cold – and it carries a sharp and very solid dagger . . . The headmaster wastes no time in enlisting the help of ghost-hunters Anthony Lockwood, Lucy Carlyle and George Cubbins. Can Lockwood & Co. survive the night and save the day? Unlock the dark beginnings of Ourea's most famous political players in this Grimoire Saga origins series. Ourean legends of the First Vagabond have survived a thousand years, blossoming in pubs and alleys even as the great Bloods of Ourea tried to squelch his name. But the myths glorify the deeds and forget the man he was--Cedric, a boy from a small Hillsidian farming village. As a young man, Cedric discovers a terrifying defect in his nature. He has no blood loyalty, which means he can defy his king--something that has never happened in recorded history. But what begins as a flaw evolves into a strength. Citizens begin to listen to Cedric, and he discovers that if he leads, others will follow. But there's a catch. The more who follow him, the more famous he becomes. And the more famous he becomes, the more targets he finds pinned to his back. He's a wanted man. A traitor. And as Cedric begins to embrace the title he's been given -- the Vagabond, the only man alive with no master -- he ignites a revolution. After all, no one has defied a Blood and lived to tell the tale. No one, that is, but Cedric.

In the third book of the series, Bartimaeus, Nathaniel, and Kitty must test the

limits of this world, question the deepest parts of themselves -- and trust one another if they hope to survive. Includes a preview chapter from The Ring of Solomon, a Bartimaeus novel.

The Kingdom of Virgo has lived in peace for thousands of years...until now. Terran has gone too far, poisoning the wells and streams of Virgo. Queen Azure must act fast in order to save her people from a deadly virus that steals their magic. Only one witch knows the cure to the virus and no one knows how to find her. Azure and her ragtag crew set off for the Mountain of Truth in hopes of locating Mage Lenore, the oldest witch alive. They soon learn the problem isn't finding the old witch. It's surviving each other on the mountain. Welcome to The Revelations of Oriceran. A magical world tied to Earth, and nothing like it.

of the wanderers must band together and fight. Even if it means they'll die trying. "Kara Magari isn't normal, even by Ourea's standards -- and in a world of shape-shifters and soul stealers, that's saying something. To the royalty, she's a loose cannon. To the masses, she's a failure. But Kara's arrival in Ourea started a war, and she's going to end it. An ancient isen named Stone takes an interest in Kara's training, and it turns out he has more answers than he originally led her to believe. In an effort to unearth a secret that might end the bloodshed, Kara instead discovers an ugly truth about her family -- and how much she has in common with an infamous mass-murderer. Braeden Drakonin has slowly rebuilt his life after the betrayal that tore it apart. His father wants him dead, and frankly, his so-called allies wouldn't mind that either. Private alliances are formed. Secrets are sold. Tension is driving the armies apart. A single battle will end this war, and it's coming. Braeden may be a prince, but it will take more than that to survive. He must take the fight to his father's door -- and win"--Page 4 of cover. After a century, magic's greatest enemy has returned-Vampires. Queen Azure sets off on a world tour of Oriceran, thinking she'll strengthen relations with neighboring kingdoms. On her first stop in New Egypt she finds something chilling. People all over the kingdom are being bitten, many of them turned. Led into a secret headquarters, Azure meets one of the oldest covens governed by the magic that connects Oriceran to

world a fresh start. AVA cleansed humanity and rebuilt it on the ideals of progress and peace. With their pasts bleached and their futures filtered out, humans advanced in a startling leap. They thrived in the new world that AVA created. Then the virus struck. Now, after a centuries' long apocalypse, humanity has returned to its violent roots. The few ragged settlements that remain fight each other for what little the Nothing provides, and will do whatever it takes to stay alive. Charlize Smith doesn't know it yet, but her hometown might be the last civilized place on earth. Born defective and forced to undergo a slew of dangerous experiments, Charlie dreams of the day when she can finally set out on her own. But when a tragedy pushes her to the edge, she's arrested and thrown onto a truck bound for the Nothing — where she'll probably die.

Winter has finally broken its hold over the Kingdom -- but as the snows melt, trouble springs up in its place. A dark cloud hangs over Midlan: the army has retreated behind its high walls, not a word slips out from between its gates. And rumors swirl that the King has gone mad. Kael knows nothing of this: his sights are on the plains. But with his horrible luck following him wherever he goes, it doesn't take long for his plan to unravel. He finds himself trapped in Gilderick's clutches and forced to work as a slave, laboring alongside the giants -- who don't exactly welcome him. In fact, he begins to suspect that some would rather see him dead. If Kael is going to have any chance to survive, he'll have to come up with a new plan -- and quickly. Meanwhile, Kyleigh finds herself locked in a sprint across the desert. Time presses against her: there is a force gathered in Whitebone that threatens to undo everything, should it reach the plains. But her pride blinds her to the dangers, and it isn't long before she and her companions are lost among the towering dunes. The strange magic of the sun drains their strength, misfortune nips at their heels, but they are determined to save their friends. And so they'll brave the desert's every peril -- be it storms or cave trolls ... or flesh-eating worms. An artifact race, a family reunion from the dead, a troll, and a deadly Light Elf. A typical Tuesday. Leira Berens has joined federal black ops mixed with her own brand of magic. She's coming face to face with what happens when magic collides with technology and organic matter. Not pretty but very powerful. The hunt is on to stop this new kind of shape shifting but

Terric is a curious loner hellbent on reading his master's forbidden books. When one heist goes wrong, Terric abandons his old life and runs for freedom-only to fall prey to a ruthless man named Niccoli. Niccoli is an isen-a creature of magic from the hidden world of Ourea-and he awakens within Terric an unimaginable gift. But this gift comes with a catch. Suddenly in control of newfound power he is forbidden to freely use, Terric realizes too late that he simply traded one master for another. In Ourea, a world dominated by the gifted, few isen dare defy their masters. Until now. Solve a murder, save her mother, and stop the apocalypse? No problem. She has a foul-mouthed troll on her side. For Austin homicide detective Leira Berens, happy is running down bad guys and solving crimes. And she's damn good at it. Which is why when the Light Elf prince is murdered, the king breaks a centuries old treaty and crosses between worlds to seek her help. Wait a minute. An Elf? Like from Lord of the Rings or something? Yeah, Leira has a hard time accepting that. But it doesn't matter what she believes. Magic is real, and it's coming back with a bang. Ourea has always been a deadly place. The lichgates tying the hidden world to Earth keep its creatures at bay—for now. Kara Magari ignited a war when she stumbled into Ourea and found the Grimoire: a powerful artifact filled with secrets. To protect the one person she has left, she strikes a deal that goes against everything she believes in. But things don't go as planned. Braeden Drakonin can no longer run from who—and what—he is. He has to face the facts. He's a prince. He's a murderer. He's a wanted man. And after a betrayal that leaves him heartbroken, he's out for blood. To survive, both Kara and Braeden must become the evil each has grown to hate.

Leira Berens has split with the Feds and has gone out on her own to save her corner of the world. Magic is on the loose and the werewolves, Elves and Witches are causing trouble. Leira's working on a new world with her Light Elf by her side and a certain swearing troll. There are whispers among the dark Wizarding families that she's a new kind of bounty hunter. Time to show them how it's done. They'll never see her coming.

The Kingdom of Virgo has lived in peace for thousands of years...until now. Azure's world flips when she discovers her father is the emperor of Terran. Wait...was the emperor. Now the two are prisoners in the Land of Terran. Azure must escape and locate her mother's soul stone. The virus that stole the queen's magic is going after her very life, and the soul stone is her only hope. Azure must save her mother. Create alliances with savage beasts. And win her people's favor to keep the crown. However, Princess Azure now has a taste for adventure. If being queen means she must sit on a throne, then to hell with that. When the dragon whispers, who will listen? The lakeside town of Ashbourne is under siege. Inside, the manic worshippers of the legendary Rogue Dragons--the Dragon Tongue--plan to offer the town's citizens up as sacrifice. And one of these people happens to be an unlucky Gnome named Gelbus Cogspark, whom Maria thinks she needs to complete her quest. With their sacrifice, Odarth, the Bright will take to the sky again, once more wreaking havoc across the land. But when the ancient evil awakens, who will put it back to sleep? Armed with her only sword and her music box, Maria Apple and the rest of her crew travel to Ashbourne, prepared for an all-out war. But Ignatius is weak, Frieda is a stranger, and there's more to worry about than just saving the town. Still trapped in the world in between, the villagers of Dominion await their savior. Yes, the battle is over. Now the war begins...

Thirty-one years have passed. Leira and Correk have made a sudden return to Austin at the behest of Estelle. No one turns down a request from Estelle. Magicals have been found unconscious all over town. Their souls ripped from their bodies. Is it a virus? Or is it a new foe with a gruesome scheme? Leira Berens is left with no magical trails to follow and the bodies keep piling up. Felix Hagan has come back to help solve this case before it's too late. Can Izzie be far behind? An old menace has reappeared. This time with a few new tricks. Will Leira be able to put the pieces of this puzzle together in time? Will the cure turn out to be worse than the problem? Find out in the start of the next adventure in Return of Magic, Book 13 in The Leira Chronicles. Magic is real.
