An inspiring collection of meditations, prayers, and insights designed to facilitate the weekly practice of the 11th step, heightening our conscious contact with God as we understand him. Each year, hundreds of men and women cross the threshold of the Wolfe Street Center in Little Rock, Arkansas. Many of them attend the "Hour of Power," a weekly Sunday morning meeting focused on heightening one's spiritual awareness and growth by focusing on the Eleventh Step of Alcoholics Anonymous: "Sought through prayer and meditation to improve our conscious contact with God as we understood Him, praying only for knowledge of His will for us and the power to carry that out." This special book, designed for weekly study, offers a prayer, a meditation, and related insights from the discussions that emerged during the "Hour of Power."

Sought Through Prayer and Meditation brings the insights of the collective consciousness of the Wolfe Street groups to recovering people everywhere. This book reminds us that if we are vigilant in our spiritual pursuit, we may well achieve what is promised: "a glimpse of that ultimate reality which is God's kingdom." (Geno W.) This book is a call to prayer, a call from lethargy and apathy that is so common today, to effective prayer. This is a call to unlimited prayer; prayer that has great power and obtains wonderful results. Christian prayer is a source of great blessing and it is a means of focusing God's power and might on our needs and problems. It brings great answers, if we will pray. Why limit prayer, when God gives breathtaking answers, when we pray. Prayer has great power and brings wonderful results. It is like unleashing a dam of water, the pent up power rushes out of the reservoir and the power affects everything it contacts, it brings change. This book is a series of articles on prayer. A Call to Prayer is the first of four volumes on the prayer life. These articles were originally published in the online newsletter Voice of Thanksgiving. The articles are intended as lessons in prayer; written to promote thinking about prayer and to encourage further exploration of an effective prayer life. They were also written to foster a growth in devotion to God and the Christian life of faith. These articles are intended to encourage going to the Holy Spirit School of Christian life and prayer, where we learn to pray, not just prayers, but effective faith filled prayers.

Each chapter of the book opens with a wonderful Window Through Time--a story of our history including the call to prayer that led to the mysterious release of Herman Lauster from the Nazi Prison Camp; pioneer stories of such legendary figures as J. W. Buckalew and Paul H. Walker, the stories of prayer and our early Church of God history; profiles of praying leaders and churches; testimonies of God's intervention. It is a relevant book, one that will help you build a strong foundation for the future, without forgetting the past.

Pete Greig is a worldwide authority and the face of a generation when it comes to prayer. One of the founders of the 24-7 prayer movement, he has seen, experienced, and chronicled amazing works of God in the world. While you might imagine him to be puffed up, Pete Greig is entirely the opposite. He is enchanting, down-to-earth, friendly, and most of all, very normal--and yet he tells preposterous tales about prayer (and they're true). He is basically a regular dude who loves to talk with God. How to Pray is written to evoke a passion for prayer in everyone--the committed follower of Jesus as well as the skeptic and the scared. The enormous blessing of How to Pray is that it is accessible, full of surprising stories of answered prayer, and tremendously engaging. The basic idea is that prayer is a conversation between you and God. Pete Greig demystifies and reenchants prayer, helping you to find prayer achievable and enjoyable, and ultimately life-giving and life-changing. How to Pray is designed to be used together with The Prayer Course (a free video curriculum associated with the Alpha course), making it useful for personal and group or church-wide reading. The Way of Transformation is a play on the title of St. Teresa's classic The Way of Perfection. Written for her Discalced Carmelite nuns, it is nonetheless considered Teresa's "operations manual" for anyone genuinely committed to the spiritual life. But by "perfection" she doesn't intend the futile pursuit of idealized flawlessness, as some might think. Rather, Teresa means achieving an authentic human fulfillment—a true becoming of that person we are meant to be. Offering a fresh perspective on St. Teresa's thought, Father Mark O'Keefe draws our attention to the central fact that she considers the virtues—especially love of neighbor, detachment, and humility—as the essential and ever-relevant foundation for her spirituality of prayer. This very human Doctor of the Church teaches that—whether in the 16th century or the 21st—prayer is intimately and necessarily linked with personal transformation. Authentic prayer is never divorced from our daily living: God, Teresa reminds us, "walks among the pots and pans." With attention-catching quotations, helpful questions for personal reflection or group discussion, and its comprehensive index, The Way of Transformation is an excellent resource for any serious student of St. Teresa of Jesus and a must-read for everyone looking to explore Christian spirituality and prayer more deeply and authentically.

The cooling of faith is a reality. It appears that we as a country have become so progressive that we no longer need God. Christians are feeling increasingly like outsiders. How do we remain grounded in Gospel values? Christ himself described the two ways and that few will find the narrow gate (see Matt. 7:14). There is no middle way or compromise with the spirit of the age. Cardinal Ignatius Kung Pin Mei spent 30 years in solitary confinement for refusing to compromise with the prevailing culture. His advice in the face of inhospitality was this: "Practice prayer, which is the most subversive of liberties; it can never be taken from you, and is a source of power and strength. Train yourself in prayer. Begin now, so that you are a fit, skilled practitioner when the need arises." As a Church, it is time to return to basics, The Art of Spiritual Life, an essential component of which is prayer. The Jesus Prayer is a proven technique for turning hearts to God. It is the oldest form of contemplative prayer originating in the Early Church. We encourage our fellow pilgrims to a renewal in the spiritual life, practicing prayer to keep our feet steady on the narrow road. "Prayer and silence will save the world." - Robert Cardinal Sarah

People interested in Centering Prayer often ask: "Which of Father Keating's books should I read first?" This single volume contains the three basic books for the practice of Centering Prayer and its conceptual background. Open Mind, Open Heart deals with how to practice Centering Prayer. Since its first appearance in 1986, this book has been read and used by tens of thousands of people all around in world, including many inmates of U.S. prisons. Father Keating's books have been translated into numerous languages, including Croatian, Czech, Finnish, Japanese, and Korean. A new Spanish translation of Open Mind, Open Heart appeared in 2001. Invitation to Love treats the conceptual background of Centering Prayer rooted as it is in the Christian contemplative heritage. It is a presentation of that heritage in dialogue with contemporary science, especially developmental psychology and anthropology. The Mystery of Christ is a series of homilies based on the liturgical year. It

develops the theological principles on which Centering Prayer is based using the scriptural texts of the liturgical cycle as a primary vehicle of instruction. This instruction is embodied in the principal feasts of the year celebrating the themes of divine light, divine life, and divine love. The trilogy contained in Foundations for Centering Prayer and the Christian Contemplative Life develops the material presented in the Ten-Day Intensive Centering Prayer Workshop, in which the method of Centering Prayer is taught (Open Mind, Open Heart) along with its conceptual background (Invitation to Love). The homilies that were given during the liturgy integrate the method and its conceptual background into the mystery of Christ (hence The Mystery of Christ).

Paulsell encourages us to follow the ancient practice of making the psalmist's words our own and he proposes a way of praying that can become a foundation for a deeper prayer life.

Rich with prayers, thoughts, quotations, and Scriptures, this beautiful gift book teaches readers how to draw closer to God by making prayer a joyful, daily habit. I find prayer to be the best tool available for enduring life's challenges; therefore, I want to share some characteristics of prayer and steps to developing a productive prayer life. In this book, you will find that it is not just about prayer but is also about faith, righteousness, and victorious living that is obtained as a result of prayer and faith in seeking God's purpose and guidance through dedication, meditation, and waiting in an attitude of prayer. Prayer is not always words. In light of all that is said about prayer, it is so simple to do, yet many fail to understand how to pray and get results. Because of the significance of prayer, I want to give a few steps that produce supernatural power bringing results in the life of those who pray. This book gives some basic principles to understand the reality of prayer and the development of a foundation for a powerful prayer life. History has taught us the power of intercessory prayer, and nobody is in more need of our prayers than Catholic priests battling on the front lines for the salvation of souls. Priests are called to fight evil, but they cannot fight it alone. As attacks on the priesthood intensify, you have a vital role to play in supporting priestly renewal and vocations. Those men who have answered God's call depend upon you to wield the most powerful weapon against the evil one - prayer. Here celebrated retreat master and author Kathleen Beckman offers Church-approved ways in which you can contribute to the welfare of the Church. Priests, seminarians, consecrated religious, and laypeople will all benefit from insights into the indispensability of the Catholic priesthood, the mission of praying for priests in the context of the salvation of souls. This manual of spiritual practices includes lectio divina and scriptural rosary reflections for priests, vocations, and reparation. Although both men and women are responsible for priestly renewal, Kathleen explains the special vocation of spiritual motherhood of priests. This vocation is embedded with graces that enable women to work together with Our Lady and the Holy Spirit for the sanctification of priests. Holier priests lead to a holier Church. Because prayer is a source of grace and the

mother of all virtues, you can call down showers of graces upon the priesthood. The Church and her priests need your prayers now more than ever, and here you'll find your special calling from God that must be fulfilled for the salvation of souls. Book jacket.

Few Christians in history are more revered when it comes to prayer and contemplation than St. Teresa of Ávila. Known for her piety and rapturous mystical experiences, many have sought to pursue her path or a path like it. While some have done this formally in the Carmelite orders she established, countless others have grown in their faith and experiences of intimacy with God through her writings and prayers. This is a humble collection of some of St. Teresa's writings and meditations that form a great foundation for building stronger foundations of prayer with the Holy Spirit's guidance.

In *The Necessity of Prayer*, Edward Bounds, a 20th century pastor and lawyer, suggests that prayer is an essential part of the Christian believer's life. He writes, "the Christian soldier, if he fight to win, must pray much." Bounds' book, however, is not simply a list of prayers for one to work through, but also a discourse on the very nature of prayer. He connects the nature of prayer to other features of the Christian life, such as faith, reverence, patience, hope, character, conduct, and faithfulness. Bounds' passion for prayer--which compelled him to write nine books on the topic--shines through in this work, and cannot but help motivate those who read it to also see the necessity of prayer. Perfect for individual study, Bounds' book is sure to change the way one prays. -Tim Perrine, CCEL Staff Writer

Christians are taught in their churches and schools that prayer is the most powerful way to experience God. But few receive instruction or guidance in how to make prayer genuinely meaningful. In *Prayer*, pastor Timothy Keller delves into the many facets of this everyday act. Keller offers biblical guidance as well as specific prayers for certain situations, such as dealing with grief, loss, love, and forgiveness. He discusses ways to make prayers more personal and powerful, and how to establish a practice of prayer that works for each reader.
