

Land Of The Seven Rivers A Brief History Indias Geography Sanjeev Sanyal

This book will help you answer questions like: What is the impact of our company or organization? What common ground do we share with our customers? Is our company more concerned about enhancing its own value rather than enhancing the value of the people we serve? How can we actually show people what we can do for them, rather than just rely on our advertising and marketing to tell them? What is standing in the way of people responding to us? How is using our product or service better than using a competitor's? What things do we need to be doing right now so we can keep providing the same quality in the future? A great read with discussion questions at the end of each chapter. You can use it for yourself, a team building exercise, or an executive retreat. The book is a great discussion starter for any business!

India's recent economic performance has attracted world attention but the country is re-awakening not just as an economy but as a civilization. After a thousand years of the decline, it now has a genuine opportunity to re-establish itself as a major global power. In "The Indian Renaissance", the author, Sanjeev Sanyal, looks at the processes that led to ten centuries of fossilization and then at the powerful economic and social forces that are now working together to transform India beyond recognition. These range from demographic shifts to rising literacy levels, but the most important revolution has been the opening of mind and the changed attitude towards innovation and risk. This book is about how India found itself at this historic juncture, the obstacles that it still needs to negotiate and the future that it may enjoy. The author tells the story from the perspective of the new generation of Indians who have emerged from this great period of change. Published and distributed worldwide by World Scientific Publishing Co. except India, UK and North America

*Includes pictures *Includes excerpts of the Popol Vuh *Includes online resources and a bibliography for further reading Many ancient civilizations have influenced and inspired people in the 21st century. The Greeks and Romans continue to fascinate the West today. But of all the world's civilizations, none have intrigued people more than the Mayans, whose culture, astronomy, language, and mysterious disappearance all continue to captivate people. In 2012 especially, there was a renewed focus on the Mayans, whose advanced calendar led many to speculate the world would end on the same date the Mayan calendar ends. The focus on the "doomsday" scenario, however, overshadowed the Mayans' true contribution to astronomy, language, sports, and art. Unlike most of the world's sacred books - the Quran, the Bible or the I-Ching for example - nobody knows the universal name, if there ever was one, for the Maya's collection of myths. Instead, the title that has been passed down, the "Popol Vuh," appears to be the specific title given to a particular copy of these tales. Its meaning, roughly translated as the Council Book, refers to the special role of this text: it was the shared property of the council of lords that ruled the Quich kingdom and was apparently regularly consulted by that body for advice to guide their rule. However, in the opening sections, the scribes who penned the text also give it several other names, including "the Light That Came from Beside the Sea," "Our Place in the Shadows" and "The Dawn of Life" (pg 63). All of these names were originally in K'ichean Maya, the language spoken by the Maya of the Quich Kingdom and its neighboring regions. The first of these names refers to a pilgrimage by the second generation of Quich lords in Part V to the Yucatan coast to acquire a copy of at least a portion of the original text. The second refers to Part IV, the period before the first Dawn (the "Shadows") when the ancestral Quich earned their particular right to rule. The final name refers to Part I, when the first gods created all of the various parts of life. This multiplicity of names and titles for sacred works is not uncommon, and perhaps comparable to the Bible being referred to as "the Good Book" or (in reference to the New Testament) "the Good News" or the "Gospel." The name Popol Vuh is itself controversial as the original text actually spells the name three different ways: "Popol Vuh", of course, but also "Pop Wuj" and "Popol Wuj." In general, the most correct form in contemporary Quiche spelling is probably "Popol Wuj", but as the text is best known in English with the word "Vuh", this convention will be maintained here (Eenriik 2014). There are a number of translations and editions of the Popol Vuh, which vary considerably in quality. Many early editions were not informed by the latest scholarship in Maya linguistics and sometimes the ways they translate names in particular can vary. This text will use the Second Edition (1996), translated by Dennis Tedlock and published by Simon and Schuster, for all of its quotations and page citations. The Popol Vuh: The History and Legacy of the Maya's Creation Myth and Epic Legends examines what's contained within and how the Popol Vuh survived to the present day. Along with pictures depicting important people, places, and events, you will learn about the Popol Vuh like never before.

The Pink Pelican is the story of a young man's obsessive journey to Crete trying to win back a lost love and falling into himself. This book also contains a collection of stories and poetry about death, dreams and clowns.

"Gods, Sages and Kings presents a remarkable accumulation of evidence pointing to the existence of a common spiritual culture in the ancient world from which present civilization may be more of a decline than an advance. The book is based upon new interpretation of the ancient Vedic teachings of India, and brings out many new insights from this unique source often neglected and misinterpreted in the West. In addition, it discusses recent archaeological discoveries in India whose implications are now only beginning to emerge."--Publisher.

Alex Fitzpatrick, transplanted Jersey girl, has recently moved to Sherman, Nebraska and opened her own pub. Sherman is on the map, but sometimes Alex feels she's living in a time warp. The little boys have crew cuts and the residents smile and say hello to strangers. No one locks their doors. Then, on a cold October night, Book Ends, a wonderful Main Street bookstore, burns down with the owner, Alex's friend Barb, inside. As Alex grieves, her initial unease about the fire deepens into a conviction that it was arson. She digs into Barb's past and finds enemies there: an abusive ex-husband-a farmer embittered by their divorce-and closer to home, God's Warriors, a secretive local men's group: think Promise Keepers meets Ku Klux Klan. Becoming a detective was not Alex's game plan and sometimes she feels like a Miss Marple impersonator. But Alex is determined to discover who set the fire. Humor helps her keep things in perspective. She's also helped by her wisecracking friend Kathy (her instructor in Nebraska 101) and Chris, a beautiful photographer to whom she is secretly, unwillingly attracted. But someone wants them to stop, and pranks escalate into threats. To discover the arsonist, Alex must decode the often mystifying culture of Sherman, Nebraska, whose sunny surface conceals more darkness than she'd bargained for. Ultimately, her investigation will force her to confront this question: does a Jersey tomato belong in Nebraska dirt? This is the first book in the Alex Fitzpatrick mystery series.

This action packed reader-gripping book is a grueling harsh journey of Zimbabweans who cross borders into South Africa illegally, in search of greener pastures. Their worst nightmare is not only the crocodile infested river Limpopo that they cross, but also what they locally call Amagumaguma, a notorious gang of thieves and contract slayers who prey on the little possessions they migrate with, rape or sodomize them and ruthlessly butcher the vulnerable in order to sell their body parts to local witchdoctors and those afar. These grisly murderers have laid into graves many lives! The ill-fated border jumpers also have to contend with vicious, ravenous predators like lions, leopards and hyenas and other such carnivores in search of easy prey. Brutal soldiers vigilantly guarding these borders for trespassers also add to their woes. Of course, these law-breaking border-jumpers have those who help them out. For a fee of a thousand five hundred rands or two hundred American dollars, the Malayisha (cross-border taxi drivers) transport them from various parts of Zimbabwe to the Beit-Bridge border post, where they are handed over to the Impisi (escorts) at secluded rendezvous outside the border posts. These Impisi are paid by the Malayisha to escort their passengers without passports, across river Limpopo right up to near Musina in South Africa where they pick them up again and take them to Johannesburg. The border jumpers

however risk all these predators that hunt down anything that moves throughout the night. In the novel, we meet Themba Khumalo who had always wanted to go to the lucrative South Africa but did not have Malayisha's fees until when his father died, he inherited two of his father's donkeys and gave them to a local Malayisha as payment in kind, for the fees to take him to Johannesburg. What he did not know was that where he was going, the familiar became mysterious and the unfamiliar, gruesome and bizarre indeed! It was a place of delusion and paradox with a very thin line between life and death, as too many predatory eyes were fixed on the prey!

This children's book is published by Floricanto Press. *Animals of My Land* is the first children's trilingual book published in Nahuatl, Spanish and English in the United States and is designed to nourish the important bond between language, nature and culture. This book has been created with the intention of reconnecting with the ancient Aztec civilization and their language, while also cultivating both English and Spanish. With this book, children will be able to interact with Quetzali's friends in three languages and learn to treasure animals as our friends.

Translated from the German by James Schoonover.

Life in lower class as offspring of a notorious thief was simple for the Quartar daughters until accidental mishaps with the other classes of society turn their dirt poor lives around for worse and better. Eight young women are taken from the slums into the high class world they never understood only at first to find betrayal, suffering, scandal, revenge and corruption. Then, before they know it they are wrapped in the grandest scandal their country of Galli has ever seen. The kingdom of Cretaine is trying to overthrow the corrupted kingdom of Galli. The Quartar family must betray their world in order to save Galli from a brutal civil war.

Envious of her best friends lavish lifestyle, a young woman wonders how different her life would be if she had an opportunity to change her past.

*Includes pictures. *Includes the brothers' funniest quotes. *Includes a bibliography for further reading. "The world would not be in such a snarl, had Marx been Groucho instead of Karl." – Irving Berlin "I sent the club a wire stating, 'PLEASE ACCEPT MY RESIGNATION. I DON'T WANT TO BELONG TO ANY CLUB THAT WILL ACCEPT PEOPLE LIKE ME AS A MEMBER.'" – Groucho Marx A lot of ink has been spilled covering the lives of history's most influential figures, but how much of the forest is lost for the trees? In Charles River Editors' American Legends series, readers can get caught up to speed on the lives of America's most important men and women in the time it takes to finish a commute, while learning interesting facts long forgotten or never known. When the American Film Institute ranked its top 50 screen legends of the 20th century, only one team of performers earned a collective spot: the Marx Brothers. Famous throughout the country for nearly half a century, several of the Marx Brothers performed together for over 40 years, and their nicknames – Groucho, Harpo, Chico, Gummo and Zeppo – are all well known today, especially Groucho. From the vaudeville stage to movie theaters, millions saw their performances, and the brothers became not only one of the most popular acts but the kind that paved the way for subsequent groups like The Three Stooges. As beloved and culturally significant as the Marx Brothers are, it is also important to acknowledge that the character they portrayed in their films were clearly personas, so one of the challenges of any close analysis of their lives involves digging past their performances and attempting to figure out what they were truly like as people. How much did the Groucho Marx audiences see onscreen correspond with his offscreen personality, and where are the nuances and discrepancies that exist between the brothers' private and public selves? If anything, it's important to determine how their personas were actually shaped, a process that did not actually crystallize until Groucho was well into his adulthood. At the same time, the dynamic between the siblings, as well as the impact that their parents had on them, all necessarily influenced their careers. Analyzing these influences on their lives helps explain how the formation of the Marx Brothers was the result of a lengthy process, and just why no one could have justifiably predicted that they would achieve such fame and cultural status. *American Legends: The Marx Brothers* examines the lives and careers of one of America's most iconic performance teams. Along with pictures of important people, places, and events, you will learn about the Marx Brothers like never before, in no time at all.

As the image that Simeon tattooed on his leg endowed him with some supernatural powers and took over his life, it also put him at odds with the law. With his powers, he exerted severe revenge against anyone that dared offend him. He gained notoriety for what many in the town regarded as evil and unacceptable behavior. When the police and many in his town no longer found his mere existence deserving, plots to permanently remove him was initiated. But his mother saw his peculiarity as a condition for which a medical intervention would be necessary. She consulted with a medical doctor only to find out that her son's condition could not be mitigated by modern medical practice, that what he was faced with was not of the temporal nature. Therefore, she needed to explore other avenues if she wanted his life preserved. Her referral to seek an unconventional solution from unconventional source led her to uncover that his problems had their origin beyond their land, that she would have to seek answers in a faraway land shared by the dead and the living. This journey would be anything but easy, crossing seven towns and seven rivers of tribulations.

Someone is sending a message to Congressman Grant Copeland and bodies are turning up with striking similarities. A single shot to the head. A single word written on a piece of fabric left in the victims' mouths. The BAU team at FBI's Washington Field Office is asked to consult. Special Agent Kate Reid and Agent Vasquez work under SSA Jameson now that Nick Scarborough has been transferred to Quantico. With Kate in the process of applying for a transfer to join him, this investigation is crucial as she is assessed by her potential new supervisor, SSA Noah Quinn. The case, however, is thrown into disarray when Detective Anthony Phelps, an unwitting participant in this joint investigation, attempts to shut out Kate and her team. Determined to get to the bottom of Phelps' motivation, Kate begins to lose focus on the victims and instead shifts her resources to discovering what the detective is hiding and why he seems hell-bent on protecting the congressman. With leads running dry, Agent Jameson issues Kate an ultimatum. Back off the detective and return her attention to finding the killer, or risk denial for the highly-coveted position at Quantico. Will Kate listen to her head or her heart? Robin Mahle continues the action-packed and thrilling Kate Reid series with this latest installment. Book 7 promises to bring greater challenges for our heroine and a choice that could alter her future once again.

Molinar's Diamond is an adventure that starts in the desert city of EL Paso, Texas. Suddenly it thrusts readers into a tumultuous journey of wild and untamed Africa. Back in scorching Texas the roller coaster ride of life continues.

*Discusses some of the legends and controversies surrounding Bowie's life, including the origins of the Bowie knife and Bowie's fate at the Alamo. *Includes pictures of Bowie and other important people and places in his life. *Includes a Bibliography for further reading. "I'll wage they found no bullets in his back." - Jim Bowie's mother after hearing of his death at the Alamo. A lot of ink has been spilled covering the lives of history's most influential figures, but how much of the forest is lost for the trees? In Charles River Editors' American Legends series, readers can get caught up to speed on the lives of America's most important men and women in the time it takes to finish a commute, while learning interesting facts long forgotten or never known. Jim Bowie is one of 19th century America's most famous names, even if what's known about the man is more legend than fact. Like Daniel Boone and Davy Crockett, Bowie has come to represent the pioneering spirit of the frontier, along with the masculinity, machismo and swagger that earned him a reputation for fighting. And like any good legend, he is perhaps best remembered for his death at the Alamo than for any aspect of his life. Bowie's death and the defenders' defeat at the Alamo did not have a decisive impact on Texas' War for Independence, but it became a poignant rallying cry in the immediate aftermath of the battle, and to this day Americans associate it with patriotism, bravery and determination. "Remember the Alamo" is still a widely used part of the English lexicon today, and the Alamo is a cherished piece of Americana. Much of Bowie's participation in the Alamo is still controversial, and fittingly he was known across America before that for another controversy. In what became known as the notorious Sandbar Fight of 1827, a duel between two men turned into a large fight that included Bowie, who was shot and stabbed during the melee but still managed to stab to death the sheriff of Rapides Parish in Louisiana with a large knife that has since become universally known as the Bowie knife. Between that fight and his death, Bowie became one of the Western frontier's most celebrated folk heroes. American Legends: The Life of Jim Bowie chronicles the life, myths and legends of the frontier folk hero, examining the known and unknown in an attempt to separate fact from fiction. Along with pictures of important people and places, you will learn about Bowie like you never have before, in no time at all.

Land of seven riversHistory of India's GeographyPenguin UK

The Wisconsin River, Paul Seifert, Bogus Bluff, Richland City, and the ancient cultures that once thrived there, all have something in common: mystery. For 10,000 years humans have occupied the delta at the confluence of the Wisconsin and the Pine Rivers; inhabitants of distinctly different eras have left behind clues to their existence. The most recent-the Native American Indians-have given us a bounty of lore and legend. A mysterious letter in the hands of German emigrant Paul Seifert in the Nineteenth Century helps set the scene for another one of the river valley's most puzzling secrets. It has been the foundation of a 35-year-long search for a cave believed to be an Indian burial site containing vast treasures of ancient times. Treasure hunter/Researcher Ron Nagel has teamed with authors Dan Bomkamp and J.L. Fredrick to tell the story as it has developed through the ages. Together they unravel some of the mystery surrounding this enchanted valley.

Hoverdia Eighteen is first of its kind and a brand new Two-In-One logic-number puzzle. The main puzzle is best represented by 8 long horizontal blocks and 8 long vertical blocks, with each long horizontal block and each long vertical block consists of 8 small boxes, which give the total of 64 boxes. Each long horizontal or long vertical block which consists of 8 boxes must contain one of the numbers from 1 to 8 inclusively without repeating any thereof - This is Rule One. The main puzzle with 64 boxes is also alternatively represented by 4 sub-puzzles which are called Quadrants and each quadrant is made up of 4x4 short blocks. For Rule Two in any of the 4 quadrants, after having complied with Rule One, each block, consists of 4 boxes, must be added up to the sum of 18 horizontally, vertically and diagonally.

Joe Meek was one of the West's irresistible characters. He was dashing, devil-may-care, cheeky, irreverent, and more fun than a playful grizzly cub. Initially, he covers his early life adventuring in the Rocky Mountains, California, and the Southwest. His firsthand account of fur-traders is priceless, as are his descriptions of the country, mountains, and the life of a mountain man. Then, Joe Meek's life as pioneer, sheriff, U.S. Marshall, and legislator is told in his own engaging voice. The turbulent years in the Northwest include the story of trappers, traders, missionaries, women, pioneers, and Native Americans that finally came together and created a state--Oregon.

Could you be related to a blonde Lithuanian? Did you know that India is the only country that has both lions and tigers? Who found out how tall Mt Everest is? If you've ever wanted to know the answers to questions like these, this is the book for you. In here you will find various things you never expected, such as the fact that we still greet each other like the Harappans did and that people used to think India was full of one-eyed giants. And, sneakily, you'll also know more about India's history and geography by the end of it. Full of quirky pictures and crazy trivia, this book takes you on a fantastic journey through the incredible history of India's geography.

Gizmo Goes to a Baseball Game is the first in a series of Gizmo Goes Adventures. Gizmo is excited to go to his first baseball game. He is even more excited to meet the team's mascot, Chico, a little dog too. Gizmo gets sidetracked and the day does not go as planned.

These unique voices combine in a harmony of Mexican and American, of magical and ordinary, of tragedy and triumph. From established writers to emerging talents, the contributors to this volume represent the depth and beauty of a community that is just beginning to make itself heard. The collection features the short story "The Time About the Dog" by Álvaro Rodríguez, co-screenwriter of the recent film Machete. Other contributors: Angélica Maldonado, Yaresy Salinas, María Ramírez, Daniel Tyx, Mónica G. Hernández, Félix Omar Vela, Evangelina Ayon, Lois Marie Garza, Charlene Bowles, Robert Brown, Cindy Jáimez, Virgilio B. Valencia, Alfredo Ortiz, Javier David González, Matthew Madrigal, Olga Lidia Cervantes, Richard D. Givens, Verónica Sandoval, Edwin de Kock, Gwenda J. González, Jonathan Corey Mangan, Kristin Michelle Keith, María Piedra, Ludivina V. Vásquez, María de la Luz Quiroga, Clarrissia Nerio, Nina Medrano, Rosalia Arriaga, Anna Lilia Castillo, Gloria M. Alvarado, and Edwin Sandoval.

Twenty-two hundred years ago, on the edge of the great Asian steppes, an adventure begins...The land of Alania desperately needs a new high lord, but gets more than it bargained for when twins are born to its widowed high lady. One is Taminah, and her birthmark and encounters with the legendary Simurgh presage great things, but the nobles and elders expect her brother to lead them. When they realize Taminah is the dominant twin, they send her to a remote holding to be trained as a lady and kept out of her brother's way until she's old enough to wed. But Alania's rulers have underestimated Taminah's

determination to forge her own path ... and none could foresee how a summer among the nomads and Amazons of the steppes will trigger the events that push her towards her destiny.

This book is a large print edition. Font used Calibri Size 14. Trim size 8.5" X 11" The story of Krishna enchants and attracts everyone! All the playful pastimes of Lord Krishna are narrated in a style that attracts young adults. There are many questions which arise in the mind of young adults regarding certain pastimes of the Lord like the Rasa Leela; in this book, the esoteric meaning of these pastimes have been examined.

Arguing that India, not Sumer, was the cradle of civilization, looks at India's ancient history by examining the symbols and myths contained in the Rig-Veda and exploring the mathematical and astronomical data contained in the Vedic hymns.

When the cellcom network shuts down on May 7, 2060, an economic catastrophe of unprecedented scale engulfs the globe. Amid the chaos, the world's largest corporation sponsors the founding of a new society, seemingly as an experiment in social engineering. For thirty-six years, as civilization crumbles around it, this tiny remnant of the human race lives in perfect peace and harmony in the Land of Light. The society's leader, Farukh al-Qasim, fears peace cannot last without a fight. A world-renowned archaeologist before the collapse, Qasim has discovered a cache of ancient manuscripts that tell of this very future-and its dark end at the hands of the Nephilim. But there is hope. These same sources point also to a child, a savior, who will possess a great power lost long ago. If he is found, perhaps the Land of Light, perhaps humanity itself, might endure.

Michael Dante played the title role in Winterhawk (1975), a Western about a legendary Blackfoot Chief's character and his principles. In this novella sequel, he pens an ageless saga about ruthless railroad executives trying to assassinate him in order to build their railroad directly through his territory, taking the Blackfoot land without provocation. Winterhawk and his tribe remain strong as long as they can, to protect the land of their people, the land they call home, before the invasion of progress imposes itself on America. This inspiring story of a brave man, who stands up to and fight against those who have their own agenda for his land, evokes the nostalgic atmosphere of Western series that Dante frequently appeared in during American television's Golden Era, such as Death Valley Days, The Big Valley, Daniel Boone, Custer, The Texan, Bonanza, Maverick, and Cheyenne.

Meet Charlie - a collie like no other. Rescued from the loneliness of a kennel by young Marna Witherspoon, Charlies is full of questions about life and looking for answers. In Charlie's Very Own Story, author Elizabeth Vaughan invites readers to join him in his search. Along the way, you'll find high adventure, extraordinary insights, and so much more. In a novel reminiscent of Richard Adam's Watership Down, Ms. Vaughan offers us a remarkable story sure to charm and delight readers of all ages.

The age of Nore. A time of hardship, war, enchantment, and evil. These events lead of to the story of Tecoco's Earth, where the inhabitants within the world of Tecoco are embroiled in a tide of suffering and terrible predicament. A brother swears vengeance on the suffering of a populace. A wicked king seeks the world for his own. A chief makes a decision that will decide the fate of his people. This is the age of Nore.

DID THE GREAT FLOOD OF INDIAN LEGEND ACTUALLY HAPPEN? WHY DID THE BUDDHA WALK TO SARNATH TO GIVE HIS FIRST SERMON? HOW DID THE EUROPEANS MAP INDIA? The history of any country begins with its geography. With sparkling wit and intelligence, Sanjeev Sanyal sets off to explore India and look at how the country's history was shaped by, among other things, its rivers, mountains and cities. Traversing remote mountain passes, visiting ancient archaeological sites, crossing rivers in shaky boats and immersing himself in old records and manuscripts, he considers questions about Indian history that we rarely ask: Why do Indians call their country Bharat? How did the British build the railways across the subcontinent? Why was the world's highest mountain named after George Everest? Moving from the geological beginnings of the subcontinent to present-day Gurgaon, Land of the Seven Rivers is riveting, wry and full of surprises. It is the most entertaining history of India you will ever read.

"The country road to hell and back is paved with the good intentions and secrets of Southern women." Prodigal son Duddy Doogan has a promise to keep. He is going home, to a place where his eccentric storytelling kin await his first visit since his father went missing. Home to where a powerful river carves an age-old border between Florida and Alabama. Home to a family tree of hidden secrets, lies, memories, and skin colors-but there is nothing black and white about the mysteries buried in its roots. Haunted by the trauma of a terrifying childhood accident and the love of too many Southern women, Duddy must excavate the bones of his family history to put his own broken life back together. When tragedy suddenly strikes, a promise to return home becomes a dangerous quest to reclaim his father's remains from a long-lost psychotic uncle living deep in the Alabama swampland. For Duddy Doogan, a journey into the heart of darkness will lead him to a shattering revelation about his own past, a secret truth hiding in plain sight and powerful enough to alter the course of Perdido River history for generations to come. Note from the Author: I'm excited about my Southern fiction novel, Perdido River Bastard, a multi-generational, romantic mystery about myth and sin, memory and history, secrets and lies, family life and death, magic and illusion, rebirth and redemption, good and evil-the sublime beauty I call the Deep South. Inherent themes of race, prejudice, and bigotry kinda go with the territory, but this novel isn't about inciting revolution or calling for imposed societal atonement for past transgressions. It isn't about blaming others for things they can't possibly help, like the color of skin, the sins of fathers and mothers, or the broken pasts of their children. Simply put, this story is about finding love through forgiveness, a notion worthy of discussion to my mind, as it seems to be the one that people conveniently forget, easily ignore, and readily dismiss for being too quaint, too simple, or too idealistic. Personally, I think we all could use a little idealism in these current racially divisive times. What we're doing right now isn't working well for any of us, so my novel suggests a wholly different tactic to affect change, one espoused by few truly Great Leaders, one being a preacher from Alabama who died for a simple dream that has yet to come true. This novel is close kin to other kinds of Southern fiction I've enjoyed reading

over the years - a completed jigsaw puzzle that's more than the sum of its parts. It's a fictional biography, a romance, a series of vignettes, an interracial love story, a son's quest to make peace with his missing father, and a cozy mystery about generations of powerful women, contemporary and otherwise, who haunt one man's life. GOODREADS tags: contemporary women, cozy mystery, family saga, literary romance, magic realism, multi-generational, multicultural, mystery-thriller-suspense, plot twist, quirky characters, race issues, romance, southern biography, women's fiction

When a ventilator prevented her from speaking during her final hours, Jennifer started writing. After her death, her husband turns to those pages to tell her story of courage and faith. James had just walked through the door after a day's work when Jennifer told him the news that changed everything: it was cancer. In the following two years they would lose their sense of normalcy and their dreams for the future. But along the way, they would gain something even greater than their loss. Told through the eyes of a grieving husband is this true story of a young woman's fight for her life. Jennifer's final words, penned by hand when a ventilator prevented her from speaking, provide a powerful backdrop to this journey of faith and hope. A memoir that also offers a practical pathway for those struggling with loss, *The Last Seven Pages* is a testimony of a God who is present in our darkest moments, and who turned a devastating illness into a life-changing promise.

Tom Meyer combines ancient and modern history, research and personal experience of living with Jews and Arabs in Jerusalem over a period of four years to reveal exciting insights into the humanity, history, religion and politics of the Holy Land as we enter the 21st century. Inside you'll find- - Information to equip you with an introductory knowledge of Middle East culture and religion, with an emphasis on the religious, historical, and political features of Israel and Palestine. - Data to better recognize the culture and religion within Israel and Palestine in its specific historical and geographical context and how they compare, contrast and relate to one another. - Facts to help you understand and describe important aspects of the various tensions in the Holy Land. - The tools you'll need to acquire the ability to identify and explain popular subjects pertaining to Israel and Palestine and the Middle East at large. Tom Meyer has an MA in the Historical Geography of Israel and another MA in Middle East Culture and Religion from Jerusalem University College. He is currently working towards a PHD. His ministry Wordsower tells complete books of the Holy Bible word for word from memory.

Emilia Treymore wants more from life than what she knows. Growing up in the 19th century during the turmoil of the 1800's right before and into the Civil War, Emilia flees her home Treymore Hall in Charleston South Carolina to follow her dreams of becoming an actress or playwright on Broadway New York. Forced to hide the 'gift' she has inherited from her ancestors, and unable to bear the confining life of a 'proper' southern belle, Emilia seizes a chance to run away but makes one last stop at her brother's plantation Willow Manor to walk the Gardenia Garden she has loved so much. An unexpected twist of events finds her flung from the past of 1865 to the early era of the 1960's. Frightened, confused, yet undaunted, Emilia refuses to let what has happened to her keep her from pursuing her dreams, even if her past comes back to haunt her... Anthony Phipps goes searching for Emilia on the grounds of Willow Manor in 1865 after she disappears, but suddenly finds himself in another time, another place - In fact-another century than the one he has known. Confused, and unable to find his way back to the past, Anthony unexpectedly comes across the one person he has been searching for. Emilia. But a tragic turn of events causes him to lose his memory until images of a young girl surface and memories of the 1800's lead him on a path to find the one person who is the only one that can help him figure out whom he truly is... Willow Manor - A plantation with an 'open doorway' through time on the banks of the Ashley River in Charleston South Carolina, flings two people into another century and all they have left behind in the past is gone - but a future awaits that is more haunting than they have ever imagined....

When Aislinn Amon's father disappears, her mother drags her from New York to Indiana where she is to attend a new boarding school - Source High. At Source High, Aislinn finds herself in a whole other world than what she knew. Everyone has something supernatural about them, including her. Soon, she finds that she's not the normal, rebel, messed up teenage girl she thought she was. Her friends try to help her along the way when trouble comes knocking on her door. People die, she finds herself falling in love with, something she swore she'd never do, and secrets start to form. Can Aislinn cope with everything that's happening? Can she handle the life she's been forced to deal with? Or will she crack under the heavy pressures laid upon her seventeen-year-old shoulders?

Enjoy 20 limited-detail illustrations, designed for those who would rather keep it simple. Each page was hand-drawn and edited by K J Kraemer, with you in mind. If you don't want to spend days on a project or just want room to get creative, this adult coloring book is for you!
