When we think of them in a circle and use them a little differently, then the words will be more familiar to us. This book is about a Red Road, Medicine Wheel Journey to Wellbriety--to

This book will stay with me for a long long time and definitely on my favs of 2020!’ Goodreads Reviewer, ?????? I will not think about it anymore. I won’t think about her. My lost little sister with her beautiful smile, her chestnut-coloured eyes. My sister who I couldn’t protect. If you passed Alice on the street, you couldn’t help but smile. At how she holds hands with her husband, Jack, who she has been with since she was at university. At the way she admires her three boys, the centre of her universe. But if you looked very closely, you’d see how tightly she holds Jack’s hand, afraid to let go. You’d see how carefully she watches her boys, scared to look away. You’d see her smile fading in a matter of seconds, and the pain she hides behind her eyes. She has told Jack that she ran away from home when she was younger – but she didn’t tell him the whole story. Her husband doesn’t know about the guilt she bears about her little sister she failed to save. Now, after a

God Delights in You! Imagine a girl on a swing: leaning backward and easily pumping her legs back and forth, closing her eyes while the wind blows through her hair. She is safe, she is secure, she is free and forgiven. Perhaps you find yourself thinking, I want to feel loved and safe and secure. I want to feel free. I want to turn my face toward heaven and experience God's smile . Did you know that girl can be you? Because God's love—a love not based upon your performance, but on Christ's—proclaims the truth that you are His and He is glad He chose you. This freedom in Christ is meant to become a part of you, something you relish every day. It's like learning how to swing: it can't ever be unlearned. So climb on...your time to soar has arrived! Who Is that Girl on a Swing? She's free. She's safe. She's secure. She's forgiven. She's happy. She's a child of God. And so are you. With warm understanding, refreshing humor, and striking biblical honesty, Nancy Kennedy reflects on the ways women often keep themselves from enjoying the freedom that's already theirs. Because not only do you belong to God, He is glad He chose you. Not only does He love you unconditionally, He likes you! And not only does He lavish you with grace, He smiles upon you. Once you learn how to swing, you can't un-learn it. Once you know true freedom in Christ, you can't un-know it. It's yours for good (and it's a lot fun). So climb on...it's time to soar! Endorsements "Ahhh. Nancy 's words let me be my imperfect self and still know that there is no wind strong enough to release me from my Father's grip." Karon Phillips

Heather Kopp author of *Roar: A Christian Family Guide to the Chronicles of Narnia Story Behind the Book* *The Story Behind the Book* "Girl on a Swing came from a greeting card image where a young girl is soaring on a swing. She's free and at peace, with herself and her surroundings. As I studied that image I came to realize that the girl is me—because in Christ I am free and at rest. God smiles on His own, and I am at peace. But my experience as a speaker at women's retreats has shown me that many women have difficulty believing that for themselves. This book will help them grasp the truth."

On August 29, 2005, Hurricane Katrina made landfall near New Orleans leaving death and destruction across the Louisiana, Mississippi, and Alabama Gulf Coast counties. The lethargic and inept emergency response that followed exposed institutional flaws, poor planning, and false assumptions that are built into the emergency response and homeland security plans and programs. Questions linger: What went wrong? Can it happen again? Is our government equipped to plan for, mitigate, respond to, and recover from natural and manmade disasters? Can the public trust government response to be fair? Does race matter? Racial disparities exist in disaster response, cleanup, rebuilding, reconstruction, and recovery. Race plays out in natural disaster survivors' ability to rebuild, replace infrastructure, obtain loans, and locate temporary and permanent housing. Generally, low-income and people of color disaster victims spend more time in temporary housing, shelters, trailers, mobile homes, and hotels - and are more vulnerable to permanent displacement. Some 'temporary' homes have not proved to be that temporary. In exploring the geography of vulnerability, this book asks why some communities get left behind economically, spatially, and physically before and after disasters
