Samuel Taylor Coleridge frequently bridged the gap between British and European Romantic thought. This study sets Coleridge's mode of thinking within a German Romantic philosophical context as the place where his ideas can naturally extend themselves, stretch and find speculations of comparable ambition. It argues that Coleridge found his philosophical adventures in the dominant idiom of his times exciting and as imaginatively engaging as poetry. Paul Hamilton situates major themes in Coleridge's prose and poetic writings in relation to his passion for German philosophy. He argues that Coleridge's infectious attachment to German (post-Kantian) philosophy was due to its symmetries with the structure of his Christian belief. Coleridge is read as an excited and winning expositor of this philosophy's power to articulate an absolute grounding of reality. Its comprehensiveness, however, rendered redundant further theological description, undermining the faith it had seemed to support. Thus arose Coleridge's anxious disguising of his German plagiarisms, aspersions cast on German originality, and his claims to have already experienced their insights within his own religious sensibility or in the writings of Anglican divines and neo-Platonists. This book recovers the extent to which his ideas call to be expanded within German philosophical debate.

The study of BaZi (Chinese Astrology) is a sophisticated and multi-faceted exploration into how the simplest information - a person's birth date and time - can reveal a wealth of knowledge about that particular person's character, temperament, behavioural attributes, luck outcome and fortune. This BaZi Hour Pillar Useful Gods Reference Series is designed to supplement the studies and practice of BaZi students and practitioners in helping them understand how each Hour Pillar defines a BaZi Structure, how to select the Useful Gods and Favourable Elements of a chart and how to analyze and interpret these Structures. The information in this series is based on classical methods and techniques that are derived from traditional Chinese BaZi texts and material. It presents the transliterated version of these traditional texts for the modern, English-speaking practitioner and student without losing the essence of the original. This book focuses on Fire Day Masters. It serves as a functional and helpful reference guide and includes: The Hour Pillar attributes of Bing and Ding Fire respectively in each of the 12 months. Useful Gods selection reference guide based on the Hour of Birth for each of the 12 months. Learn how to select the Useful Gods and Favourable Elements of a BaZi chart for the Fire Day Masters in all 12 months of the year based on its Hour of Birth. Detailed classical commentary on the factors affecting the overall strength of the Day Master and the Hour Pillar in 12 different months. Additional Hour Attributes that may affect the Day Master depending on different Structures and Useful Gods.

In Tom Kundig: Works, the celebrated Seattle-based architect presents nineteen new projects, from Hawaii to New York City. Kundig's award-winning houses, known for their rugged yet elegant and welcoming style, are showcased in lush photography with drawings and sketches, and appear alongside his commercial work—from multistory complexes to the Tacoma Art Museum to a line of hardware (handles, door pulls, hinges, and more). In firsthand accounts, Kundig describes the projects and his design process with many personal anecdotes, making Tom Kundig: Works as much memoir as monograph. The book also includes an introduction by design editor Pilar Viladas and in-depth conversations with Kundig's frequent collaborators—"gizmologist" Phil Turner and contractor Jim Dow (Schuchart/ Dow)—and clients (Bigwood Residence and Studhorse).
