A real estate lease agreement is one of the biggest financial obligations of any company. The tenant must review the lease to make sure it is sound from both business and legal perspectives. Written in a conversational style for the non-lawyer business executive, *Tenant Leasing 101* offers companies the essential strategies and tips to help simplify the negotiation of their next lease.

There's a huge problem in the commercial real estate business that nobody is talking about- DUE DILIGENCE. The vast majority of investors, real estate brokers and commercial real estate professionals barely scratch the surface conducting their due diligence when purchasing commercial real estate investments. Investors are taking unnecessary risks and throwing money away or making bad investments, by not properly performing due diligence. In fact, they are leaving big money on the table without even realizing it. Brokers are putting themselves at risk for potential litigation and missing an opportunity to help their clients as a true ally by learning these principles. All because "they don't know what they don't know". I was in the same position, until I created a system that made the entire process easier and less stressful. Having and adhering to a proven system allows you to do it faster, easier, more efficiently and you're less likely to miss something. It reduces the stress; makes you feel more confident; makes the sellers of the properties less likely to try to play games while negotiating with you, and ultimately helps to make you a better investor because you are more prepared. This handbook gives you a process to follow. A "road map" that takes you through from beginning to end. It is written in a concise, "easy to follow" fashion as a real due diligence tool and is not intended as a voluminous textbook on the subject. It's based upon over 30 years of experience in the commercial real estate business and acquiring over 9 million square feet from private and institutional owners. The fundamentals remain the same and they are all applicable, whether you're acquiring residential rental properties, an industrial building, a skyscraper or retail shopping center. Some of the things you will learn from the book . . . What to negotiate in the purchase and sale agreement so that you can maximize the opportunities for yourself when it comes time to negotiate further with the seller. Essential provisions to ask for in the purchase and sale agreement. (These could end up costing you dearly later if you don't have them in there). Specific issues and provisions to look for in the leases. (These could be potentially devastating to the investment after you own it). Conducting tenant interviews and what questions to ask so that you can uncover any problems or issues (This can be a goldmine of information). Cost cutting tips and dozens of strategies that will help you add value to the property once you own it. One of the most critical processes done during the due diligence process is the underwriting and financial analysis, which is constantly being revised during that process. (Included is a list of essential questions that must be addressed.) How to ensure that you are getting all you deserve when finalizing the transaction and what to look for on the closing statement to make sure you are. (Most investors leave a lot of money behind by not knowing this information). In addition, you get at the end of handbook . . . Sample Lease Abstract Form (which shows you how to summarize all the main deal points and provisions of a lease document). Due Diligence Checklist Due Diligence Document Checklist Sample Tenant Questionnaire (a sample list of questions that you should ask of tenants when conducting a tenant interview). By having this knowledge and my "step-by-step" system, you will be more prepared and less stressed; more confident in your ability to negotiate and go up against any seller. There are too many things to remember during the process. We need reminding as much as we need learning. Get it now and be prepared for your next real estate investment. Many investors keep it as a constant companion when purchasing real estate.

This book is the first among legal textbooks to examine a crucial component of real property practice: commercial lease law. Commercial leasing is the lifeblood of commercial real property development in the United States. Real property lawyers regularly represent landlords, tenants and lenders in the leasing of commercial space. This area of practice is transactional and centers on a single negotiated document — the commercial lease. By the end of a course based on this book, students will have developed a genuine understanding of the major terms of the commercial office lease, the goals and objectives of parties to the transaction, and the skills crucial to effective representation. Bogart and Hammond have crafted a book uniquely suited to teaching this important area of practice. The book utilizes a sophisticated commercial office lease form promulgated by the ABA. Each chapter focuses on a particular lease provision. Chapters pull apart contractual language and terms of art, reveal the motivations of the parties to the deal, and finally, examine the underlying substantive law. In addition to presenting interesting case opinions, each chapter provides numerous challenging, real-world problems. Chapters typically conclude by asking students to apply what they have learned to provisions taken from the much-publicized "Killer Lease." The book includes a chapter explicitly discussing professionalism, ethics and negotiations, and contains drafting and negotiation exercises that force students to pull together skills and substantive law lessons. This book will form the basis of an exciting elective real estate transactions course.

With over 1,000 successful real estate deals between them, the authors combine the science of negotiation with real world experience to dive into all aspects of the real estate negotiation process -- from the first interaction with a buyer or seller, to renegotiating the contract after unexpected issues arise, to last-minute concessions at closing. Aimed at real estate investors and agents at any level, this book not only covers all aspects of negotiating real estate deals, but also contains dozens of true-life stories that highlight how strong negotiation can result in more and better deals, as well as

dialogue that will teach you what to say and how to say it, strengthening your ability to close profitable transactions. In the fast-changing world of commercial real estate, terms like and“fair rental value, and” and“net lease, and”or and“duty of good faithand”can mean many different things depending on the circumstances of the deal. So, when negotiating and drafting complex leasing agreements, itand’s imperative you know what these provisions can mean, have alternate provisions readily available, and know when and how to use them properly Commercial Real Estate Leases: Preparation, Negotiation, and Forms, Fifth Edition can make it easier. Written by nationally recognized real estate attorney Mark Senn, this highly acclaimed guide: Explains the legal principles behind each lease provision in clear, user-friendly terms. Offers balanced discussion of the practical applications of the law from the landlord, tenant and the lender perspectives (where applicable). Provides specific examples of alternate clauses that address each partyand’s precise needs. Logically organized to follow the typical commercial real estate lease, each chapter takes you clause-by-clause through all of the issues you need to understand in order to represent clients effectively in commercial real estate transactions, including: Rentand—fixed, market and percentage Operating expenses Options to expand, buy or extend Space measurementand—and resulting economics Subordination, non-disturbance and attornment agreements Drafting exclusive provisions Understanding insurance provisions Tax provisions and federal income tax consequences Use issues Condemnation Commercial Real Estate Leases: Preparation, Negotiation, and Forms, Fifth Edition includes a free companion CD-ROM containing all of the leasing forms discussed in the guide.

From the creator of the popular website Ask a Manager and New York’s work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There’s a reason Alison Green has been called “the Dear Abby of the work world.” Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don’t know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You’ll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit “reply all” • you’re being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate’s loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for Ask a Manager “A must-read for anyone who works . . . [Alison Green’s] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work.”—Booklist (starred review) “The author’s friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers’ lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience.”—Library Journal (starred review) “I am a huge fan of Alison Green’s Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor.”—Robert Sutton, Stanford professor and author of The No Asshole Rule and The Asshole Survival Guide “Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way.”—Erin Lowry, author of Broke Millennial: Stop Scraping By and Get Your Financial Life Together

From crushing your debt and student loans to talking your way out of late fees, to dead simple investment strategies and negotiating that big raise at work, this is the no-guilt, no-excuses, no-BS 6-week programme that will help you get your finances where you want them to be.

Negotiating Commercial Leases & Renewals For Dummies John Wiley & Sons

For too long, commercial real estate expert Tyler Cauble has witnessed the damage caused by small business owners not knowing all the facts before signing a lease. He's working to change that. In this book, Tyler guides you through everything you need to know before renting commercial space. Whether you're looking for a new storefront, a location for your thriving business, or simply need to get out of the garage, *Open for Business* will show you how to determine space requirements, select a location, and negotiate your lease. If you don't want to do it on your own, Tyler shares how to find a broker who can help you-and save you money! *Open for Business* will demystify leasing commercial real estate and empower you to make the best decisions for your growing business.

It reviews the clauses of a typical complex modern lease in detail, with explanation and commentary, examining the legal, economic and financial accounting ramifications.

Through her phenomenally popular and award-winning podcast, *She's on the Money*, Victoria Devine has built an empowered and supportive community of women finding their way to financial freedom. Honest, relatable, non-judgemental and motivating, Victoria is a financial adviser who knows what millennial life is really like and where we can get stuck with money stuff. (Did someone say 'Afterpay'...?) So, to help you hit your money goals without skimping on brunch, she's put all her expert advice into this accessible guide that will set you up for a healthy and happy future. Learn how to be more secure, independent and informed with your money – with clear steps on how to budget, clear debts, build savings, start investing, buy property and much more. And along with all the practical information, Victoria will guide you through the sometimes-tricky psychology surrounding money so you can establish the values, habits and confidence that will help you build your wealth long-term. Just like the podcast, the book is full of real-life money stories from members of the *She's on the Money* community who candidly share their experiences, wins and lessons learned to inspire others to turn their stories around, too. And with templates and activities throughout, plus a twelve-month plan to get you started, you can immediately put Victoria's recommendations into action in your own life. You are not alone on your financial journey, and with the money principles in this book you'll go further than you ever thought possible.

Don't Worry About the Rent provides the reader with an understanding of how improved business performance can be leveraged through the right choice of office space. It makes the argument that a workplace is not just a destination but an important tool in the suite of instruments available to anyone seeking to improve the bottom-line of their business

A guide for developing, refining, and improving your commercial real estate leasing skills.

Thinking about becoming a commercial real estate investor? *Commercial Real Estate Investing For Dummies* covers the entire process, offering practical advice on negotiation and closing win-win deals and maximizing profit. From office buildings to shopping centers to apartment buildings, it helps you pick the right properties at the right time for the right price. Your opposition is trying to kill you. You don't want a fair fight. You want an unfair advantage. You learn how to twist brains and win negotiations against the biggest players in the world. These skills are not fair, and they're not for the faint of heart. They're not meant to be. Kill or be killed. Follow the journey from bad boy to Fortune 500 Fixer and the Tricks, Hacks, Hammers, and Cheats to survive and thrive in a cutthroat world. There's a lot of polite books out there; this is not one of them. You might get offended, but you're going to learn a lot. It's simple; you have more fun when you're free and you live life at your own direction. Deals are more fun when you know how to win. It's about wielding power. It's about not being normal. It's about unpacking that raw, sovereign, power inside of you and setting it loose upon the world. This is not a book about love. This isn't for everyone. You need to be a little special, a breed apart, or maybe a little broken. Regardless, you need to be smarter than the rest." I probably tell you more than I should." -- Steve Miller

In the fast-changing world of commercial real estate, terms like "fair rental value," "net lease," or "duty of good faith" can mean many different things depending on the circumstances of the deal.
