

Thanksgiving In The Woods

Thanksgiving is almost Here! It's time for Mrs. Madoff's class to put on the Thanksgiving play. Charlie is the ship called the Mayflower, Sarah is a Pilgrim, and Eveline is Chief Massasoit. Everyone has a role to play and a reason to be thankful for the special things that made the first feast possible. The story of the first Thanksgiving is one we'll never forget -- especially when we have friends and family to celebrate it with year after year.

Combines artwork with the original text of the classic song that celebrates the joy of the season and the warmth of family togetherness.

From the author of *Speak and Fever*, 1793, comes the never-before-told tale of Sarah Josepha Hale, the extraordinary "lady editor" who made Thanksgiving a national holiday! Thanksgiving might have started with a jubilant feast on Plymouth's shore. But by the 1800s America's observance was waning. None of the presidents nor Congress sought to revive the holiday. And so one invincible "lady editor" name Sarah Hale took it upon herself to rewrite the recipe for Thanksgiving as we know it today. This is an inspirational, historical, all-out boisterous tale about perseverance and belief: In 1863 Hale's thirty-five years of petitioning and orations got Abraham Lincoln thinking. He signed the Thanksgiving Proclamation that very year, declaring it a national holiday. This story is a tribute to Hale, her fellow campaigners, and to the amendable government that affords citizens the power to make the world a better place! Included in this e-book edition is a read-along option.

They went off the grid. Their secrets didn't. For readers of *The Secret History* and *The Immortalists* comes a novel about the allure—and dangers—of disconnecting. "A sharp, spellbinding cautionary tale, one that reminds us that even those who do remember the past might also wind up repeating it."—NPR (Best Books of the Year) Certain that society is on the verge of economic and environmental collapse, five disillusioned twenty-somethings make a bold decision: They gather in upstate New York to transform an abandoned farm, once the site of a turn-of-the-century socialist commune, into an idyllic self-sustaining compound called the Homestead. Mack, a publicly disgraced grad-school dropout, believes it's her calling to write their story. She immediately falls in love with all four friends, seduced by their charisma and grand plans—and deeply attracted to their secrets. But it proves difficult for Mack to uncover the truth about their nightly disappearances and complicated loyalties, especially since she is protecting her own past. Initially exhilarated by restoring the rustic dwellings, planting a garden, and learning the secrets of fermentation, the group is soon divided by intense romantic and sexual relationships, jealousies, slights and suspicions. And as winter settles in, their experiment begins to feel not only misguided, but deeply isolating and dangerous. Caite Dolan-Leach spins a poignant and deeply human tale with sharp insights into our modern anxieties, our collective failures, and the timeless desire to withdraw from the world. Praise for *We Went to the Woods* "We Went to the Woods is a chillingly cautionary tale for the twenty-first century, an enthralling story of failed nobility and the consequences of trying to escape from a world that will never let you go. Caite Dolan-Leach's prose is both nimble and elegantly evocative, leading the reader through the idyllic pastures and deadly pitfalls of a rustic experiment gone wrong. As five hopeful idealists try to live off the land, the reader sees their friendships blossom, and yet we hardly dare look, knowing as the seasons turn that something even darker than winter is on its way."—Christopher J. Yates, author of *Grist Mill Road* and *Black Chalk*

The inspiration for the HBO documentary from Academy Award-winning producer Alex Gibney. The #1 New York Times bestseller based on years of reporting and interviews with more than 250 people from every corner of Tiger Woods's life—this "comprehensive, propulsive...and unsparing" (The New Yorker) biography is "an ambitious 360-degree portrait of golf's most scrutinized figure...brimming with revealing details" (Golf Digest). In 2009, Tiger Woods was the most famous athlete on the planet, a transcendent star of almost unfathomable fame and fortune living what appeared to be the perfect life. But it turned out he had been living a double life for years—one that exploded in the aftermath of a Thanksgiving night crash that exposed his serial infidelity and sent his personal and professional lives over a cliff. In this "searing biography of golf's most blazing talent" (GOLF magazine), Jeff Benedict and Armen Keteyian dig deep behind the headlines to produce a richly reported answer to the question that has mystified millions of sports fans for nearly a decade: who is Tiger Woods, really? Drawing on more than four hundred interviews with people from every corner of Woods's life—many of whom have never spoken about him on the record before—Benedict and Keteyian construct a captivating psychological profile of a mixed race child programmed by an attention-grabbing father and the original Tiger Mom to be the "chosen one," to change not just the game of golf, but the world as well. But at what cost? Benedict and Keteyian provide the startling answers in this definitive biography that is destined to linger in the minds of readers for years to come. "Irresistible...Immensely readable...Benedict and Keteyian bring us along for the ride in a whirlwind of a biography that reads honest and true" (The Wall Street Journal). Ultimately, Tiger Woods is "a big American story...exhilarating, depressing, tawdry, and moving in almost equal measure" (The New York Times).

In this festive Caldecott Honor-winning picture book, Alice Dalgliesh brings to life the origin of the Thanksgiving holiday for readers of all ages.
