The autobiography of snooker player Jimmy White, 10-time ranking event winner and 6-time World Championship runner-up.

The aim of this book is to provide students and practitioners with a clinical text on the investigation and management of binocular vision anomalies by methods other than medicine and surgery.

This collection features three of Jonson's masterpieces: Volpone, Epicoene, and The Alchemist.

Questa guida è stata scritta per i produttori di macchinari e di oggetti che sono destinati a venire a contatto con gli alimenti. Le continue richieste che riceviamo, ci hanno spinto a spiegare tutta la faccenda nel modo più semplice possibile.

Feminism and Psychoanalysis: A Critical Dictionary is of major interest to those who are aware of the breadth of its two component areas, and wish to explore the common ground between them more intensively. Entries deal with concepts from and significant figures in psychoanalysis, issues of sexual politics that intersect with psychoanalysis, feminist aesthetics and criticism which both use and challenge psychoanalytic thought. Each entry concludes with a short, carefully selected list of further reading.

The second book in the Telling Time sequence helps children learn how to develop their time-telling skills by including minutes. By using a variety of different activities to keep children engaged, this workbook helps children learn this difficult skill without feeling frustrated or anxious.

Sadly the days of the traditional studio apprenticeship in animation are long gone but this book enables the reader to find the next best thing, watching and observing a Master Animator at work. Become Tony White's personal animation apprentice, and experience the golden era of the great Disney and Warner Brothers studios right in your own home or studio. Tony White's Animation Master Class is uniquely designed to cover the core principles of animated movement comprehensively. It offers a DVD with animated movies and filmed excerpts of the author at his drawing board to illustrate the concepts as the work is being created. Tony White's Animation Master Class offers secrets and unique approaches only a Master Animator could share. The book comes out of the author's six years of real-world professional experience teaching animation, and 30 years of professional experience. Whether you want to become a qualified animator of 2D, 3D, Flash or any other form of animation, Tony White's foundations bring you closer to that goal. The DVD is invaluable, in that readers are not only taught principles and concepts in the book, they are able to see them demonstrated in action in the movies on the DVD.

Coral has always been different than other young ladies and not just because of the circumstances of her birth. When her sister, Esther, moves west to Montana to be a mail order bride, she goes with her, hoping that she will quickly find a husband herself and not long be a burden on her sister and her new husband. She agrees to meet any of the men her brother-in-law finds suitable for her, hoping she will find a match and leave the newlyweds' home. Jackson is new to the rural area of Montana where he is now teaching. When he's approached by one of the local ranchers to meet his younger sister-in-law, he goes along with it, because he realizes having a wife would make his life a great deal easier. Upon meeting Coral, he is initially put off by her bold manner, but he agrees to the match, and soon the couple is off to Lost Legacy to marry. Will he be able to get past Coral's boldness to see the woman within? Or will they spend the rest of their lives in a loveless marriage?

Può il colore degli occhi incidere sulla vita di una persona, condizionandola? A seguito di un tentato suicidio, Stella finisce ricoverata in psichiatria e da lì prende le mosse il racconto della sua sofferta esistenza. Costretta a subire il matrimonio con Sebastiano, un uomo potente che non ama, tenterà di ottenere il proprio riscatto attraverso i figli. Santa, la primogenita, riuscirà a crearsi una vita indipendente. Carmelo avrà invece un'esistenza tormentata fin dalla nascita, quando il padre lo rifiuta perché non ha gli occhi neri come i veri "masculi siciliani". Se avessi avuto gli occhi neri è anche un affresco della Sicilia dai primi del Novecento a oggi, che esplora la condizione delle donne siciliane, l'evolversi della famiglia, i mutamenti della società. Un viaggio alla ricerca di identità negate, della propria verità e del difficile percorso per accettarsi ed essere accettati. Una saga familiare dall'imprevedibile finale.

The Kamishibai man used to ride his bicycle into town where he would tell stories to the children and sell them candy, but gradually, fewer and fewer children came running at the sound of his clappers. They were all watching their new televisions instead. Finally, only one boy remained, and he had no money for candy. Years later, the Kamishibai man and his wife made another batch of candy, and he pedaled into town to tell one more story—his own. When he comes out of the reverie of his memories, he looks around to see he is surrounded by familiar faces—the children he used to entertain have returned, all grown up and more eager than ever to listen to his delightful tales. Using two very different yet remarkable styles of art, Allen Say tells a tale within a tale, transporting readers seamlessly to the Japan of his memories.
