

My Ipad For Seniors Covers Ios 7 On Ipad Air Ipad 3rd And 4th Generation Ipad2 And Ipad Mini

NATIONAL BESTSELLER • The gripping story of Elizabeth Holmes and Theranos—one of the biggest corporate frauds in history—a tale of ambition and hubris set amid the bold promises of Silicon Valley, rigorously reported by the prize-winning journalist. With a new Afterword. “Chilling ... Reads like a thriller ... Carreyrou tells [the Theranos story] virtually to perfection.” —The New York Times Book Review In 2014, Theranos founder and CEO Elizabeth Holmes was widely seen as the next Steve Jobs: a brilliant Stanford dropout whose startup “unicorn” promised to revolutionize the medical industry with its breakthrough device, which performed the whole range of laboratory tests from a single drop of blood. Backed by investors such as Larry Ellison and Tim Draper, Theranos sold shares in a fundraising round that valued the company at more than \$9 billion, putting Holmes’s worth at an estimated \$4.5 billion. There was just one problem: The technology didn’t work. Erroneous results put patients in danger, leading to misdiagnoses and unnecessary treatments. All the while, Holmes and her partner, Sunny Balwani, worked to silence anyone who voiced misgivings—from journalists to their own employees.

Many people can use the iPad well enough, but they aren't having the amazing experience that they should be. They sell themselves short. They can't find their stuff. They scroll when they could tap. They put up with a cacophony of noisy notifications. They miss important email messages. They watch video on the iPad when they could stream it to an Apple TV. They turn on the wrong settings for the wrong reasons. They need help... even if they don't realize that they do. With 226 detail-packed pages, *Take Control of Your iPad* is on an unstoppable quest to make your iPad experience delightful. Covers iOS 6 on iPad 2, iPad 3rd and 4th generation, and iPad mini My iPad offers a full-color, fully illustrated, step by step resource for anyone using an iPad 2, iPad 3rd or 4th generation, or iPad mini running iOS 6. Each task is presented in easy to follow steps - each with corresponding visuals that are numbered to match the step they are referred by. Notes and sidebars offer additional insight into using the iPad without the need to search through paragraphs of text to find the information you need. Tasks are clearly titled to help you quickly and easily find things you want to accomplish. Everything you need to know (or didn't know was possible) is covered in this book. From setup and configuration to using apps like iBooks, Reminders, Calendar, Pages and Maps, each task is clearly illustrated and easy to follow. Learn how to use the iPad two cameras to take pictures and video and share them with friends or chat with them live. Learn how to: Connect your iPad to your Wi-Fi and 3G/4G LTE networks Use Siri to control your iPad or get information by

speaking commands Use iCloud to keep everything current between all of your iOS devices (and even your Mac), including music, photos, emails, and more. Surf the Web, and send and receive email Download and install apps to make your iPad even more useful Use the new iBooks app features Record and edit video using iMovie for iPad Take photos, and then edit them using iPhoto for iPad Stream audio and video to Apple TV and other devices Manage your contacts, and then connect with others using Messaging Stay organized with the Calendar app Use FaceTime and Skype to stay connected with friends and family, or to conduct video conferences Use Pages and Numbers to create documents and spreadsheets Use Keynote to build and display presentations

Take your world with you—with an iPad! When you're a person who can't be chained to a desk, an iPad is your ideal tool for working or enjoying entertainment wherever you want, whenever you want. An iPad is an ideal tool for connecting to websites and networks, staying in touch with your family, keeping track of the office, or just settling in with a movie or a good book,. And to make it easier than ever, grab a copy of iPad For Dummies for simple steps on handling all your iPad's basic functions—as well as iOS 11, the latest version of the software that powers Apple's mobile gadgets.

Assuming no prior experience with an Apple tablet, this hands-on guide helps users from every walk of life navigate their way around an iPad and an iOS 11. From setting up your eMailbox and using your iPad as an eReader to finding the best iPad apps and using voice commands, it covers everything you need to squeeze all the value out of your portable device.

This book presents some of the most interesting iPhone and iPad games, along with stories of the people behind these games. It describes hundreds of titles, including well-known games and hidden games, and provides insight into the development of games for the iOS platform. The iPad does everything...but what if you don't want to do everything?! Sure, it's great that you can log into a private network or set up an iMAP / POP email account--but what if you are retired and just want to know the basics--like how to do a group Facetime with all the grandkids! This book walks you through what you need to know step-by-step--including how navigation works now that the Home button is gone on some of the iPad Pros. It covers only what you need to know--so you don't have to comb through hundreds of pages of tech-speak just to find out how to do a common feature. This book is based on the bestselling book "The Ridiculously Simple Guide to the Next Generation iPad Pro" but includes sections specifically for seniors (including accessibility features that make text easier to see). Are you ready to start enjoying your new iPad Pro? Then let's get started! Note: This book is not endorsed by Apple and should be considered unofficial.

The iPhone Manual for Beginners is the complete guide to using the iPhone. This book was made with the beginner in mind, and is great for seniors and first-time iPhone users. The book is suitable for the following iPhone models: 7, 7 Plus, 6s, 6s Plus, 6, 6 Plus, 5s, 5c, and SE.

These new print editions are the abridged companions to Radiology Simplified, the first resident-to-resident guide to the new ABR Core Exam designed specifically for the iPhone, iPad and Mac. Our hope is that the hundreds of R3 residents who study from our iBooks version this year will empower themselves with the print editions to unplug from the Internet during some of their study time. Because the print versions are abridged, we've left content that works well in electronic medium ? cine clips, embedded presentations, web links - exclusively to the iBooks version. We've also tried where possible to remind you when there's more content to explore in the electronic version. The print editions integrate corrections from hundreds of residents, which are also incorporated into the iBooks version on a continual basis through updates. Because we'll only be updating the print version once per year, the iBooks version will continue to be the most up-to-date version throughout the academic year. Core Cases 2016-2017, Volume 1. Our take on the best Core-focused cases in these topic areas: breast Imaging, cardiac Imaging, gastrointestinal, genitourinary Imaging, and musculoskeletal. Excludes cine content and web links. Core Cases 2016-2017, Volume 2. Our take on the best Core-focused cases in these topic areas: neuroradiology, nuclear radiology, pediatric radiology, thoracic imaging, ultrasound, vascular and interventional radiology. Excludes cine content and web links. Core Physics 2016-2017. The abridged need-to-know Core physics coverage. Excludes web links and integrated presentations.

Draws on more than forty interviews with Steve Jobs, as well as interviews with family members, friends, competitors, and colleagues to offer a look at the co-founder and leading creative force behind the Apple computer company.

One of Goodreads' 43 Most Anticipated Reads of 2019 "Beautiful. Intimate. Tearful. Aching and lyrical. So simply and beautifully told." –Louise Penny, #1 New York Times bestselling author "I'm here to remember—all that I have been and all that I will never be again." If you had to pick five people to sum up your life, who would they be? If you were to raise a glass to each of them, what would you say? And what would you learn about yourself, when all is said? At the bar of a grand hotel in a small Irish town sits 84-year-old Maurice Hannigan. He's alone, as usual - though tonight is anything but. Pull up a stool and charge your glass, because Maurice is finally ready to tell his story. Over the course of this evening, he will raise five toasts to the five people who have meant the most to him. Through these stories - of unspoken joy and

regret, a secret tragedy kept hidden, a fierce love that never found its voice - the life of one man will be powerful and poignantly laid bare. Beautifully heart-warming and powerfully felt, the voice of Maurice Hannigan will stay with you long after all is said and done.
