

Sam Adeyemi Book

“Smart and funny, with characters so real and vulnerable, you want to send them care packages. I loved this book.” —Rainbow Rowell From debut author Mary H.K. Choi comes a compulsively readable novel that shows young love in all its awkward glory—perfect for fans of *Eleanor & Park* and *To All the Boys I've Loved Before*. For Penny Lee, high school was a total nonevent. Her friends were okay, her grades were fine, and while she'd somehow landed a boyfriend, they never managed to know much about each other. Now Penny is heading to college in Austin, Texas, to learn how to become a writer. It's seventy-nine miles and a zillion light years away from everything she can't wait to leave behind. Sam's stuck. Literally, figuratively, emotionally, financially. He works at a café and sleeps there too, on a mattress on the floor of an empty storage room upstairs. He knows that this is the god-awful chapter of his life that will serve as inspiration for when he's a famous movie director but right this second the seventeen bucks in his checking account and his dying laptop are really testing him. When Sam and Penny cross paths it's less meet-cute and more a collision of unbearable awkwardness. Still, they swap numbers and stay in touch—via text—and soon become digitally inseparable, sharing their deepest anxieties and secret dreams without the humiliating weirdness of having to, you know, see each other.

Nigerian-British Politicians in United Kingdom and Republic of Ireland: A Book of Profiles' is a publication listing both serving and rested councillors, Greater London Assembly (GLA) members and Members of Parliament (MPs) in the United Kingdom who are of Nigerian ancestry. The book also features the profile of a Nigerian-born Mayor in the Republic of Ireland. A pioneering publication, it has both historical and referential relevance, and will further encourage active participation in community politics.

"If you truly want to improve your life, read this book!" - JOHN P. FOPPE "In this book, Aruosa has set down some of the rules of the game of life. He has expressed some breakthrough ideas ... Nothing Succeeds like Excess are new thoughts . . . " - POJU OYEMADE Excess, as defined by Aruosa Osemwegie, is a consciousness, a willingness to think and execute ideas in a quality and amount that is beyond what is presently acceptable, expected or reasonable. Nothing Succeeds like Excess sets out to set young people free...truly free to live their dreams...truly free to choose and express themselves...expressing themselves maximally. Young people have become imprisoned or immobilized by lack of capital, lack of jobs, lack of sensitive leadership and the advice that we should wait for our time. But we have waited, and waited and waited..."So what do we do"? Gigantic challenges require gigantic solutions... massiveness...excess. Too many young people, all over the place, instead of appreciating, exploiting and maximizing their youthfulness or singleness are rather on a race to become or to look older. What is the result? The defining period of our lives is put on hold! Or allowed to fly past - UNLIVED. What a tragedy! "So what should we do"? Embrace Excess. Did you know that in their youth Steve Jobs, Aliko Dangote, David Oyedepo, Ben Murray-Bruce, Sam Adeyemi, Cosmas Maduka, Martin Luther-King Jnr, Bill Gates, Ben Carson, Jay Z . . . all embraced Excess? Nothing Succeeds like Excess lays it all bare. Is there something common to the success of Facebook, Daystar, GTBank, Glo, Harry Porter, and the iPad? Find out inside Nothing

Succeeds like Excess and re-launch your destiny today. This is the revolution! "This book leaves the reader with renewed confidence to do so much more. . . It speaks invaluable wisdom, and challenges some widely-held beliefs about the word "excess." I recommend this book to every youth - and youth-at-heart - for its timeless insight" - FOLA ADEOLA "Aruosa Osemwegie has the unusual ability to decode the needs of the younger generation today. No wonder his writings proffer solutions that are generated to bring results. Nothing Succeeds like Excess will launch the reader out of the realm of average unto new levels of excellence" - SAM ADEYEMI

Ideal for high school students and undergraduates, this volume explores contemporary life and culture in Libya. * Two dozen black-and-white images * A glossary of terms

When Moses stood on Mount Pisgah, he looked over the Promised Land, a destiny that he would never reach because of his disobedience. Author Abayomi Akinyemi uses Moses' path to Pisgah as a metaphor to describe the tactics Satan uses to deceive, distract, weaken, and tempt people away from God's will for their lives. The path to Pisgah represents a place of destroyed destiny, unrealized dreams, passionate pleas, failure at the edge of breakthrough, loss of the fruit of your labor, and substitution or replacement. Author Akinyemi describes how you can avoid these pitfalls to live a fulfilled life, increase your effectiveness in ministry, experience a heightened awareness of Satan's schemes and knowledge of how to overcome them, and enjoy an unhindered relationship with God. Special prayers at the end of each chapter help guide readers into achieving freedom from past and potential mistakes. This book is an eye-opener that reveals how Satan seeks to cut short and destroy the destiny of every believer. Author Information Abayomi "Yomi" Akinyemi is a willing vessel in God's hands and a testimony to what God can do with an ordinary person. An evangelist by calling and a teacher of the Word, Yomi has served in various church ministries, including that of prayer and deliverance. Yomi is the founder of Kingdom for the Forceful Ministries. He has a bachelor of science degree from the University of Lagos, Nigeria, and was pursuing a masters degree in business administration at the university of Nevada, Reno, prior to accepting God's call to go to Bible college. He is currently pursuing his MBA at Ashland University. He is married to Toyin, and they are blessed with three children. They currently reside in Columbus, Ohio.

African dance is discussed here in its global as well as local contexts as a powerful vehicle of aesthetic and cultural exchange and influence.

Generational dialogues between 40 world-renowned creatives exploring how the creative legacy of previous generations is being reinterpreted over time. Description What is this phenomenon we call 'legacy'? This intangible inheritance that we eventually leave for our posterity? Is it the creative and intellectual heritage that one generation passes on to the next? Conceived by Lukas Feireiss, the book at hand tries to probe this open question by engaging in critical dialogue different generations of creatives, connectors and thinkers alike. In some cases, between inherent legacy of parent and child, in many cases between mentor and students, or simply between friends. The more than 40 illustrious contributors to this dialogue derive from an array of fields of knowledge and experience. Their stories often provide very personal insights into their work and life. They also reveal a broader

perspective on the overall realms of art, design, architecture, music, literature, photography and curation in the 20th and 21st century. With contributions by Olafur Eliasson and Einar Thorsteinn, Lukas Feireiss and Ai Weiwei, Charlie and Rem Koolhaas, Francesca Gavin and Kerry James Marshall, Sophie Lovell and Dieter Rams, Hans-Ulrich Obrist and Yona Friedman, Shumon Basar and Ken Adam, Carson Chan and Phyllis Lambert, Rachel and Daniel Libeskind, Andres Ramirez and Denise Scott Brown, Aric Chen and Arata Isozaki, Ahmir Questlove Thompson and George Clinton and many more.

A GOOD MORNING AMERICA BOOK CLUB PICK “Meet Tomi Adeyemi—the new J.K. Rowling. (Yep, she’s that good).”

—Entertainment Weekly After battling the impossible, Zélie and Amari have finally succeeded in bringing magic back to the land of Orïsha. But the ritual was more powerful than they could’ve imagined, reigniting the powers of not only the maji, but of nobles with magic ancestry, too. Now, Zélie struggles to unite the maji in an Orïsha where the enemy is just as powerful as they are. But when the monarchy and military unite to keep control of Orïsha, Zélie must fight to secure Amari’s right to the throne and protect the new maji from the monarchy’s wrath. With civil war looming on the horizon, Zélie finds herself at a breaking point: she must discover a way to bring the kingdom together or watch as Orïsha tears itself apart. Children of Virtue and Vengeance is the stunning sequel to Tomi Adeyemi’s New York Times–bestselling debut Children of Blood and Bone, the first book in the Legacy of Orïsha trilogy.

Praise for Children of Blood and Bone: “Poses thought-provoking questions about race, class and authority that hold up a warning mirror to our sharply divided society.” –The New York Times

A GUIDE FOR YOUNG AFRICANS ON HOW TO TURN THEIR INHERENT TALENTS INTO SUCCESS ANYWHERE IN THE WORLD

He faced many life challenges from childhood to adulthood, but nothing compares to the pain and anguish of being diagnosed with Acute Myeloid Leukaemia twice in ten years. In NOT UNTO DEATH, David takes the reader through his journey of fear, anxiety, diagnosis, treatment, and healing This is a journey that started with complete disbelief that cancer could strike him, through acceptance and exercising faith to overcome great adversities. At the core of the book is the fact that no matter what we have in life, health is wealth. David shares his experience of how his social network, positive mindset and faith in the unending grace of God helped him overcome cancer not once but twice! Using the powerful testimonies and inspiring words in this book, you will learn how to release the ability and grace of God not only for your healing but all aspect of your life.

The Second Chance provides cancer survivors with online tools to manage side effects from cancer treatment, cope with stress, improve health habits, communicate better with their health care teams, ask for support from family and friends, and correct wrong notions which people have about cancer. The Second Chance is all out to empower cancer survivors by giving them the information they need to help identify issues, set goals, and create a plan to navigate the cancer journey more smoothly and take control of their health. In the past, millions of people, the world over, had lost their lives to the cold hands of death as a result of cancer. Nowadays, the number of people who lose their lives to the battles of cancer has drastically reduced. The increasing number of survivors is due in part to advances in early detection and treatment of cancer. It’s also due partly to a growing and

aging population.

Human hostility is not the narrative of a selected few. Since the fall of the grandparents of the human family, Adam and Eve, all humans have continued to participate in the reality of evil. Accordingly, the question is no longer whether evil will strike, but rather, when evil strikes, how should humans, particularly Christians, respond to it? This book offers a relevant and effective theology and ethics for addressing the issue of Christian response to violence in Nigeria and beyond. It situates the whole gamut of the reign of human hostility in its various manifestations: self-interest and greed for power, deception and social injustices, governmental official corruption, terrorism and so on. It encourages humans to take seriously both the fact of God creating humans good and the fall serving as the gateway of evil into the human race. It recognizes the complexity of human problems. Yet it offers possibility for just peacemaking. In spite of the horrific violence across the globe, humans are still able to do tremendous good. Thus the book recognizes the paradox of humanity: humans are capable of doing tremendous good and equally capable of doing tremendous evil.

ABOUT THE BOOK The Yorubas will say "The future is never so distant that it does not arrive." The prophetic future of Nigeria prophesied decades—even centuries ago—are now being fulfilled. 2020 shall go down in Nigerian history not so much as the year of the pandemic but, much more, as the year in which the youths of the nation fought for a new Nigeria. In this tapestry of prophetic words concerning Nigeria, Joseph intends to awaken the sensitivity of Nigerian youths to the prophetic hourglass that makes the discernment of the times possible, and thus, inspire intelligent spiritual warfare for the nation while also making a clarion call for Nigerian youths, home and abroad, to strategically position themselves for active participation in the birth of the New Nigeria. It's a New Day. **ABOUT THE AUTHOR** Joseph Ola is a postgraduate student of African Christianity at Liverpool Hope University and a student of the London Pioneer School. He holds a Master's degree in Biblical and Pastoral Theology from Liverpool Hope University, UK. He is a Youth Mentor, published author, church leader and founder of Alive Mentorship Group, an online mentoring platform for young adults with membership spanning over 60 nationalities. Among his published books are *Waiting Compass: Finding God When He Seems To Delay* and *Young and Found: A 40-Day Devotional for Young Adults and Teens*. He is happily married to Anu and they are blessed with two boys: Joshua O?dodoOlu?wa and Samuel O?ki?ki?Olu?wa.

Young people, wow, what a gift you are holding in your hands! Reading through this book, I can't stop thinking of how lucky you are. You live in a world of lies and deceptions. How precious it is, therefore, to meet somebody that tells you the truth. Truth, in a world of false, is in fact becoming a scarcity. And this is why this book is so precious. I, therefore, wish to express my deepest appreciation to Pastor Ezekiel; for taking the time from his very busy schedule to write this book. Thank you and God bless you! Pastor Sunday Adelaja Founder and Senior Pastor of The Embassy of the Blessed Kingdom of God for All Nations

A humorous and insightful look into what advice works, what doesn't, and what it means to transform yourself, by the co-hosts of the popular *By the Book* podcast. In each episode of their podcast *By the Book*, Jolenta Greenberg and Kristen Meinzer take a deep dive into a different self-help book, following its specific instructions, rules, and advice to the letter. From diet and productivity

to decorating to social interactions, they try it all, record themselves along the way, then share what they've learned with their devoted and growing audience of fans who tune in. In *How to Be Fine*, Jolenta and Kristen synthesize the lessons and insights they've learned and share their experiences with everyone. *How to Be Fine* is a thoughtful look at the books and practices that have worked, real talk on those that didn't, and a list of philosophies they want to see explored in-depth. The topics they cover include: Getting off your device Engaging in positive self-talk Downsizing Admitting you're a liar Meditation Going outside Getting in touch with your emotions Seeing a therapist Before they began their podcast, Jolenta wanted to believe the promises of self-help books, while Kristen was very much the skeptic. They embraced their differences of opinion, hoping they'd be good for laughs and downloads. But in the years since launching the *By the Book*, they've come to realize their show is about much more than humor. In fact, reading and following each book's advice has actually changed and improved their lives. Thanks to the show, Kristen penned the Amish romance novel she'd always joked about writing, traveled back to her past lives, and she broached some difficult conversations with her husband about their marriage. Jolenta finally memorized her husband's phone number, began tracking her finances, and fell in love with cutting clutter. Part memoir, part prescriptive handbook, this honest, funny, and heartfelt guide is like a warm soul-baring conversation with your closest and smartest friends.

When a beautiful princess refuses to marry the prince her father has chosen, her father is furious and locks her in a tower. She has seven long years of solitude to think about her insolence. But the princess is not entirely alone - she has her maid, Dashti. Petulant and spoiled, the princess eats the food in their meagre store as if she were still at court, and Dashti soon realises they must either escape or slowly starve. But during their captivity, resourceful Dashti discovers that there is something far more sinister behind her princess's fears of marrying the prince, and when they do break free from the tower, they find a land laid to waste and the kingdom destroyed. They were safe in the tower, now they are at the mercy of the evil prince with a terrible secret. Thrilling, captivating, and a masterful example of storytelling at its best. The princess's maid is a feisty and thoroughly modern heroine, in this wonderfully timeless story.

Arguably all black communities are dysfunctional and African diaspora communities in prosperous western nations are not exempt. Some scholars have attributed Africans and its diasporas' woes to genetic inferiority. Many argue that Africans' problems are caused by their failure to adopt western democracy and to build strong institutions. This book demonstrates that issues such as the absence of strong institutions and bad leadership are not the root causes of Africa's miseries but are symptoms of more fundamental problems. Using empirical and qualitative studies, this book highlights the six root causes of the unending plight of Africa and its diasporas. It shows that the plight of Africans and African diasporas are interwoven, hence it addresses them concurrently. Femi Akomolafe brings to the fore his invaluable insights as an African who has lived in the UK diaspora for more than a decade in this book. *Black Damage* rests on the premise that the black race is damaged.

Dara's lived a sheltered life with her single mom, Mellie. Now, at eighteen, she's dreaming of more. When Dara digs up her never-before-seen birth certificate, her world implodes. Why are two strangers listed as her parents? Dara confronts her mother, and is stunned by what she learns: Mellie is transgender. The unfamiliar name listed under "father"? That's Mellie. She transitioned when Dara was a baby, after Dara's birth mother died. She changed her name, started over. But Dara still has more questions than answers. Reeling, she sets off on an impromptu road trip with her best guy friend, Sam, in tow. She is determined to find the extended family she's never even met. What she does discover -- and what her mother reveals, piece by piece, over emails -- will challenge and change Dara more than she can imagine. This is a gorgeous, timely, and essential novel about the importance of being our true selves. The backmatter includes an author's note and resources for readers.

A charismatic United Methodist pastor followed the example of Numbers 11:16-30 and multiplied Spirit-filled ministry in his church. Then he invited a few other pastors--Methodist and not--to try his approach. Biblical Eldership tells their story and invites church leaders to experience the same success in their churches today.

This collection of true life stories loaded with life lessons is guaranteed to make you laugh and laugh ... and then learn. The book should not be read by anyone allergic to laughter. But whether you laugh or not, it will stir something in you. Chris Ekpekurede opens up his humorous side, as he unravels uncommon perspectives of everyday life experiences to bring out the serious issues hidden in them. The book is like finding gold in the midst of dust. Despite the seriousness of the lessons that these stories teach, laughter looms large in the book's main thrust, as the stories Make You Laugh and Reflect. Says the author, "If we do not make a conscious effort to laugh over some of the serious matters of life, we will allow them to permanently drown us."

100 Reasons Why Sex Must Wait Until Marriage Sex is a mystery and unfortunately majority of those who engage in it do not fully understand the mystery behind it. The only thing most people understand about it is the pleasure derived from it and the procreation that can result from it. Many do not understand that when sex is not done within the scripturally prescribed confines of marriage, the temporary pleasure derived can lead to eternal pressure. In this book, Dr. Olukoya has taken time to unlock some of the mysteries of sex. Considerable attention has been given to the after-effects of premarital sex to show why you should wait until marriage before engaging in it. Steps are listed on how you can stay pure and avoid sex until marriage. Sex outside marriage is a killer and it has successfully destroyed millions of destinies. Do not let yours be next!

Chester has taken to the road, traveling from village to village desperately searching for his father, who has disappeared. One night while fiddling to earn a few coins, he accidentally connects to the Song—the music that fuels every aspect of the world, and that it's illegal for him to interact with. He's caught and sentenced to death for his crime. Only a licensed Songshaper can bend music to his will. But someone in the crowd—a member of the infamous Nightfall Gang—stages a daring rescue and whisks Chester into the Hush, a shadowy nightmare mirror-world where Music can be deadly and Echoes can kill. Susanna, the Captain of the Nightfall Gang has been watching Chester. She needs him to pull off an elaborate plan that will take down the governing body that keeps her an outlaw and made her the fragment she is. Susanna needs him to exact her revenge, even if he dies doing it. Combining complex stakes, shifting loyalties, nods to

fairy tales, and a Western feel, *The Hush* is a lush and exhilarating fantasy perfect for fans of Catherine Fisher's *Incarceron* and Paolo Bacigalupi's *Ship Breaker*.

Eight proven principles to help you overcome your self-doubt, conquer your fear of the future, reverse negative thoughts about yourself, and hurdle any other obstacles standing between you and your dreams. But instead of letting his circumstances control him, Dr. Carson took control of his attitude and actions, leading to his discovery of eight straightforward but revolutionary principles that helped shape his future. In *You Have a Brain*, Dr. Carson unpacks the eight important parts of T.H.I.N.K. B.I.G.—Talent, Honesty, Insight, Being Nice, Knowledge, Books, In-Depth Learning, and God—and presents the stories of people who demonstrated those things in his life. Through the advice and real-world examples laid out in these pages, you will learn how to incorporate these T.H.I.N.K. B.I.G. principles into your own life so that you, like Dr. Carson, can embrace an amazing future filled with incredible success. *You Have a Brain: Includes discussion questions at the back of the book Unpacks the eight essential parts of Thinking Big: Talent, Honesty, Insight, Strong People Skills, Knowledge, Books, In-Depth Learning, and God* Is written by Dr. Ben Carson, a world-renowned neurosurgeon, former presidential candidate, and current Secretary of Housing and Urban Development (HUD) Teaches great life lessons for young men and women Is the perfect gift for high school and college graduations, birthdays, and confirmations, and a great addition to YA book clubs and YA study groups

Compelling inside views of what characterises opera and music theatre in African and African diasporic contexts.

In development as a television series from Reese Witherspoon's Hello Sunshine production company and ABC Studios! This hilarious, poignant and true story of one teen's experience growing up in America as an undocumented immigrant from the Middle East is an increasingly necessary read in today's divisive world. Perfect for fans of Mindy Kaling and Trevor Noah's books. "Very funny but never flippant, Saedi mixes '90s pop culture references, adolescent angst and Iranian history into an intimate, informative narrative." —The New York Times At thirteen, bright-eyed, straight-A student Sara Saedi uncovered a terrible family secret: she was breaking the law simply by living in the United States. Only two years old when her parents fled Iran, she didn't learn of her undocumented status until her older sister wanted to apply for an after-school job, but couldn't because she didn't have a Social Security number. Fear of deportation kept Sara up at night, but it didn't keep her from being a teenager. She desperately wanted a green card, along with clear skin, her own car, and a boyfriend. *Americanized* follows Sara's progress toward getting her green card, but that's only a portion of her experiences as an Iranian-"American" teenager. From discovering that her parents secretly divorced to facilitate her mother's green card application to learning how to tame her unibrow, Sara pivots gracefully from the terrifying prospect that she might be kicked out of the country at any time to the almost-as-terrifying possibility that she might be the only

one of her friends without a date to the prom. This moving, often hilarious story is for anyone who has ever shared either fear. FEATURED ON NPR'S FRESH AIR A NYPL BEST BOOK OF THE YEAR A CHICAGO PUBLIC LIBRARY BEST OF THE BEST BOOK SELECTION A SCHOOL LIBRARY JOURNAL BEST BOOK OF THE YEAR FOUR STARRED REVIEWS! In good times and in bad times, you can Build Real Wealth! Build Real Wealth brings a fresh perspective to the subject of financial prosperity. Real money is not paper—it is value, something you cannot see with your eyes. There is a much deeper dimension to money than the hundred dollar bill. Pastor and author Sam Adeyemi has successfully applied the insights in Build Real Wealth with outstanding results in his life and ministry. He has taught them to hundreds of audiences with exciting transformations in the finances of thousands of people. Now it is your turn for God to take you into higher dimensions in your finances as the blessing of Abraham becomes your tangible reality.

"Shift work" "" is an employment practice designed to make use of, or provide service across, all 24 hours of the clock each day of the week. The practice typically sees the day divided into shifts: a set time during which different groups of workers perform their duties. Every believer is a minister, and our duty and responsibility as believers is to work our shift sharing the gospel of Jesus Christ wherever we go. Whether you are a doctor, lawyer, banker, teacher, professor, in the entertainment business or a stay-at-home parent, this message of truth and grace about the love of God must be shared, and this book will help guide you through the process of your shift and time. There is a mighty shift happening in the world today no doubt. People are fatigued with life, and they are looking for God and help. But here's the great news: the only God a person will see every day is the God in you. In this eye-opening book, Bank Akinmola equips you with key biblical insight to help you navigate the "how to's" of moving out of your comfort zone and sharing the love and grace of God wherever you go. The only question that remains after you read this book is, "What Shift will you be working?"

The value of motherhood is being eroded and is being threatened today by so many factors that urgent steps need to be

taken to preserve the dignity of our mothers before the moths of corruption eat the remaining fabric of motherhood and make the situation hopeless. If our society will be good, we need good mothers. If our society will be kind, we need kind mothers. If our society will be morally upright, we need morally upright mothers. If our society will retain its values, we need mothers of value. If our society will be prosperous, we need prosperous mothers. If our society will experience the reign of righteousness, we need righteous mothers. If our society will be great, we need great-minded mothers.

The Secrets of Great Wealth: Secrets the Rich Would Wish You Never Knew is an interesting story of financial information that can change your life and rewrite your financial story forever. Cast against the background of ordinary-day examples, you will discover the easy possibility that you can achieve financial freedom in your life-time. In fact, right about now, as you heed the instructions it contains, your life can begin to attract the financial fortunes you may only have seen in your dreams. With insight given on how you can play the stock and real estate markets, two reputable and popular investment channels for wealth creation, you may have to sack your brokers in both markets, and still be able to play these markets profitably yourself, creating wealth for your financial freedom in the process. This book covers insightful information on the following areas: It identifies the greatest secret to wealth; It will teach you secret strategies on Real Estate investment in Nigeria with or without capital; It will enlighten you on how to complete a three-bedroom flat with less than three million naira; You will be taught how to become an expert trading on the Nigerian Stock Market without having to rely on your stock broker; It will reveal to you the secret of Marital Harmony; It will help you develop and achieve the goal of financial freedom; You will be helped to discover your purpose and fulfil your destiny; You will learn how to set achievable goals, make good plans and budget your way into wealth; You will discover the greatest business that can give you residual income without you working; You will be inspired to discover and pursue your passions; You will learn how many incomes there are and how to use them to multiply your wealth; You will be exposed on what to do before retirement to live the kind of life you desire in retirement; You will learn how the super rich make their budget; You will also learn how to tithe your way out of poverty into wealth and how to buy land in Nigeria successfully; including how banks trap unsuspecting Nigerians into mortgage debt and the way out of it. This book essentially teaches that you can rewrite your financial story by yourself!
