Along the way, Enaiat endures

the crippling physical and emotional agony of dangerous border crossings, trekking across bitterly cold mountain pathways for days on end or being stuffed into the false bottom of a truck. But not everyone is as resourceful, resilient, or lucky as Enaiat, and there are many heart-wrenching casualties along the way. Based on Enaiat's close collaboration with Italian novelist Fabio Geda and expertly rendered in English by an award-winning translator, this novel reconstructs the young boy's memories, perfectly preserving the childlike perspective and rhythms of an intimate oral history. Told with humor and humanity, *In the Sea There Are Crocodiles* brilliantly captures Enaiat's moving and engaging voice and lends urgency to an epic story of hope and survival.

After his father's heart attack in 1984, Peter Godwin began a series of pilgrimages back to Zimbabwe, the land of his birth, from Manhattan, where he now lives. On these frequent visits to check on his elderly parents, he bore witness to Zimbabwe's dramatic spiral downwards into the jaws of violent chaos, presided over by an increasingly enraged dictator. And yet long after their comfortable lifestyle had been shattered and millions were fleeing, his parents refuse to leave, steadfast in their allegiance to the failed state that has been their adopted home for 50 years. Then Godwin discovered a shocking family secret that helped explain their loyalty. *Africa was his father's sanctuary from another identity, another world.* When a Crocodile Eats the Sun is a stirring memoir of the disintegration of a family set against the collapse of a country. But it is also a vivid portrait of the profound strength of the human spirit and

TRANSLATION PRIZE The English-language premiere of Qiu Miaojin's coming-of-age novel about queer teenagers in Taiwan, a cult classic in China and winner of the 1995 China Times Literature Award. An NYRB Classics Original Set in the post-martial-law era of late-1980s Taipei, *Notes of a Crocodile* is a coming-of-age story of queer misfits discovering love, friendship, and artistic affinity while hardly studying at Taiwan's most prestigious university. Told through the eyes of an anonymous lesbian narrator nicknamed Lazi, this cult classic is a postmodern pastiche of diaries, vignettes, mash notes, aphorisms, exegesis, and satire by an incisive prose stylist and major countercultural figure. Afflicted by her fatalistic attraction to Shui Ling, an older woman, Lazi turns for support to a circle of friends that includes a rich kid turned criminal and his troubled, self-destructive gay lover, as well as a bored, mischievous overachiever and her alluring slacker artist girlfriend. Illustrating a process of liberation from the strictures of gender through radical self-inquiry, *Notes of a Crocodile* is a poignant masterpiece of social defiance by a singular voice in contemporary Chinese literature. What better way to learn colours than on a fun animal safari? From white-and-black zebras to grey elephants and green crocodiles, this book is packed with a whole host of animal friends.
