

Star Wars Darth Bane Path Of Destruction

In his quest for total domination, Darth Sidious compiled six legendary dark side texts detailing Sith history and philosophy by Sorzus Syn, Darth Malgus, Darth Bane, Mother Talzin, Darth Plagueis, and himself. Together these documents form the Book of Sith. Over the centuries, the texts were passed among Force users who left handwritten notes and annotations in the margins, including Darth Vader, Yoda, Mace Windu, and Luke Skywalker, among others. Collected by acclaimed Star Wars writer Daniel Wallace and embellished by numerous esteemed Star Wars illustrators, this volume introduces new characters and history, and delves deeper into understanding the philosophies and methods behind the dark side of the Force.

Darth Plagueis, a Sith Lord who knows the Dark Side so well that he has power over life and death, joins forces with his apprentice, one-day emperor Darth Sidious, to try to dominate the whole galaxy. Movie tie-in.

In this essential Star Wars Legends novel, the second in the Darth Bane trilogy, the fearsome Sith lord takes on a deadly new apprentice. Darth Bane's twisted genius made him a natural leader among the Sith—until his radical embrace of an all-but-forgotten wisdom drove him to destroy his own order . . . and create it anew from the ashes. As the last surviving Sith, Darth Bane promulgated a harsh new directive: the Rule of Two. Two there should be; no more, no less. One to embody the power, the other to crave it. Now Darth Bane is ready to put his policy into action and thinks he has found the key element that will make his triumph complete: a student to train in the ways of the dark side. Though she is young, Zannah possesses an instinctive link to the dark side that rivals his own. With his guidance, she will become essential in his quest to destroy the Jedi and dominate the galaxy.

The second novel set in the Old Republic era and based on the massively multiplayer online game Star Wars®: The Old Republic™ ramps up the action and brings readers face-to-face for the first time with a Sith warrior to rival the most sinister of the Order's Dark Lords—Darth Malgus, the mysterious, masked Sith of the wildly popular “Deceived” and “Hope” game trailers. Malgus brought down the Jedi Temple on Coruscant in a brutal assault that shocked the galaxy. But if war crowned him the darkest of Sith heroes, peace would transform him into something far more heinous—something Malgus would never want to be, but cannot stop, any more than he can stop the rogue Jedi fast approaching. Her name is Aryn Leneer—and the lone Knight that Malgus cut down in the fierce battle for the Jedi Temple was her Master. And now she's going to find out what happened to him, even if it means breaking every rule in the book. Features a bonus section following the novel that includes a primer on the Star Wars expanded universe, and over half a dozen excerpts from some of the most popular Star Wars books of the last thirty years!

New York Times bestselling author Drew Karpysyn has long thrilled readers with his kinetic, fast-paced storytelling style. Now he returns with *The Scorched Earth*, the second novel in his acclaimed series about four young people who will either save the world or bring about its destruction. The Children of Fire—four mortals touched by the power of Chaos—each embody one aspect of a fallen and banished immortal champion: Keegan, the wizard; Scythe, the warrior; Cassandra, the prophet; Vaaler, the king. Grown to adulthood, the Children are in search of the ancient Talismans that can stop

the return of Daemron the Slayer, ancient enemy of the Old Gods. But in acquiring Daemron's Ring, they unleashed a flood of Chaos magic on the land—leaving death, destruction, and a vengeful queen in their wake. Now, beset on all sides by both mortal and supernatural enemies, they realize that their strength and faith will be tested as never before. And their greatest trial will be finding Daemron's Sword, the last of the ancient Talismans, before the entire mortal world is engulfed in the war and Chaos that will herald the return of the Slayer. Praise for *The Scorched Earth* “[Drew] Karpysyn’s doom-laden spin on myth and magic invigorates ancient archetypes in the second entry of the Chaos Born trilogy. . . . The journey is complicated by unnerving ambiguity, grim imagery, and pessimistic overtones, as if Michael Moorcock’s decadence were filtered through J.R.R. Tolkien’s heroism.”—Publishers Weekly “If you’re a fan of fantasy and looking to try something new, this series continues to shine. . . . [Karpysyn] writes deep, intriguing characters set in a strange world of unique magic. It’s a place where magic is dangerous but essential.”—Roqoo Depot “An enjoyable read . . . I recommend this for all fantasy fans.”—Book Reviews & Giveaways

The epic tale of Darth Bane, the most famous Sith Lord ever, finds the forces of evil clashing in a spectacular battle, with the future of the Sith hanging in the balance. Here is the explosive conclusion of the blockbuster trilogy that chronicles the never-before-told story of the young Han Solo. Set before the Star Wars(r) movie adventures, these books chronicle the coming-of-age of the galaxy's most famous con man, smuggler, and thief. The Millennium Falcon is "the fastest hunk of junk in the galaxy." So when Han Solo wins it in a game of sabacc, he and Chewbacca become kings of the smugglers--uncatchable, unstoppable. But with the Empire clamping down, Han knows his luck can't last. Still, when an old girlfriend who is now the leader of an insurgent Rebel group offers him a shot at an incredible fortune, Han can't resist. The plan seems a sure thing. The resistance will be light and the take enormous. Han and his friends will divide it equally with the Rebels. Too bad for Han that the planet of Ylesia is far from a pushover, that the Rebels have an agenda of their own, and that smuggler friends can often turn into enemies...quicker than lightspeed. The Demon Cycle meets The Wheel of Time in this action-packed adventure! From New York Times bestselling author and acclaimed videogame writer Drew Karpysyn comes the third and final novel in an original epic fantasy trilogy for fans of Terry Goodkind, Peter V. Brett, and Brandon Sanderson. Four unlikely champions, each touched with Chaos magic at birth, are all that can stop the return of Daemron the Slayer, a hero who became a god—and then a demon. Exiled by the Old Gods, Daemron has long plotted his vengeful return. Now that moment is at hand, as the barrier imprisoning him—the Legacy—crumbles. Armed with mighty Talismans, the four champions—Keegan, a wizard beset with self-doubt; Cassandra, a seer terrified by her own future; Scythe, a peerless warrior whose only weak spot is a broken heart; and Vaaler, a prince without a kingdom—seek the Keystone, a fabled place where, or so it is said, the Legacy can be restored. But the plots of the Slayer are cunning and deep, and even the most noble heart can be twisted by the tainted magic of Chaos—as Keegan, Cassandra, Scythe, and Vaaler will soon discover. Praise for Chaos Unleashed “A rich fantasy tale dripping with dark elements of horror and driven by . . . characters that will have you flipping pages deep into the night to see what happens next.”—Roqoo Depot Praise for Drew Karpysyn’s Chaos Born series “Karpysyn’s doom-laden spin on myth and magic invigorates ancient archetypes . . . as if Michael Moorcock’s decadence were filtered through J.R.R. For the first time ever, the "Star Wars" adult fiction program ventures back to the past, to a time when the Sith were as numerous as the Jedi.

Millennia before the rise of Darth Vader and Darth Sidious, in an Old Republic marked by an ongoing struggle between the Sidi and Jedi, Darth Bane plots to bring down the Brotherhood of the Sith and to replace it with a more powerful order.

In a zombie horror tale set in the Star Wars universe, the Sith academy apprentices react fearfully to new outbreaks of unexplained violence, the Dark Lord's withdrawal, and a Jedi Master's efforts to rescue a hostage.

Based on all six of the Star Wars movies, tells the story of Anakin Skywalker from his birth in slavery to his death as the powerful Darth Vader. Reprint.

Drew Karpysyn has made his mark with imaginative, action-packed work on several acclaimed videogames, including Mass Effect and Star Wars: Knights of the Old Republic, as well as in a succession of New York Times bestselling tie-in novels. Now Karpysyn introduces a brilliantly innovative epic fantasy of perilous quests, tormented heroes, and darkest sorcery—a thrilling adventure that vaults him into the company of such authors as Terry Goodkind, Brandon Sanderson,

and Peter V. Brett. Long ago the gods chose a great hero to act as their agent in the mortal world and to stand against the demonic spawn of Chaos. The gods gifted their champion, Daemron, with three magical Talismans: a sword, a ring, and a crown. But the awesome power at his command corrupted Daemron, turning him from savior to destroyer. Filled with pride, he dared to challenge the gods themselves. Siding with the Chaos spawn, Daemron waged a titanic battle against the Immortals. In the end, Daemron was defeated, the Talismans were lost, and Chaos was sealed off behind the Legacy—a magical barrier the gods sacrificed themselves to create. Now the Legacy is fading. On the other side, the banished Daemron stirs. And across the scattered corners of the land, four children are born of suffering and strife, each touched by one aspect of Daemron himself—wizard, warrior, prophet, king. Bound by a connection deeper than blood, the Children of Fire will either restore the Legacy or bring it crashing down, freeing Daemron to wreak his vengeance upon the mortal world. **BONUS:** This edition includes an excerpt from Drew Karpysyn's *The Scorched Earth*. Praise for *Children of Fire* “This intricately layered adventure breathes realism and overshadowing menace into ancient mythic archetypes, exposing the pain and wonder inherent in magic and the mingled hope and cynicism of modern fantasy.”—*Publishers Weekly* (starred review) “A rousing quest fantasy . . . a fast-paced action-packed good and evil thriller.”—*SF Revu* “From the first page of *Children of Fire*, Karpysyn captures the reader’s attention with his excellent, intricate storyline.”—*RT Book Reviews* “*Children of Fire* stands on its own as a thoroughly entertaining tale. The book strikes a perfect balance between character driven storytelling and rich world building.”—*Roqoo Depot* “[Karpysyn] is truly a master of world building. . . . I would recommend this title to any fan of the genre.”—*Among the Wreckage* “Compulsively readable, wildly entertaining.”—*A Girl, A Boy and A Blog* “*Children of Fire* is engrossing, and full of characters that are modern. . . . I thoroughly enjoyed *Children of Fire* and look forward for the next two books.”—*FANgirl Blog* “Drew Karpysyn weaves a rich, contrasting tapestry of epic story and doom. Gripping and compelling from first page to last, *Children of Fire* is a dark-chocolate fantasy; delightfully biting and delectable at once. Four ill-fated children born under a sign of chaos and flame carried me on a journey into an intriguing world of shadowy wonder. It is a spellbinding epic told with masterful craft. Thousands of years before the rise of Darth Sidious and Darth Vader, the Old Republic was rife with the evil Sith, who were a constant thorn in the side of the Jedi. But greed and hunger for power were eating away at the Sith Order, destroying it from within. In the midst of this rose a new Sith, Darth Bane, who recognized that the Sith Order would fall if nothing was done. Thus it was he who, learning to cultivate patience and cunning, hid from the strife until it was over, and then rose to become the most powerful Sith Lord ever. This is the story of the transformation of Des, a young miner, into the legendary Sith Lord Darth Bane. Des - like many of the disenfranchised who live on the Outer Rim - is disillusioned with the stagnancy of the Old Republic. When the Sith unite

to bring the Republic down, Des is one of many to join their cause. His heroism and skill in battle - along with his remarkable connection to the Force - draw the notice of the Sith Masters, and Des eventually finds himself studying at the Sith Academy on Korriban. He takes the name of Bane and, amidst the deception and back-stabbing of the other students, he learns to unlock his latent dark-side talents. As his power grows, Bane realizes the Sith have lost their way. Under the leadership of Lord Kaan and his Brotherhood of Darkness, the Sith have turned their back on the true nature of the dark side. Through manipulation, cunning and strength, Bane destroys Kaan's Brotherhood and wipes out all the other Sith so he can found a new Order based on the rule of two: one Master, one apprentice.
