

Paul And The Thessalonians The Philosophic Tradition Of Pastoral Care

Morris's revised study on the Epistles to the Thessalonians is part of The New International Commentary on the New Testament. Prepared by some of the world's leading scholars, the series provides an exposition of the New Testament books that is thorough and fully abreast of modern scholarship yet faithful to the Scriptures as the infallible Word of God.

Charles Swindoll's practical study of the books of Matthew through 1 Thessalonians is part of God's Masterwork, a five-volume overview of the Bible that lays a foundation for a lifetime of personal Bible study and application.

Essay from the year 2012 in the subject Theology - Biblical Theology, grade: 1,2, San Diego State University, course: Christianity, language: English, abstract: The letters Paul wrote to the early churches he established in the Mediterranean take the most prominent place in the New Testament. The oldest book in the New Testament is Paul's first letter to the Thessalonians which he wrote to the Thessalonian church in the early 50s. On that account the available essay will focus on the contribution of Paul's first letter to the Thessalonians to early Christianity.

Enlarged print edition now available! Tom Wright's eye-opening comments on these letters are combined, passage-by-passage, with his fresh and inviting new translation of the Bible text. Making use of his true scholar's understanding, yet writing in an approachable and anecdotal style, Wright captures the tension and excitement of the time as the letters seek to assert Paul's authority and his teaching against other influences. Tom Wright has undertaken a tremendous task: to provide guides to all the books of the New Testament, and to include in them his own translation of the entire text. Each short passage is followed by a highly readable discussion with background information, useful explanations and suggestions, and thoughts as to how the text can be relevant to our lives today. A glossary is included at the back of the book. The series is suitable for group study, personal study, or daily devotions.

In this addition to the critically acclaimed BECNT series, respected New Testament scholar Jeffrey Weima offers pastors, students, and teachers the most up-to-date and substantive commentary available on 1-2 Thessalonians. Weima, a Thessalonians expert, experienced teacher, and widely traveled speaker, presents well-informed evangelical scholarship at an accessible level to help readers understand the sociological, historical, and theological aspects of these letters. As with all BECNT volumes, this commentary features the author's detailed interaction with the Greek text, extensive research, thoughtful chapter-by-chapter exegesis, and a user-friendly design. It admirably achieves the dual aims of the series--academic sophistication with pastoral sensitivity and accessibility.

David Luckensmeyer gelingt durch die Untersuchung der eschatologischen Motive ein hervorragender Zugang zum ersten Thessalonicherbrief. Er analysiert die grundlegenden Richtungen des enthaltenen Diskurses erstmalig, und verdeutlicht sowohl die Rhetorik wie auch die Briefstruktur des 1. Briefes an die Thessalonicher. Durch diese Zugangsweise lassen sich die verschiedenen eschatologischen Motive als Teil einer systematischen Aufforderung des Verfassers an eine Gemeinde verstehen, die einen Konflikt zu bestehen hat. Luckensmeyer verdeutlicht die Eschatologie als den besten hermeneutischen Schlüssel, um die systematischen Aspekte des Briefes zu interpretieren. Es besteht kein Zweifel: Eschatologische Motive sind im Überfluss vorhanden, etwa in 1,9–10; 2,13–16; 4,13–18 oder 5,1–11. Der Frage, auf welche Weise diese Motive die Absichten des Paulus in seinem Schreiben verdeutlichen, widmet sich Luckensmeyer ganz besonders. Paulus kann verständlich machen, warum die Thessalonicher im Konflikt leben und sie zugleich zu einem neuen Verständnis von Gemeinde ermutigen. Die ausführliche Bibliographie gibt einen guten Überblick über die neueste Sekundärliteratur und verschiedene Register erleichtern den Zugang.

The new church at Thessalonica is under fierce attack. Opposing Jewish leaders have caused a riot and driven the church-planting team out of town. But amazingly, against all odds, the new congregation begins to grow and attract converts from the pagan population of the city. What's more, it becomes a model congregation among the fledgling Christian movement in the Mediterranean region. 1 and 2 Thessalonians, written about 50 AD, are the earliest documents in the New Testament. They reveal the Apostle Paul's heart and passion as he seeks to guide this congregation towards health and balance. In 1 and 2 Thessalonians you'll learn important truths about Christ's coming -- specifically regarding the rapture and the Antichrist. Paul explains how to deal with overly-dependent members, God's grace in selecting his children, the heart and character of a disciple-maker, a high view of sexual purity, and keys to a healthy Christian congregation. This volume covers the two letters in nine lessons. Classes and small groups will find this a helpful curriculum guide to their study 1 and 2 Thessalonians with links to free participant handouts, as well as thorough preparation for the leader. Thought-provoking questions will stimulate many insightful discussions. These heavily-footnoted lessons provide most of the research that preachers and teachers will need. At the same time, these lessons will inspire and challenge the individual reader to grow as a disciple.

This book breaks new ground in offering an exposition of the theological message of the Shorter Pauline Letters. Karl P. Donfried puts 1 and 2 Thessalonians in their cultural context, and identifies a number of key themes in these letters, such as the notion of election. I. Howard Marshall's study of Philippians brings out especially the understanding of the theological basis of the Christian life that underlies the letter, while his discussion of Philemon emphasizes how the main theme of the letter is the relation between the gospel and Christian ethics.

The NIV Study Bible is the #1 bestselling study Bible in the world's most popular modern English Bible translation---the New International Version. This best-loved NIV Study Bible features a

stunning four-color interior with full-color photographs, maps, charts, and illustrations. One look inside this stylish white Italian Duo-Tone™ edition reveals why this Bible is a favorite for over nine million people.

In this commentary Gene Green reads Paul's two letters to the Thessalonians in light of the canon of Scripture and of new knowledge about the first-century world of Thessalonica. This fruitful approach helps illuminate the impact of the gospel on its original readers and, in turn, shows how potent a force it can be for the church and society today. The book begins with an in-depth study of the Thessalonians themselves -- their history, land, socioeconomic conditions, and religious environment. This fascinating discussion gives the necessary context for fully appreciating the circumstances surrounding the founding of the city's first church and the subsequent struggles of the Thessalonian believers to live out their Christian faith. The main body of the book provides informed verse-by-verse commentary on 1 & 2 Thessalonians that extracts the fullest possible meaning from these important New Testament texts. As Green's exposition shows, the Thessalonian scriptures are especially valuable as letters of friendship and for showing Paul's pastoral concern for the many areas in which the Thessalonians needed guidance. Some of Paul's purposes are to thank the new believers for their steadfastness amid suffering, to encourage them in their trials, to urge them not to neglect their daily work, and, no less important, to teach them about the future of believers who die before Christ returns. Indeed, the matter of the last things and the second coming of Christ so permeates these texts that they are often called Paul's eschatological letters. Filled with new information about ancient society, this commentary will fast become a standard reference work for Bible study. By carefully bridging the biblical and modern worlds, Green shows with clarity and warmth the continuing relevance of 1 & 2 Thessalonians for contemporary readers.

This unique commentary on Paul's early letters by an outstanding New Testament specialist, provides a broad range of original perspectives of how people have interpreted, and been influenced by, Paul's first two letters. Addresses questions concerning the content, setting, and authenticity of the two Thessalonian letters, drawing on responses from leading scholars, poets, hymn writers, preachers, theologians, and biblical scholars throughout the ages Offers new insights into issues they raise concerning feminist biblical interpretation. Provides a history of two-way influences, as exemplified by Ulrich Luz, Hans Robert Jauss, and Hans-Georg Gadamer Written by Anthony Thiselton, a leading commentator on the Greek New Testament No other book of the Bible gives a clearer sequence and detail of the events surrounding the glorious return of Jesus Christ than the two letters Paul writes to a young church at Thessalonica (Greece) who fear that they will be left behind when that great day comes.

Paul and the Thessalonians The Philosophic Tradition of Pastoral Care Wipf and Stock Publishers

In this fascinating and comprehensive collection of Chinese myths and legends, E. T. C. Werner drew upon material readily available to him as a member of the Chinese government's Historiographical Bureau in Peking. A former barrister and British consul in Foochow, Werner presents a wealth of information illuminating the ideas and beliefs that governed the daily lives of the Chinese people long before the revolutions of the 20th century. Offering a provocative glimpse into a world dominated by traditional rules of etiquette and inhabited by demons, dragon-gods, and spirits, the volume opens with an introductory chapter on the origins of the Chinese people. In succeeding chapters, Mr. Werner's readable, well-illustrated text considers the gods of China and myths of stars, thunder, lightning, wind and rain; of water and fire; of epidemics, medicine, and exorcism; as well as tales about the goddess of mercy, the guardian of the gate of heaven, accounts of how the Monkey became a god, and much more. In addition, 32 striking illustrations depict such traditional deities as the Spirit That Clears the Way, civilian and military Door Gods, the Kitchen-God, Dragon-Gods, the Gods of Happiness, Office, and Longevity, and others. Engrossing and informative, Myths and Legends of China will appeal not only to lovers of folklore but to anyone interested in Chinese art, culture, or philosophy.

The study of Paul's Thessalonian letters is enjoying fresh interest today. These texts are considered by many to be amongst the earliest extant Christian documents. They are included in conversations about early Jewish and Christian apocalypticism. New insights are coming from examination of the religious, socio-cultural, and political contexts of Roman Thessalonica. And, looking back, these letters have played an important role in the development of Christian eschatology. This volume serves as an up-to-date guide to these academic discussions and debates and much more. This volume on 1 and 2 Thessalonians in the Zondervan Critical Introductions to the New Testament series offers a volume-length engagement with subjects that normally only receive short treatments in biblical commentaries or in New Testament Introductions. This volume addresses: Authorship Date Audience Socio-Historical Context Genre Purpose Integrity Textual History Greek Style Structure Argument Other Critical Issues Main Interpretive Issues Reception into the Canon Selected History of Interpretation Bibliography

These studies guide you through Paul's first six letters - leaving you a much deeper and personal understanding of what God was doing.

"This book deals with Paul's practice rather than his theology. It especially traces the way in which Paul established a church in the important city of Thessalonica, the capital city of the Roman province of Macedonia, maintained contact with it in order to ensure its continuing nurture, and instructed its members on how to care for one another. Rather than simply organize a church, Paul founded, shaped, and nurtured a community. In so doing, he was sensitive to the needs of individuals within the community who had committed themselves to new beliefs and a new way of life. Paul was, in fact, engaged in pastoral care, although he does not describe the enterprise in that manner."--from the Introduction

How often have you encountered some bizarre doctrine only to be stunned to hear a Bible verse quoted to support it? With new religious cults springing up almost daily and old ones growing rapidly, this is more and more common. How are they seemingly able to twist Scripture to mean something orthodox Christians have never believed it to mean in two thousand years? James Sire, author of *The Universe Next Door* and *How to Read Slowly*, has isolated twenty separate kinds of reading errors which are characteristically made by cultists as they interpret the Bible. He covers the full range from simple misquotation to complex argumentation which links one slightly eccentric interpretation to another, mixes in a few orthodox readings and ends with a conclusion totally foreign to the biblical world view. Sire also handles twisted translation, overspecification, virtue by association, ignoring the context and other flawed interpretations. A book to help us all become better readers of the Scriptures.

Nowhere else than in 1st and 2nd Thessalonians does the apostle Paul deal so extensively with the second coming of Jesus Christ. Understanding this amazing event is key to developing and sustaining the Christian's hope, discipline, and evangelism. Respected preacher and Bible teacher, John MacArthur, presents yet another comprehensive and compelling commentary in his New Testament Series. Readers will find this resource indispensable for their study of these excellent epistles.

Years ago a movement was begun with the dream of uniting all Christians on the basis of a common purpose (world evangelism) under a common authority, the Word of God. The College Press NIV Commentary Series is a serious effort to join the scholarship of two branches of this unity movement so as to speak with one voice concerning the Word of God. Our desire is to provide a resource for your

study of the New Testament that will benefit you whether you are preparing a Bible School lesson, a sermon, a college course or your own personal devotions. The College Press NIV Commentary Series has been designed for the serious student as well as the growing Christian with features like these. . . -- Biblically sound exegesis -- Clear exposition -- Objective approach -- Concise introductions -- New International Version -- Key word translation -- Easy to use design format -- Practical footnotes -- Quality workmanship -- Fresh style and study format College Press brings you the very best for your study of the New Testament!

The Knowing the Bible series is a resource designed to help Bible readers better understand and apply God's Word. These 12-week studies lead participants through books of the Bible and are made up of four basic components: (1) reflection questions that help readers engage the text at a deeper level; (2) "Gospel Glimpses" that highlight the gospel of grace throughout the book; (3) "Whole-Bible Connections" that show how any given passage connects to the Bible's overarching story of redemption, culminating in Christ; and (4) "Theological Soundings" that identify how historic orthodox doctrines are taught or reinforced throughout Scripture. With contributions from an array of influential pastors and church leaders, these gospel-centered studies will help Christians see and cherish the message of God's grace on every page of the Bible. Over the course of 12 weeks, this study connects Paul's letters to the Thessalonians to the lives of Christians today. These epistles encourage readers by reminding them of the salvation God will bring to all those whom he has called—strengthening them to pursue lives of holiness and love as they anticipate Jesus's return.

Tydale New Testament Commentaries contains the Epistle of 1 & 2 Thessalonians and also book 13.

THE FUTURE LIFE by Rene Pache If we are to live forever in another world, it would be insane to neglect the revelations and the warnings of the Scripture on that subject. --from the Preface This sequel to The Return of Jesus Christ takes a long look at man's post-death existence. After discussing the importance of the subject, this thorough doctrinal study explores biblical concepts of death, the spirit world, resurrection, eternal perdition, and heaven. Throughout the volume, the hereafter is presented as man's chief concern. Since the "here" determines the "after," the reader is forced to decide about his relationship to God. Here are potent studies of future events and their significance for men and women of today

The newest volume in a very popular Catholic Bible study series. It is an in-depth study bible with original essays, study questions, word studies, maps, charts and more.

In this commentary Gordon Fee aims first and foremost to offer a fresh exposition of the text of 1 and 2 Thessalonians. He shows the reader what is in the biblical text, what the text meant in the first century, and what it means now. Fee reveals the logic of each argument or narrative before moving on to the details of each verse, and he concludes each section with a theological-practical reflection on the meaning of the text today. Among other things, Fee explores the occasion for writing for each epistle, restoring 2

Thessalonians to the place it deserves as a full companion to the first letter, rather than merely a tagalong to 1 Thessalonians.

Keep grounded, keep busy, and keep watching. Have you ever been discouraged in your faith? Or wondered if you are staying grounded in what you believe? This was the issue facing the believers in Thessalonica. So Paul compelled them in two letters to not be deceived by false teachers but remain diligent in doing the work set before them as they looked forward to Jesus' return. In this study, bestselling author and pastor Levi Lusko guides you through these letters from Paul, revealing what the apostle's words meant to his original readers and how they apply to you today. You will be encouraged to learn both the content and the context of the letters and then apply the message to your daily life.

Join Levi on a journey through Paul's words to the Thessalonians that will encourage you to stay grounded, remain faithful, and keep being diligent as you wait for Jesus' return.

This study guide includes: Individual access to six streaming video sessions Personal study between sessions 40-day reading plan through 1 & 2 Thessalonians Leader's Guide

The 40 Days Through the Book series is designed to help you actively engage with God's Word. Each study encourages you to read through selected books in the New Testament at least once during the course of the study. As you do, you will gain an understanding of the background and culture of the book or letter, insights into key passages that you might have overlooked before, and clear takeaways that you can apply today to your life. Sessions and video run times: The Word Is Out (1 Thessalonians 1:1–10)

recipient of this package. Code may not be transferred or sold separately from this package. Internet connection required. Eligible only on retail purchases inside the United

States. Void where prohibited, taxed, or restricted by law. Additional offer details inside.

This book concentrates on major Pauline themes and on 1 Thessalonians in its cultural and religious context, as well as exploring other major issues, especially with reference to

chronology and Judaism. The question of Paul's Jewishness is therefore raised with a new urgency. What kind of a Jew was Paul? Why do we find so many coherences between

his language and thought with that of the Community of the Renewed Covenant (i.e. the Essenes)? One of the essays, 'Paul and Qumran', suggests that the Dead Sea Scrolls

offer valuable clues to understanding Pauline language and thought. If, in fact, there was contact between Paul and the Essenes, where would it have taken place? If such

meetings were held, possibly, in the Essene Quarter of Jerusalem, is there a connection between that area and the location of the earliest Christians in Jerusalem? And what

kind of Christians were they and how did they impact on the Apostle's missionary activity? In connection with this discussion of Paul and Judaism, a number of challenges are

offered to the so-called 'New Perspective on Paul', especially in the work of E.P. Sanders and James D. G. Dunn, to suggest that a closer study of the Dead Sea Scrolls raises

serious questions about the appropriateness of their interpretation of both Judaism and Paul, as well as opening new perspectives that will necessitate not only the rethinking of

second temple Judaism, but also the origins of earliest Christianity and the relationship between them.

For over 200 years, scholars have been debating, analyzing and exploring one of the most important books ever written—The Bible—and overturning much of what we know about this sacred library of books. However, a large group of people who actually use this book, mainly lay Christians, aren't aware of this larger, deeper conversation. It is for these people that Spong writes *Re-Claiming the Bible for a Non-Religious World*, a primer on the history and significance of the Bible. In this informal and accessible survey, Spong moves book by book through the Scriptures, introducing their themes and messages by examining the sweep of history in which these books were originally written. What has history taught us? How should we read these stories today? What does it mean for how we live our lives? And why do people tenaciously hold on to so many myths associated with The Bible? There is a vast audience of religiously hungry people eager to explore a meaningful journey into the Bible, and Spong is leading the way with this book.

This exposition on S. Paul's earliest letters offers a new perspective on the first Christian communities.

Paul was the most influential figure in the early Christian church. In this epistle, written to the founders of the church in Rome, he sets out some of his ideas on the importance of faith in overcoming mankind's innate sinfulness and in obtaining redemption. With an introduction by Ruth Rendell

The letters of Paul to the newly founded Christian community at Thessalonica hold a special place within the Christian tradition as possibly the earliest extant Christian writings. They are also of special interest not only for their theological value but for their sociological context. Among the communities established by Paul, the church at Thessalonica appears to have been the only one to have suffered serious external oppression. These two important epistles, then, speak uniquely to contemporary Christians living in a society often ideologically, if not politically, opposed to Christian faith. In this innovative commentary Charles A. Wanamaker incorporates what may be called a social science approach to the study of 1 and 2 Thessalonians, taking into full account the social context that gave rise to Paul's correspondence. While Wanamaker in no way ignores traditional historical-critical, linguistic, literary, and theological approaches to writing a commentary -- in fact, at several points he makes a significant contribution to the questions raised by traditional exegesis -- at the same time he goes beyond previous commentaries on the Thessalonian correspondence by taking seriously the social dimensions both of Christianity at Thessalonica and of the texts of 1 and 2 Thessalonians themselves. In blending traditional exegetical methods with this newer approach, Wanamaker seeks to understand Pauline Christianity at Thessalonica as a socio-religious movement in the first-century Greco-Roman world and attempts to grasp the social character and functions of Paul's letters within this context. A significant and original addition to the literature on 1 and 2 Thessalonians, this commentary will be valuable to scholars, pastors, and students alike.

The second coming of Jesus Christ has profound implications for how Christians live today. Paul shows in his letters to the Thessalonians that the whole of the Christian life—especially our experience of suffering and our work in ministry—is changed when we live in light of the gospel. In this commentary, pastor James H. Grant Jr. applies Paul's message to contemporary churches by moving expositively through 1 & 2 Thessalonians, covering both personal and corporate concerns. This volume traces how Paul shares about events in his life and addresses issues in the church of Thessalonica, unpacking the power of the gospel and what it means for our lives today. The apostle Paul wrote 1 Corinthians to a church struggling with their identity as Christians. Designed to help modern readers understand and apply this biblical letter to their own lives—especially when it comes to fighting sin and interacting with a fallen world—this commentary by pastor Stephen Um explains the biblical text with clarity and insight. Part of Crossway's award-winning *Preaching the Word* commentary series, this volume uses powerful illustrations, engaging anecdotes, and practical applications to help readers truly engage with God's Word in a powerful and authentic way. Furthermore, pastors, teachers, and small group leaders will find valuable assistance in preparing to lead others through the biblical text. Part of the *Preaching the Word* series.
