Bolsheviks, civil war, and revolution. Max, the grandfather, had started out as a socialist and manned the barricades against Tsarist troops, never speaking a word about it afterwards. His wife Frouma came from a family ravaged by the Terror yet making their way in Soviet society despite it all. In the centenary of the Russian Revolution, What You Did Not Tell revitalizes the history of a socialism erased from memory--humanistic, impassioned, and broad-ranging in its sympathies. But it is also an exploration of the unexpected happiness that may await history's losers, of the power of friendship and the love of place that made his father at home in an England that no longer exists.

Hailed as "stunning" (New York Post), "authoritative" (Kirkus Reviews), and "comprehensively researched" (Shelf Awareness), a shocking exposé of the widespread abuses of our personal online data by a leading specialist on Web privacy. Social networks, the defining cultural movement of our time, offer many freedoms. But as we work and shop and date over the Web, we are opening ourselves up to intrusive privacy violations by employers, the police, and aggressive data collection companies that sell our information to any and all takers. Through groundbreaking research, Andrews

reveals how routinely colleges reject applicants due to personal information searches, robbers use vacation postings to target homes for break-ins, and lawyers scour our social media for information to use against us in court. And the legal system isn't protecting us—in the thousands of privacy violations brought to trial, judges often rule against the victims. Providing expert advice and leading the charge to secure our rights, Andrews proposes a Social Network Constitution to protect us all. Now is the time to join her and take action—the very future of privacy is at stake. Log on to www.loriandrews.com to sign the Constitution for Web Privacy.

Comfort Me With Apples is a terrifying new thriller from bestseller Catherynne M. Valente, for fans of *Gone Girl* and *Spinning Silver* Sophia was made for him. Her perfect husband. She can feel it in her bones. He is perfect. Their home together in Arcadia Gardens is perfect. Everything is perfect. It's just that he's away so much. So often. He works so hard. She misses him. And he misses her. He says he does, so it must be true. He is the perfect husband and everything is perfect. But sometimes Sophia wonders about things. Strange things. Dark things. The look on her husband's face when he comes back from a long business trip. The questions he will not answer. The locked basement she is never allowed to enter. And whenever she asks the neighbors, they can't quite meet her gaze.... But everything is perfect. Isn't it? At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Fame. Fortune. Screaming girls. The adoration of strangers. I've had it all before, yet nothing could have prepared this Horny Little Devil for his new life in the City of Angels. Sacked as the coach of the Andorra rugby team and on the run from the sister I never knew I had, I decided to head west, vowing to win back my wife and daughter from a risk assessor predicting economic doom for the world. Imagine my shock when I discovered that my old dear, on a nationwide book tour, was already busy charming America out of its collective elasticated pants. With Trevion, a 1991 Gulf War-veteran-turned-celebrity-Svengali, on my side, not to mention my brand new bromance with a gym instructor called Harvey, I was determined to become more famous than even her. But one nose job and one abdominal resculpt later, I no longer knew where reality ended and reality TV began ...

'A brilliant, breathless thriller that kept me guessing to the last shocking page'--Erin Kelly, Sunday Times bestselling author of *He Said/She Said* A vicious assault. A devastating accusation. Who should she trust, her husband or her best friend? It was supposed to be the perfect reunion: six university friends together again after twenty years. Host Ali finally has the life she always wanted, a career she can be proud of and a wonderful family with her college boyfriend, now husband. But that night her best friend makes an accusation so shocking that nothing will ever be the same again. When Karen staggers in from the garden, bleeding and traumatised, she claims that she has been assaulted--by Ali's husband, Mike. Ali must make a split-second decision: who should she believe? Her horrified husband, or her best friend? With Mike offering a very different version of events, Ali knows one of them is lying--but which? And why? When the ensuing chaos forces her to re-examine the golden era the group shared at university, Ali realises there are darker memories too. Memories that have lain dormant for decades. Memories someone would kill to protect.

Laurie Stratton finally has everything a sixteen-year-old could ever want. But just as her perfect summer comes to a close, things start to unravel when her boyfriend insists he saw her out with another guy--when Laurie was really home sick! More mysterious sightings convince Laurie someone very real is out there, watching her. . . . The truth reveals a long-lost sister who has spent the years growing bitter and dangerous. She has learned how to haunt Laurie, but the visits soon become perilous. She wants something from Laurie--her life!

'The very definition of a page-turner, it's suburban noir at its finest' HARRIET TYCE Do you have any idea what the people you know are capable of? Bestselling author of *All My Lies Are True*, Dorothy Koomson, asks how well you can really know your neighbours. Fans of Lisa Jewell and Louise Candlish will rip through the pages of this addictive new thriller. What if all your neighbours' secrets landed in a diary on your doorstep? What if the woman who gave it to you was murdered by one of the people in the diary? What if the police asked if you knew anything? Would you hand over the book of secrets? Or ... would you try to find out what everyone had done? *I Know What You've Done* is the unputdownable thriller from the Queen of the Big Reveal. Readers love Dorothy Koomson: 'Koomson just gets better and better' Woman & Home 'An instantly involving psychological thriller' Daily Telegraph 'This is devastatingly good' Heat 'The suspense was on another level' Black Girls Book Club 'Written with verve and insight' Stylist 'We just couldn't put it down' Closer 'The author plays a blinder' Sun 'The novel simmers with tension' Daily Express 'You'll be gripped by this tense, twisty thriller' Fabulous

A New York Times bestseller! "Lively and absorbing. . ." —The New York Times Book Review "Engrossing." —Wall Street Journal

"Entertaining and well-researched . . ." —Houston Chronicle Three noted Texan writers combine forces to tell the real story of the Alamo, dispelling the myths, exploring why they had their day for so long, and explaining why the ugly fight about its meaning is now coming to a head. Every nation needs its creation myth, and since Texas was a nation before it was a state, it's no surprise that its myths bite deep. There's no piece of history more important to Texans than the Battle of the Alamo, when Davy Crockett and a band of rebels went down in a blaze of glory fighting for independence from Mexico, losing the battle but setting Texas up to win the war. However, that version of events, as *Forget the Alamo* definitively shows, owes more to fantasy than reality. Just as the site of the Alamo was left in ruins for decades, its story was forgotten and twisted over time, with the contributions of Tejanos--Texans of Mexican origin, who fought alongside the Anglo rebels--scrubbed from the record, and the origin of the conflict over Mexico's push to abolish slavery papered over. *Forget the Alamo* provocatively explains the true story of the battle against the backdrop of Texas's struggle for independence, then shows how the sausage of myth got made in the Jim Crow South of the late nineteenth and early twentieth century. As uncomfortable as it may be to hear for some, celebrating the Alamo has long had an echo of celebrating whiteness. In the past forty-some years, waves of revisionists have come at this topic, and at times have made real progress toward a more nuanced and inclusive story that doesn't alienate anyone. But we are not living in one of those times; the fight over the Alamo's meaning has become more pitched than ever in the past few years, even violent, as Texas's future begins to look more and more different from its past. It's the perfect time for a wise and generous-spirited book that shines the bright light of the truth into a place that's gotten awfully dark.

Four teenagers try to conceal their responsibility for a hit-and-run accident while being pursued by a mystery figure seeking revenge. April Corrigan's life is turned upside-down when she when she learns that her father has been working secretly undercover for the FBI. When his testimony convicts a notorious drug dealer, the whole family must relocate and enter the Federal Witness Security Program. April's entire way of life changes--not just her name. And when she attempts to communicate with her boyfriend, an agent is killed. With thrills, chills, and a high-speed cross-country chase, master suspense writer Lois Duncan will leave readers breathless!

The universal experience for most high school students is learning to drive and getting their driver's license. Add breathlessly plotted romance and an accident and you have a poignant and realistic novel. Remy Martin prays to the God of Driver's Education that she will get to drive today. She doesn't know where she's going, but she knows one thing . . . she is going to get there fast. Morgan Campbell had been standing on the threshold of 16 and getting his driver's license ever since he could remember. But deep into the first crush of his life, thinking of nothing but girls, Morgan forgot what driving was all about. This poignant novel about responsibility and consequences is as convincing as it is irresistible.

From the creator of the popular website Ask a Manager and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called "the Dear Abby of the work world." Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit "reply all" • you're being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate's loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for Ask a Manager "A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work."—Booklist (starred review) "The author's friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers' lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience."—Library Journal (starred review) "I am a huge fan of Alison Green's Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor."—Robert Sutton, Stanford professor and author of *The No Asshole Rule* and *The Asshole Survival Guide* "Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way."—Erin Lowry, author of *Broke Millennial: Stop Scraping By and Get Your Financial Life Together*

You can run but I will find you. Working as a successful PI in Los Angeles, Heather Nelson hasn't seen any of her high school classmates from Iowa in over a decade. When she makes a last minute decision to attend her class reunion, she and her once tight-knit group of friends are surprised at dinner by a delivery of an elaborate forget-me-not floral arrangement. But the accompanying card contains an ominous message: you deserve to die—a message they brush off as an elaborate prank at first. When several of the group come close to death in the following weeks, they begin to suspect that the sender of the message has deadly intentions. One-by-one the friends contact Heather to divulge secrets from their past, convinced that the skeletons they are hiding put them at risk. Fearing for their lives, they beg Heather to return to Iowa and track down the person they believe is trying to kill them. But her friends only think they know her. Heather is hiding an explosive secret of her own. Is she really an intended victim in a deadly game of revenge, or a twisted killer?—An unputdownable, brilliant psychological thriller with a mind-blowing murder plot! -

Two favorite thrillers from #1 New York Times bestselling author Christopher Pike are now available in one bone-chilling collection. When Alison first got the chain letter signed "Your Caretaker," she thought it was a sick joke. But then it became clear that someone, somewhere knows about that awful night when she and six friends committed an unthinkable crime. And now that person is determined to make them pay. One by the one, the chain letter comes to each of them, demanding dangerous, impossible deeds. No one wants to believe that this nightmare is really happening, but then the accidents start. And the deaths. Finding the truth behind the stalker's identity seems to be the only option, but even that might not be enough. The Caretaker has a prodigy who is even more frightening than the first, and this time he wants more than retribution. He's out for blood.

The price of betrayal is more than 30 pieces of silver in this fresh, daring, and gory mash-up of the biblical tale of Judas Iscariot Two days after Jesus Christ's crucifixion, Judas Iscariot receives an anonymous note stating, "I know what you did." Wrapped with it is an eye, complete with trailing optic nerve, and a splintered tooth—trophies ripped from two recently butchered friends. Someone, it seems, knows what Judas did on that fateful night following the Last Supper, and that someone is intent on exacting a bloody and gruesome revenge. As more acquaintances and family members die in increasingly brutal ways, Judas finds himself in a desperate race against time to make amends for his act of treachery, and to uncover the identity of the mysterious hooded killer. This relentlessly paced, gripping thriller explores one of the darkest bargains in human history. Readers may just find themselves engaged in the unthinkable—rooting for the man who betrayed Christ.

This harrowing, and ultimately hopeful novel in verse sensitively depicts a girl's journey through the aftermath of abuse. One day after school, on the couch in the basement, Tori's uncle did something bad. Afterward, Tori tells her mom. Even though telling was a brave thing to do, her mom still doesn't believe her at first. Her grandma still takes his side. And Tori doesn't want anyone else—even her best friend—to know what happened. ? Now Tori finds herself battling mixed emotions—anger, shame, and sadness—as she deals with the trauma. But with the help of her mom, her little sister, her best friend, and others, can Tori find a way to have the last word? From debut author Sonja K. Solter comes a heartbreaking yet powerful novel that will strike a chord with readers of Jacqueline Woodson and Tony Abbott.

From the New York Times and international bestselling author of *Sometimes I Lie* comes a brand new, highly anticipated, dark and twisted thriller: *I Know Who You Are*. Meet Aimee Sinclair: the actress everyone thinks they know but can't remember where from. Except one person. Someone knows Aimee very well. They know who she is and they know what she did. When Aimee comes home and discovers her husband is missing, she doesn't seem to know what to do or how to act. The police think she's hiding something and they're right, she is—but perhaps not what they thought. Aimee has a secret she's never shared, and yet, she suspects that someone knows. As she struggles to keep her career and sanity intact, her past comes back to haunt her in ways more dangerous than she could have ever imagined. In *I Know Who You Are*, Alice Feeney proves that she is a master of brilliantly complicated plots and killer twists that will keep you guessing until the final page.

Presents the screenplay for the sequel to the popular horror film "I know what you did last summer," in which Julie, the survivor of the previous film, and her new friends face the return of an old danger while on vacation in the Caribbean. "A biography of American author Lois Duncan"--Provided by publisher.

The hidden brain is the voice in our ear when we make the most important decisions in our lives—but we're never aware of it. The hidden brain decides whom we fall in love with and whom we hate. It tells us to vote for the white candidate and convict the dark-skinned defendant, to hire the thin woman but pay her less than the man doing the same job. It can direct us to safety when disaster strikes and move us to extraordinary acts of altruism. But it can also be manipulated to turn an ordinary person into a suicide terrorist or a group of bystanders into a mob. In a series of compulsively readable

narratives, Shankar Vedantam journeys through the latest discoveries in neuroscience, psychology, and behavioral science to uncover the darkest corner of our minds and its decisive impact on the choices we make as individuals and as a society. Filled with fascinating characters, dramatic storytelling, and cutting-edge science, this is an engrossing exploration of the secrets our brains keep from us—and how they are revealed.
