A teenage boy on trial can see and heal the human light fields, drawing comparisons to Christ while the world argues over his case. Sequel to *The Little Universe*, Jim gets his wish for the full human experience. Nurses want to sleep with him, skeptics to debunk him, patients need his healing touch, and still others want to train him to use his gifts and be the teacher he was destined to become.

A Fractured Europe. A Parallel World. A Global Threat. Union has come. The Community is now the largest nation in Europe; trains run there from as far afield as London and Prague. It is an era of unprecedented peace and prosperity. So what is the reason for a huge terrorist outrage? Why do the Community and Europe meet in secret, exchanging hostages? And who are *Les Coureurs des Bois*? Along with a motley crew of strays and mafiosi and sleeper agents, Rudi sets out to answer these questions – only to discover that the truth lies both closer to home and farther away than anyone could possibly imagine.

Red Sparrow is now a major motion picture starring Jennifer Lawrence and Joel Edgerton! Now available in a single collection, the complete electrifying New York Times bestselling trilogy—*Red Sparrow*, *Palace of Treason*, and *The Kremlin's Candidate*—“a primer in twenty-first-century spying...terrifically good” (*The New York Times Book Review*) from veteran CIA officer Jason Matthews. In present-day Russia, ruled by President Vladimir Putin, Russian intelligence officer Dominika Egorov struggles to survive in the post-Soviet intelligence jungle. Forced to become a “Sparrow”—a spy trained in the art of seduction to elicit information from unsuspecting marks—she’s been assigned to Nathaniel Nash, a CIA officer who handles the organization’s most sensitive Russian intelligence. The action in *The Red Sparrow Trilogy* careens between Russia, France, Hong Kong, Turkey, Greece, Italy, and the United States as these two young intelligence officers, trained in their respective spy schools, collide in a charged atmosphere of deception and a forbidden spiral of carnal attraction that threatens both their careers and consumes intelligence agencies from Moscow to the highest offices in the US government. In each book they confront not only the shadows and intrigues of the Russian and American intelligence networks but highly trained, cold-blooded killers assigned to destroy them. With a plot ripped from tomorrow’s headlines, and written with sophisticated brio, *The Red Sparrow Trilogy* has been hailed as a monumental accomplishment “as suspenseful and cinematic as the best spy movies” (*The Philadelphia Inquirer*); “fans of the genre’s masters including John le Carré and Ian Fleming will happily embrace Matthews’s central spy” (*USA TODAY*). Collected together, the three novels form a stunning masterwork of suspense, intrigue, sex, and violence.

“[Le Carré’s] novels are so brilliant because they’re emotionally and psychologically absolutely true, but of course they’re novels.” —New York Times Book Review A thrilling tale for our times from the undisputed master of the spy genre Nat, a 47 year-old veteran of Britain’s Secret Intelligence Service, believes his years as an agent runner are over. He is back in London with his wife, the long-suffering Prue. But with the growing threat from Moscow Centre, the office has one more job for him. Nat is to take over The Haven, a defunct substation of London General with a rag-tag band of spies. The only bright light on the team is young Florence, who has her eye on Russia Department and a Ukrainian oligarch with a finger in the Russia pie. Nat is not only a spy, he is a passionate badminton player. His regular Monday evening opponent is half his age: the introspective and solitary Ed. Ed hates Brexit, hates Trump and hates his job at some soulless media agency. And it is Ed, of all unlikely people, who will take Prue, Florence and Nat himself down the path of political anger that will ensnare them all. Agent Running in the Field is a chilling portrait of our time, now heartbreaking, now darkly humorous, told to us with unflagging tension by the greatest chronicler of our age.

The #1 New York Times bestseller and subject of the acclaimed major motion picture Bridge of Spies directed by Steven Spielberg, starring Tom Hanks as James B. Donovan. Originally published in 1964, this is the “enthraling...truly remarkable” (The New York Times Book Review) insider account of the Cold War spy exchange—with a new foreword by Jason Matthews, New York Times bestselling author of Red Sparrow and Palace of Treason. In the early morning of February 10, 1962, James B. Donovan began his walk toward the center of the Glienicke Bridge, the famous “Bridge of Spies” which then linked West Berlin to East. With him, walked Rudolf Ivanovich Abel, master spy and for years the chief of Soviet espionage in the United States. Approaching them from the other side, under equally heavy guard, was Francis Gary Powers, the American U-2 spy plane pilot famously shot down by the Soviets, whose exchange for Abel Donovan had negotiated. These were the strangers on a bridge, men of East and West, representatives of two opposed worlds meeting in a moment of high drama. Abel was the most gifted, the most mysterious, the most effective spy in his time.

His trial, which began in a Brooklyn United States District Court and ended in the Supreme Court of the United States, chillingly revealed the methods and successes of Soviet espionage. No one was better equipped to tell the whole absorbing history than James B. Donovan, who was appointed to defend one of his country's enemies and did so with scrupulous skill. In *Strangers on a Bridge*, the lead prosecutor in the Nuremburg Trials offers a clear-eyed and fast-paced memoir that is part procedural drama, part dark character study and reads like a noirish espionage thriller. From the first interview with Abel to the exchange on the bridge in Berlin—and featuring unseen photographs of Donovan and Abel as well as trial notes and sketches drawn from Abel's prison cell—here is an important historical narrative that is “as fascinating as it is exciting” (The Houston Chronicle).

Red Sparrow is now a major motion picture starring Jennifer Lawrence and Joel Edgerton! In the final, thrilling New York Times bestselling installment of the *Red Sparrow* Trilogy, Russian counterintelligence chief Dominika Egorova and her lover, CIA agent Nate Nash, must find a Russian agent about to be appointed to a very high office in the US government. With a plot ripped from tomorrow's headlines, Jason Matthews's high-powered, seductive third novel not only continues the dangerous entanglements of Dominika and Nate but reveals with chilling authenticity how Russian espionage can place agents in the most sensitive positions of power. The novel opens with Russian president Vladimir Putin planning the covert assassination of a high-ranking US official with the intention of replacing him with a mole whom Russian intelligence has cultivated for more than fifteen years. Catching wind of this plot, Dominika, Nate, and their CIA colleagues must unmask the traitor before he or she is able to reveal that Dominika has been spying for years on behalf of the CIA. Any leak, any misstep, will expose her as a CIA asset and result in a one-way trip to a Moscow execution cellar. Along the way, Matthews, a thirty-three-year veteran of the CIA and winner of the Edgar Award for Best First Novel, sets vivid, unforgettable scenes in Moscow; Washington, DC; Hong Kong; New York; the Sudan; and Turkey, and introduces two cold-blooded killers: Iosip Blokhin, a brilliant Spetsnaz military officer, and Grace Gao, ravishing Chinese spy, master of Kundalini yoga, and Beijing-trained seductress. Ultimately, the lines of danger converge on the spectacular billion-dollar presidential palace on the Black Sea during a power weekend with Putin's inner circle. Does Nate sacrifice himself to save Dominika? Does she forfeit herself to protect Nate? Do they go down together? This dazzling finale to Jason Matthews's New York Times bestselling *Red Sparrow* Trilogy, called “a primer in twenty-first-century spying...terrifically good” (The New York Times Book Review), confirms the critical acclaim he received for the first two novels, praise that compared Matthews to John le Carré and Ian Fleming.

Drafted against her will to serve the regime of Vladimir Putin as an intelligence seductress, Dominika Egorova engages in a charged effort of deception and tradecraft with first-tour CIA officer Nathaniel Nash before a forbidden attraction

threatens their careers.

Contributions by Thomas J. Cobb, Donna A. Gessell, Helena Goscilo, Cyndy Hendershot, Christian Jimenez, David LaRocca, Lori Maguire, Tatiana Prorokova-Konrad, Ian Scott, Vesta Silva, Lucian Tion, Dan Ward, and Jon Wiebel In recent years, Hollywood cinema has forwarded a growing number of images of the Cold War and entertained a return to memories of conflicts between the USSR and the US, Russians and Americans, and communism and capitalism. Cold War II: Hollywood's Renewed Obsession with Russia explores the reasons for this sudden reestablished interest in the Cold War. Essayists examine such films as Guy Ritchie's *The Man from U.N.C.L.E.*, Steven Spielberg's *Bridge of Spies*, Ethan Coen and Joel Coen's *Hail, Caesar!*, David Leitch's *Atomic Blonde*, Guillermo del Toro's *The Shape of Water*, Ryan Coogler's *Black Panther*, and Francis Lawrence's *Red Sparrow*, among others, as well as such television shows as *Comrade Detective* and *The Americans*. Contributors to this collection interrogate the revival of the Cold War movie genre from multiple angles and examine the issues of patriotism, national identity, otherness, gender, and corruption. They consider cinematic aesthetics and the ethics of these representations. They reveal how Cold War imagery shapes audiences' understanding of the period in general and of the relationship between the US and Russia in particular. The authors complicate traditional definitions of the Cold War film and invite readers to discover a new phase in the Cold War movie genre: Cold War II.

A novel of international espionage and personal vengeance from the author Lee Child called “better than John Le Carré.” Many years ago, a young American spy crossed the wrong people and found himself on the wrong side of Headquarters. He soon fell into a slow, shameful decline of poverty and self-destruction. But Headquarters didn’t count on him having a son. Now, years later, the boy is an American spy himself, serving two masters: Headquarters and his own insatiable need for revenge. Sent to Argentina to infiltrate a revolutionary group with deep ties to Russia, the young man finds himself dangerously drawn to his target’s daughter. Yet, despite the passion between them, he refuses to lose sight of his ultimate goal: destroying the institution that ruined his father all those years ago. “Set in a post–9/11 world, [but] satisfyingly steeped in undercover tales of a particular vintage” (The Washington Post), Mulberry Bush is an intricate and sexy espionage thriller from one of the most acclaimed writers in the game. “McCarry spins his riveting story in unexpected ways; the writing is always subdued but brilliant, leading unsuspecting readers to collide straight into the unforgiving wall of a stunning ending.” —Publishers Weekly, starred review

"Captain Dominika Egorova of the Russian Intelligence Service (SVR) has returned from the West to Moscow. She despises the men she serves, the oligarchs, and crooks, and thugs of Putin's Russia. What no one knows is that Dominika is working for the CIA as Washington's most sensitive penetration of SVR and the Kremlin. As she expertly dodges exposure, Dominika deals with a murderously psychotic boss; survives an Iranian assassination attempt; escapes a counterintelligence ambush; rescues an arrested agent and exfiltrates him out of Russia; and has a chilling midnight conversation in her nightgown with President Putin. Complicating these risks is the fact that Dominika is in love with her CIA handler, Nate Nash, and their lust is as dangerous as committing espionage in Moscow. And when a mole in the SVR finds Dominika's name on a restricted list of sources, it is a virtual death sentence ..."--Amazon website.

From the spymaster and inspiration for the movie Argo, discover the "real-life spy thriller" of the brilliant but under-supported CIA operatives who developed breakthrough spy tactics that helped turn the tide of the Cold War (Malcolm Nance). Antonio Mendez and his future wife Jonna were CIA operatives working to spy on Moscow in the late 1970s, at one of the most dangerous moments in the Cold War. Soviets kept files on all foreigners, studied their patterns, and tapped their phones. Intelligence work was effectively impossible. The Soviet threat loomed larger than ever. The Moscow Rules tells the story of the intelligence breakthroughs that turned the odds in America's favor. As experts in disguise, Antonio and Jonna were instrumental in developing a series of tactics -- Hollywood-inspired identity swaps, ingenious evasion techniques, and an armory of James Bond-style gadgets -- that allowed CIA officers to outmaneuver the KGB. As Russia again rises in opposition to America, this remarkable story is a tribute to those who risked everything for their country, and to the ingenuity that allowed them to succeed.

“Stewart O’Nan’s City of Secrets will keep you up all night reading – what a beautifully crafted novel.” – Alan Furst, New York Times bestselling author of Mission to Paris From master storyteller Stewart O’Nan, author of Henry, Himself and Emily, Alone, a timely moral thriller of the Jewish underground resistance in Jerusalem after the Second World War In 1945, with no homes to return to, Jewish refugees by the tens of thousands set out for Palestine. Those who made it were hunted as illegals by the British mandatory authorities there and relied on the underground to shelter them; taking fake names, they blended with the population, joining the wildly different factions fighting for the independence of Israel. From master storyteller Stewart O’Nan, author of Emily, Alone and Henry, Himself, City of Secrets follows one

survivor, Brand, as he tries to regain himself after losing everyone he's ever loved. Now driving a taxi provided—like his new identity—by the underground, he navigates the twisting streets of Jerusalem as well as the overlapping, sometimes deadly loyalties of the resistance. Alone, haunted by memories, he tries to become again the man he was before the war—honest, strong, capable of moral choice. He falls in love with Eva, a fellow survivor and member of his cell, reclaims his faith, and commits himself to the revolution, accepting secret missions that grow more and more dangerous even as he begins to suspect he's being used by their cell's dashing leader, Asher. By the time Brand understands the truth, it's too late, and the tragedy that ensues changes history. A noirish, deeply felt novel of intrigue and identity written in O'Nan's trademark lucid style, *City of Secrets* asks how both despair and faith can lead us astray, and what happens when, with the noblest intentions, we join movements beyond our control.

Nothing prepares Jaya, a New York journalist, for the heartbreak of her third miscarriage and the slow unraveling of her marriage in its wake. Desperate to assuage her deep anguish, she decides to go to India to uncover answers to her family's past.

The "terrifically good" (The New York Times Book Review) finale in the New York Times bestselling *Red Sparrow* trilogy continues the dangerous entanglements of Russian counterintelligence chief Dominika Egorova and her lover, CIA agent Nate Nash, on the hunt for a Russian agent working in the US government. Russian president Vladimir Putin is planning the covert assassination of a high-ranking US official with the intention of replacing him with a mole whom Russian

intelligence has cultivated for more than fifteen years. Catching wind of this plot, Dominika, Nate, and their CIA colleagues must unmask the traitor before he or she is able to reveal that Dominika has been spying for years on behalf of the CIA. Any leak, any misstep, will expose her as a CIA asset and result in a one-way trip to a Moscow execution cellar. Ultimately, the lines of danger converge on the spectacular billion-dollar presidential palace on the Black Sea during a power weekend with Putin's inner circle. Does Nate sacrifice himself to save Dominika? Does Dominika forfeit herself to protect Nate? Do they go down together? With a plot ripped from tomorrow's headlines, *The Kremlin's Candidate* is "both timely and timeless; an espionage tale that takes the reader behind and beyond the headlines of Russia's assault on America" (Nelson DeMille).

Red Sparrow is now a major motion picture starring Jennifer Lawrence and Joel Edgerton! The thrilling sequel to *Red Sparrow*—CIA insider Jason Matthews's compulsively readable New York Times bestseller and Edgar Award winner—featuring Russian spy Dominika Egorova and CIA agent Nate Nash "shimmers with authenticity. The villains are richly drawn...the scenes of them on the job are beyond chilling" (The New York Times Book Review). Captain Dominika Egorova of the Russian Intelligence Service despises the oligarchs, crooks, and thugs of Putin's Russia—but what no one knows is that she is also working for the CIA. Her "sparrow" training in the art of sexual espionage further complicates the mortal risks she must take, as does her love for her handler Nate Nash—a shared lust that is as dangerous as treason. As Dominika expertly dodges exposure, she deals with a murderously psychotic boss, survives an Iranian assassination attempt and attempts to rescue an arrested double agent—and thwart Putin's threatening flirtations. A grand, wildly entertaining ride through the steel-trap mind of a CIA insider, *Palace of Treason* is a story "as suspenseful and cinematic as the best spy movies" (The Philadelphia Inquirer)—one that feels fresh and so possible, in fact, that it's doubtful this novel can ever be published in Russia.

NEW YORK TIMES BESTSELLER • The celebrated author of *Double Cross* and *Rogue Heroes* returns with his greatest spy story yet, a thrilling Americans-era tale of Oleg Gordievsky, the Russian whose secret work helped hasten the end of the Cold War. "The best true spy story I have ever read."—JOHN LE CARRÉ Named a Best Book of the Year by The Economist • Shortlisted for the Bailie Giffords Prize in Nonfiction If anyone could be considered a Russian counterpart to the infamous British double-agent Kim Philby, it was Oleg Gordievsky. The son of two KGB agents and the product of the best Soviet institutions, the savvy, sophisticated Gordievsky grew to see his nation's communism as both criminal and philistine. He took his first posting for Russian intelligence in 1968 and eventually became the Soviet Union's top man in London, but from 1973 on he was secretly working for MI6. For nearly a decade, as the Cold War reached its twilight, Gordievsky helped the West turn the tables on the KGB, exposing Russian spies and helping to foil countless intelligence

plots, as the Soviet leadership grew increasingly paranoid at the United States's nuclear first-strike capabilities and brought the world closer to the brink of war. Desperate to keep the circle of trust close, MI6 never revealed Gordievsky's name to its counterparts in the CIA, which in turn grew obsessed with figuring out the identity of Britain's obviously top-level source. Their obsession ultimately doomed Gordievsky: the CIA officer assigned to identify him was none other than Aldrich Ames, the man who would become infamous for secretly spying for the Soviets. Unfolding the delicious three-way gamesmanship between America, Britain, and the Soviet Union, and culminating in the gripping cinematic beat-by-beat of Gordievsky's nail-biting escape from Moscow in 1985, Ben Macintyre's latest may be his best yet. Like the greatest novels of John le Carré, it brings readers deep into a world of treachery and betrayal, where the lines bleed between the personal and the professional, and one man's hatred of communism had the power to change the future of nations.

When a woman's body is found in a seedy hotel near Ground Zero, the techniques are pulled from a cult classic of forensic science that Pilgrim wrote under a pen name. In offering the NYPD assistance with the case, Pilgrim gets pulled back into the intelligence underground.

Urgent, topical and shot through with insider knowledge, the final thriller in the Red Sparrow trilogy is writing on a grand scale. 'Matthews

beguilingly blends the fun and sexiness of Ian Fleming with the more procedural, information-rich approach of John le Carre and Frederick Forsyth' Sunday Times 'A provocative and timely novel exploring the notion of Russian influence in the US's corridors of power' Guardian Russian counterintelligence chief Colonel Dominika Egorova has been an asset of the CIA for over seven years. She has also been in a forbidden and tumultuous love affair with her handler Nate Nash, mortally dangerous for them both, but irresistible. In Washington, a newly installed administration is selecting its cabinet members. Dominika hears whispers of a Russian operation to place a mole in a high intelligence position. If the candidate is confirmed, the Kremlin will have access to the identities of CIA assets in Moscow, including Dominika. Dominika recklessly immerses herself in the palace intrigues of the Kremlin, searching for the mole's identity and stealing secrets before her time runs out.
