In *Paris Noir* Yonnet tells is about some of the darker quarters of Paris on the left bank of the Seine, centred on the place Mauberge and the rue Mouffetard, as seen from his own experience. It is mainly written during the 1940s, under the Occupation and in the immediate post-war period; there is a certain amount dealing with the resistance, but the main thrust of the book is a Paris that existed between the wars - and is well known from the film noir -but has since disappeared. It concentrates on the people, rather than places, a mixture of ordinary workers, tradesmen, artists, con-men and criminals. It invests the area with a sense of mystery including occasional supernatural events; it is extremely well written, often using the language of the inhabitants of the area. Raymond Queneau considered it the greatest book ever written about Paris. For Dedalus it is the perfect counterfoil for J.K.Huysmans *Parisian Sketches* which Dedalus published in 2004 which showed the darker side of Paris pre Haussmans big boulevards. 'Among the books you must read before you die is *Paris Noir* by Jacques Yonnet.' Raphael Sorin Concentrating on the seedy area around Rue Mouffetard, which becomes "La Mouffe" in a typically Parisian abbreviation, Yonnet reveals the dark side of the City of Light in the 1940s in this "secret history of a city". The street life of the Left Bank ticks on much as normal during the Occupation, though L'opoldie the tart stops turning tricks because "the

green German uniform does not suit her complexion". Keep- on-Dancin', the killer with a fondness for history, rules the roost. Though describing himself as "sceptical, disillusioned, cynical", Yonnet casually dispatches a traitor in the Resistance. This is film noir in book form." Christopher Hirst in *The Independent*

"Like All the Light We Cannot See, *The Paris Hours* explores the brutality of war and its lingering effects with cinematic intensity. The ending will leave you breathless." —Christina Baker Kline, author of *Orphan Train* and *A Piece of the World One day in the City of Light*. One night in search of lost time. Paris between the wars teems with artists, writers, and musicians, a glittering crucible of genius. But amidst the dazzling creativity of the city's most famous citizens, four regular people are each searching for something they've lost. Camille was the maid of Marcel Proust, and she has a secret: when she was asked to burn her employer's notebooks, she saved one for herself. Now she is desperate to find it before her betrayal is revealed. Souren, an Armenian refugee, performs puppet shows for children that are nothing like the fairy tales they expect. Lovesick artist Guillaume is down on his luck and running from a debt he cannot repay—but when Gertrude Stein walks into his studio, he wonders if this is the day everything could change. And Jean-Paul is a journalist who tells other people's stories, because his own is too painful to tell. When the quartet's paths finally cross in an unforgettable climax, each discovers if they will find what they are looking for. Told over the course of a single day in 1927, *The Paris Hours* takes four ordinary people whose stories, told together, are as extraordinary as the glorious city they inhabit.

Inspired by Paris, this lighthearted and deceptively wise contemporary memoir serves as a guidebook for women on the path to adulthood, sophistication, and style. Jennifer Scott's self-published success is now a beautifully packaged and fully illustrated gift book, perfect for any woman looking to lead a more fulfilling, passionate, and artful life. Paris may be the City of Light, but for many it is also the City of Transformation. When Jennifer Scott arrived in Paris as an exchange student from California, she had little idea she would become an avid fan of French fashion, lifestyle, and sophistication. Used to a casual life back home, in Paris she was

hosted by a woman she calls “Madame Chic,” mistress of a grand apartment in the Sixteenth Arrondissement. Madame Chic mentors Jennifer in the art of living, with elegance and an impeccably French less-is-more philosophy. Three-course meals prepared by the well-dressed Madame Chic (her neat clothes covered by an apron, of course) lure Jennifer from her usual habit of frequent snacks, junk food, sweatpants, and TV. Additional time spent with “Madame Bohemienne,” a charming single mother who passionately embraces Parisian joie de vivre, introduces readers to another facet of behind-closed-doors Parisian life. While Francophiles will appreciate this memoir of a young woman’s adventure abroad, others who may not know much about France will thrill to the surprisingly do-able (yet chic!) hair and makeup lessons, plus tips on how to create a capsule wardrobe with just ten useful core pieces. Each chapter of Lessons from Madame Chic reveals the valuable secrets Jennifer learned while under Madame Chic’s tutelage—tips you can master no matter where you live or the size of your budget. Embracing the classically French aesthetic of quality over quantity, aspiring Parisiennes will learn the art of eating (deprive yourself not; snacking is not chic), fashion (buy the best you can afford), grooming (le no-makeup look), among other tips. From entertaining to decor, you will gain insights on how to cultivate old-fashioned sophistication while living an active, modern life. Lessons from Madame Chic is the essential handbook for a woman that wants to look good, live well, and enjoy that Parisian je ne sais quoi in her own arrondissement.

Code Name Verity meets Jennifer Donnelly's Revolution in this gripping debut novel. NOW: Sixteen-year-old Alice is spending the summer in Paris, but she isn't there for pastries and walks along the Seine. When her grandmother passed away two months ago, she left Alice an apartment in France that no one knew existed. An apartment that has been locked for more than seventy years. Alice is determined to find out why the apartment was abandoned and why her grandmother never once mentioned the family she left behind when she moved to America after World War II. With the help of Paul, a charming Parisian student, she sets out to uncover the truth. However, the more time she spends digging through the mysteries of the past, the more she realizes there are secrets in the present that her family is still refusing to talk about. THEN: Sixteen-year-old Adalyn doesn't recognize Paris anymore. Everywhere she looks, there are Nazis, and every day brings a new horror of life under the Occupation. When she meets Luc, the dashing and enigmatic leader of a resistance group, Adalyn feels she finally has a chance to fight back. But keeping up the appearance of being a much-admired socialite while working to undermine the Nazis is more complicated than she could have imagined. As the war goes on, Adalyn finds herself having to make more and more compromises—to her safety, to her reputation, and to her relationships with the people she loves the most. In this glittering tale of forgotten treasures and long-held secrets, international bestseller Karen Swan explores one woman's journey to discovering the truth behind an abandoned apartment and a family whose mysteries may be better left undiscovered. When high-powered fine art agent Flora Sykes is called in to assess objets d'art in a Paris apartment that has been abandoned since WWII, she is skeptical at first—until she discovers that the treasure trove of paintings is myriad...and priceless. The powerful Vermeil family to whom they belong is eager to

Despite a shocking announcement that has left her own family reeling, Flora finds herself thrown into the glamorous world of the Vermeils. But she soon realizes there is more to this project than first appears. As she researches the provenance of their prize Renoir, she uncovers a scandal surrounding the painting—and a secret that goes to the very heart of the family. The fallout will place Flora in the eye of a storm that carries her from London to Vienna to the glittering coast of Provence. Xavier Vermeil, the brusque scion of the family, is determined to separate Flora from his family's affairs in spite of their powerful attraction to one another. Just what are the secrets he is desperately trying to hide? And what price is Flora willing to pay to uncover the devastating truth...? “The Paris Secret had me from the moment I started reading. For centuries Paris was the destination of writers from the provinces and from across the ocean, and the city swiftly became an integral part of the lives and work of those who went there. Literary Paris profiles thirty writers and the apartments, cafes, bistros, theaters, museums, and other places central to their daily lives and featured in their work. Literary Paris opens with Moliere, whose farces lampooning man's vanity and hypocrisy delighted the royal courts. In the next century, we glimpse the destitute Zola, so hungry that he ate sparrows caught on his windowsill, and the perpetually bankrupt Balzac who, hoping to evade creditors, required friends to give a secret phrase—"Apple season has arrived" or "I come with lace from Belgium"—to gain admittance into his quarters. Among the twentieth-century writers profiled are Georges Simenon, creator of wildly popular detective novels, who in Paris began an affair with the sensational Josephine Baker; F. Scott Fitzgerald, who, instead of finding the "new rhythm" he sought, burned through his money and talent in the City of Light; as well as Henry Miller, George Orwell, James Baldwin. Women writers include the scandalous Colette; George Sand, friend of Liszt and lover of Chopin; and the sophisticated New Yorker correspondent Janet Flanner. Great city landmarks are here, including Notre Dame

Cathedral, where Quasimodo imprisoned Esmerelda in Victor Hugo's masterpiece, and the Louvre, where in 1911 the Mona Lisa vanished in a scandal that ruined the poet Guillaume Apollinaire. Also featured are the beloved cafes integral to the city's culture, such as Café Flore, where Simone de Beauvoir claimed a spot by the stove each morning to write while her lover, Jean-Paul Sartre, was off at war.

Twelve-year-old Nora has always dreamed of going to Paris with her grandmother, but when her grandmother dies it seems like Paris is gone with her--until Nora finds three airline tickets in a trunk, and sets out to persuade her mother to use them.

This irreverent outsider-turned-insider guide shares local savoir faire, from how to separate the good restaurants from the bad to navigating the baffling Métro system. It also provides invaluable insights into the etiquette of public urination and the best ways to experience Parisian life without annoying the Parisians (a truly delicate art). Clarke's witty and expert tour of the city leaves no boulevard unexplored—even those that might be better left alone.

dog, and a special journal, as she hits the streets of New York City to unlock her secret talents! If Adam Gopnik's *Paris to the Moon* described daily life in contemporary Paris, this book describes daily life in Paris throughout its history: a history of the city from the point of view of the Parisians themselves. Paris captures everyone's imaginations: It's a backdrop for Proust's fictional pederast, Robert Doisneau's photographic kiss, and Edith Piaf's serenaded soldier-lovers; a home as much to romance and love poems as to prostitution and opium dens. The many pieces of the city coexist, each one as real as the next. What's more, the conflicted identity of the city is visible everywhere-between cobblestones, in bars, on the métro. In this lively and lucid volume, Andrew Hussey brings to life the urchins and artists who've left their marks on the city, filling in the gaps of a history that affected the disenfranchised as much as the nobility. *Paris: The Secret History* ranges across centuries, movements, and cultural and political beliefs, from Napoleon's overcrowded cemeteries to Balzac's nocturnal flight from his debts. For Hussey, Paris is a city whose long and conflicted history continues to thrive and change. The book's is a picaresque journey through royal palaces, brothels, and sidewalk cafés, uncovering the rich, exotic, and often lurid history of the world's most beloved city. The magical sequel to *See You on a Starry Night* makes more seaside wishes come true!

From the New York Times bestselling author of *The Paris Orphan* comes an unforgettable historical novel about a secret collection of Dior gowns that ties back to the first female pilots of WWII and a heartbreaking story of love and sacrifice. England, 1939: The Penrose sisters couldn't be more different. Skye is a daring and brash pilot, and Liberty the one to defy her at every turn. Even if women aren't allowed in the Royal Air Force, Skye is determined to help the war effort. She's thrilled when it reunites her with her childhood soulmate, Nicholas. She's less thrilled to learn Nicholas is now engaged to an enigmatic Frenchwoman named Margaux Jourdan. Paris, 1947: Designer Christian Dior unveils his glamorous first collection to a world weary of war and grief. He names his debut fragrance Miss Dior in tribute to his beloved sister Catherine, who forged a friendship with Skye and Margaux through her work with the French Resistance. Present Day: Fashion conservator Kat Jourdan discovers a priceless collection of Dior gowns in her grandmother's vacant cottage. As she delves into the mystery of their origin, Kat begins to doubt everything she thought she knew about her beloved grandmother.
