From award-winning investigative journalist Kyle Swenson, *Good Kids, Bad City* is the true story of the longest wrongful imprisonment in the United States to end in exoneration, and a critical social and political history of Cleveland, the city that convicted them. In the early 1970s, three African-American men—Wiley Bridgeman, Kwame Ajamu, and Rickey Jackson—were accused and convicted of the brutal robbery and murder of a man outside of a convenience store in Cleveland, Ohio. The prosecution's case, which resulted in a combined 106 years in prison for the three men, rested on the more-than-questionable testimony of a pre-teen, Ed Vernon. The actual murderer was never found. Almost four decades later, Vernon recanted his testimony, and Wiley, Kwame, and Rickey were released. But while their exoneration may have ended one of American history's most disgraceful miscarriages of justice, the corruption and decay of the city responsible for their imprisonment remain on trial. Interweaving the dramatic details of the case with Cleveland's history—one that, to this day, is fraught with systemic discrimination and racial tension—Swenson reveals how this outrage occurred and why. *Good Kids, Bad City* is a work of astonishing empathy and insight: an immersive exploration of race in America, the struggling Midwest, and how lost lives can be recovered.

Among the most enduring poetry of all time, William Shakespeare's 154 sonnets address such eternal themes as love, beauty, honesty, and the passage of time. Written primarily in four-line stanzas and iambic pentameter, Shakespeare's sonnets are now recognized as marking the beginning of modern love poetry. The sonnets have been translated into all major written languages and are frequently used at romantic celebrations. Known as "The Bard of Avon," William Shakespeare is arguably the greatest English-language writer known. Enormously popular during his life, Shakespeare's works continue to resonate more than three centuries after his death, as has his influence on theatre and literature. Shakespeare's innovative use of character, language, and experimentation with romance as tragedy served as a foundation for later playwrights and dramatists, and some of his most famous lines of dialogue have become part of everyday speech. Set in a topsy-turvy world like a holiday revel, this comedy devises a romantic plot around separated twins, misplaced passions, and mistaken identity. Juxtaposed to it is the satirical story of a self-deluded steward who dreams of becoming Count Malvolio only to receive his comeuppance at the hands of the merrymakers he wishes to suppress. The two plots combine to create a farce touched with melancholy, mixed throughout with seductively beautiful explorations on the themes of love and time, and the play ends, not with laughter, but with a clown's sad song. If music be the food of love, play on; Give me excess of it, that, surfeiting, The appetite may sicken, and so die. That strain again! it had a dying fall: O, it came o'er my ear like the sweet sound, That breathes upon a bank of violets, Stealing and giving odour! Enough; no more: 'Tis not so sweet now as it was before. O spirit of love! how quick and fresh art thou, That, notwithstanding thy capacity Receiveth as the sea, nought enters there, Of what validity and pitch soe'er, But falls into abatement and low price, Even in a minute: so full of shapes is fancy That it alone is high fan

Seminar paper from the year 2015 in the subject English Language and Literature Studies - Literature, grade: 2,0, Johannes Gutenberg University Mainz, language: English, abstract: This term paper seeks to dislocate traces of racism within the characters of Iago, Othello, and Desdemona in Shakespeare's "Othello". By scrutinizing both overt and covert forms of xenophobia, it tries to explain how and why the play came to its tragic ending. In 1994, Nelson Mandela wrote in his autobiography that "no one is born hating another person because of the color of his skin, or his background, or his religion" and that, consequently, "people must learn to hate". By itself, this is a simple statement but it is also egregious in the way it makes us understand. There is nothing it could not explain, no dispute it could not illuminate. And even though Mr. Mandela had originally formulated his statement with regard to Apartheid, it fits extraordinarily well to racism in Shakespeare's "Othello". Judging from Michael Neill's investigations into the subject of notions of human difference in early modern societies, 16th century Venice had a considerably open attitude towards foreigners of any kind, with a great deal of cultural exchange taking place between people of every colour and every religion. By the beginning of the 17th century, however, this started to change: as the number of encounters with foreign cultures increased, "color emerg[ed] as the most important criterion for defining otherness" (Neill). As Mandela would have put it, Venetians started to learn hating others in behalf of their skin colour. And precisely this kind of development is illustrated in Othello: the Moor, who is actually a prime example for successful integration, has to endure an increasing degree of enmities and discriminations as racist sentiments begin to emerge in Venetian society — sentiments even Othello himself cannot resist.

A brave vessel, who had, no doubt, some noble creature in her, dash'd all to pieces. O, the cry did knock against my very heart. Poor souls, they perish'd. Had I been any god of power, I would have sunk the sea within the earth, or ere it should the good ship so have swallow'd and the fraughting souls within her. PROSPERO.
