

Kids Trip Diary Kids Write About Your Own Adventures And Experiences Kids Travel

Chained up in the hold of a French warship, Lusignan's only hope of escape rests with his captor - Captain Paul. A man with a mysterious past, Captain Paul is transporting Lusignan to exile in the West Indies. Little does he know that his mission is a sham. His prisoner is an innocent man, framed because he fell in love with a Count's daughter. Once the truth is revealed, Paul and Lusignan return to France, determined to seek justice. Inspired by the real life of American Revolutionary War hero John Paul Jones, "Captain Paul" is a rollicking melodrama, packed with action and romance. A fine precursor to Dumas' later classics, it's especially recommended for fans of naval adventures, like C.S. Forester's "Hornblower" series. Alexandre Dumas (1802 - 1870) was a hugely popular 19th Century French writer. Born of mixed French and Haitian heritage, Dumas first rose to prominence in Paris as a playwright, but later gained international fame with his historical fiction. Often co-authored with other writers, these stories wove together swashbuckling adventure, romance, and real events from France's past. Among the best known are "The Three Musketeers", and its sequels "Twenty Years After", and "Le Vicomte de Bragelonne: Ten Years Later". Set across four decades, this trilogy follows the rise of the dashing D'Artagnan—from hot-headed soldier to trusted captain under Louis XIV. Dumas' other novels include "The Count of Monte Cristo" and "The Black Tulip". His works have been adapted into more than 200 movies, including The Man in the Iron Mask starring Leonardo DiCaprio.

****Winner of the Moonbeam Children's Book Award Gold Medal for Activity Book — Education, Science, History**** This family-friendly Philippines children's book is packed with fun facts about Filipino culture, history, and daily life! All About the Philippines takes you on an incredible journey across the colorful island nation of the Philippines with Mary, Jaime, and Ari—three Filipino cousins who look entirely different and yet are the best of friends. You'll visit their homes, their schools, their families, their favorite places, and much more. They'll show you how kids in different parts of the Philippines come from many different ethnic groups and have very various cultures—each with separate traditions, languages, and beliefs—and yet, they are all 100% Filipino! This children's book, aimed at kids ages 8 to 12, brings them on an exciting trip through some of the most fascinating islands on earth. Join Mary, Jaime and Ari to see the how earthquakes, typhoons and other natural events can be scary and yet also make the islands beautiful and full of life. Check out Filipino games, and make a sipa—the Philippines's version of a hacky-sack. Experience the festivals and foods of different cultures found in the Philippines, and try a few easy recipes. Make a parol—a Filipino holiday decoration that you can enjoy all year long. Learn about the conquistadors and traders who came to these islands many centuries ago. Learn how peoples who speak very different languages can communicate when they meet. And a lot more! Along with fun facts, you'll learn about the spirit of the Philippines that makes this country and its people unique. This is a book for families or classrooms to enjoy together.

"The fulfilled renown of Moby-Dick and of As I Lay Dying is augmented by Blood Meridian, since Cormac McCarthy is the worthy disciple both of Melville and Faulkner," writes esteemed literary scholar Harold Bloom in his Introduction to the Modern Library edition. "I venture that no other living American novelist, not even Pynchon, has given us a book as strong and memorable." Cormac McCarthy's masterwork, Blood Meridian, chronicles the brutal world of the Texas-Mexico borderlands in the mid-nineteenth century. Its wounded hero, the teenage Kid, must confront the extraordinary violence of the Glanton gang, a murderous cadre on an official mission to scalp Indians and sell those scalps. Loosely based on fact, the novel represents a genius vision of the historical West, one so fiercely realized that since its initial publication in 1985 the canon of American literature has welcomed Blood Meridian to its shelf. "A classic American novel of regeneration through violence," declares Michael Herr. "McCarthy can only be compared to our greatest writers."

Kids Journal To Write In: Draw and Write Journals are great for getting youngsters to develop stories and create a keepsake book that can be used for years and years. The journal is beautifully designed for children with prompts on each page to write down everything they did for the day. Measuring 8.5" x 11" paperback, every page has a space which encourages children to use their imagination by drawing a picture of what they did for the day. There's a lined writing section that prompts them to write extended stories with the who, what, when, where and why concept on each page to encourage them to really think about what they are writing. Click inside to take a look at the layout. This kids journal to write in is the only journal that forces children to think about what they are writing and develop their English language skills. This is the perfect gift for smart kids (age 4-10) who love to draw and write. Order your copy of the Kids Journal To Write In today.

A 2019 NEWBERY HONOR BOOK "A gripping, nuanced story of the human cost of conflict appropriate for both children and adults." -Kirkus, starred review In the vein of Inside Out and Back Again and The War That Saved My Life comes a poignant, personal, and hopeful tale of India's partition, and of one girl's journey to find a new home in a divided country It's 1947, and India, newly independent of British rule, has been separated into two countries: Pakistan and India. The divide has created much tension between Hindus and Muslims, and hundreds of thousands are killed crossing borders. Half-Muslim, half-Hindu twelve-year-old Nisha doesn't know where she belongs, or what her country is anymore. When Papa decides it's too dangerous to stay in what is now Pakistan, Nisha and her family become refugees and embark first by train but later on foot to reach her new home. The journey is long, difficult, and dangerous, and after losing her mother as a baby, Nisha can't imagine losing her homeland, too. But even if her country has been ripped apart, Nisha still believes in the possibility of putting herself back together. Told through Nisha's letters to her mother, The Night Diary is a heartfelt story of one girl's search for home, for her own identity...and for a hopeful future.
