

The Story Of Streets Mike Skinner Budeau

Mike Hammer gives a lift to a beauty on the run from a sanitarium—but their joyride is cut short by two dark sedans full of professional killers, who knock the detective out cold. When he wakes up, his car has been rolled off a cliff, with his mysterious passenger still inside it. The feds take his gun away on suspicion, but Hammer's not about to let that stop him. He's on the hunt for the men who wrecked his ride and killed a dame in cold blood—and he's going to teach them that armed or not, crossing Mike Hammer is the last thing you should ever do.

USA TODAY BESTSELLING BOOK! Mike Majlak was a seventeen-year-old from a loving, middle-class family in Milford, Connecticut, when he got caught up in the opioid epidemic that swept the nation. For close to a decade thereafter, his life was a wasteland of darkness and despair. While his peers were graduating from college, buying homes, getting married, having kids, and leading normal lives, Mike was snorting OxyContin, climbing out of cars at gunpoint, and burying his childhood friends. Unable to escape the noose of addiction, he eventually lost the trust and support of everyone who had ever loved him. Alone, with nothing but drugs to keep him company, darkness closed in, and the light inside him--the last flicker of hope--began to dim. His dreams, potential, and future were all being devoured by a relentless addiction too powerful to fight. Despair filled him as he realized he wasn't going to survive. Somehow, he did... HE NOT ONLY SURVIVED, HE THRIVED. Now he's a social media personality with millions of followers, and an entrepreneur, marketer, podcaster, YouTuber, and author who hopes to use his voice to shine a light for those whose

Get Free The Story Of Streets Mike Skinner Budeau

own lights have grown dim. This is his story.

In 2001, at the age of only 22, the virtually unknown Mike Skinner was signed for a five album record deal. Since then, Mike Skinner has won a worldwide reputation for fusing home-grown hip-hop with the proud British tradition of observational song writing, which stretches from The Beatles and The Kinks to Blur and the Arctic Monkeys. In the multi-faceted guise of The Streets he, along with the likes of his friend and peer Dizzy Rascal, has been largely responsible for giving British rap its own identity, distinct from that of its American influences. Alternating between spells of reckless indulgence and sardonic commentary on his own excesses, Mike Skinner has established the kind of instantly accessible pop persona which only comes along once or twice a generation. Now he brings us The Story of the Streets. Moving chronologically through five albums, and the different phases of his life that they represent, Mike shares personal details of his modest upbringing in Birmingham, as well as the wild extravagances of life in the showbiz fast lane. Personal, shocking and funny; but deeply intelligent, insightful, opinionated and searingly honest - this is a lesson in the making of pop history, narrated by a voice that has informed a generation.

'The definitive grime biography' NME 'A landmark genre history' Pitchfork

In her first novel since *The Quick and the Dead* (a finalist for the Pulitzer Prize), the legendary writer takes us into an uncertain landscape after an environmental apocalypse, a world in which only the man-made has value, but some still wish to salvage the authentic. "She practices ... camouflage, except that instead of adapting to its environment, Williams's imagination, by remaining true to itself, reveals new colorations in the ecology around her." —A.O. Scott, *The New*

Get Free The Story Of Streets Mike Skinner Budeau

York Times Book Review Kristen is a teenager who, her mother believes, was marked by greatness as a baby when she died for a moment and then came back to life. After Kristen's failing boarding school for gifted teens closes its doors, and she finds that her mother has disappeared, she ranges across the dead landscape and washes up at a "resort" on the shores of a mysterious, putrid lake the elderly residents there call "Big Girl." In a rotting honeycomb of rooms, these old ones plot actions to punish corporations and people they consider culpable in the destruction of the final scraps of nature's beauty. What will Kristen and Jeffrey, the precocious ten-year-old boy she meets there, learn from this "gabby seditious lot, in the worst of health but with kamikaze hearts, an army of the aged and ill, determined to refresh, through crackpot violence, a plundered earth"? Rivetingly strange and beautiful, and delivered with Williams's searing, deadpan wit, Harrow is their intertwined tale of paradise lost and of their reasons—against all reasonableness—to try and recover something of it.

Follows one young man from his impoverished childhood with a crack-addicted mother, through his discovery of the sport of football, to his rise to become one of the most successful, highly-paid players in the NFL.

When Michael Cooley returned to his childhood home in St. Louis, many of his old friends offered him this greeting: 'Cooley, I thought you were dead.' And by many accounts, he should have been dead. Michael Cooley was a member of two dysfunctional families. His mother in St. Louis was an alcoholic. His stepmother and stepbrothers in Gainesville, Texas, abused him relentlessly—both physically and verbally. As a child, Mike bounced from school to school and from city to city. As a teenager, he turned to gangs and drugs for a sense of acceptance. Eventually, he ended up homeless, sleeping on rooftops and in alleys, and living out of his car.

Get Free The Story Of Streets Mike Skinner Budeau

But after living as an abused child, a homeless and drug-addicted teenager, and a completely lost young adult, Mike decided to start over as a different person. *Rock Bottom—From the Streets to Success* tells Mike's story from his childhood in the 1960s until today. Mike escapes the darkness of his past and eventually puts his life back together to become a success in business and in his personal life. Follow Mike as he overcomes the hardships of his childhood and shares his experiences in hopes of helping others who may be facing their own challenges.

One of the most successful Black businessmen in the country, who has led Nike's Jordan Brand from a \$200M sneaker company to a \$4B global apparel juggernaut, tells the remarkable story of his rise from gangland violence to the pinnacles of international business.

Acclaimed Canadian poet Steven Price has conjured a stunning debut novel that explores what we ask from each other, and how much we are prepared to give. Set in the city of Victoria, British Columbia, *Into That Darkness* opens at the moment when a massive earthquake hits the entire west coast with devastating results. Amid the destruction of the city, survivors are left to negotiate a calamity in which bonds of civility are pushed to their limits and often broken. When Arthur Lear hears a voice crying in the rubble, he finds himself descending deep under a collapsed building in a desperate attempt to save a young boy and his mother. But what he discovers there will change him forever — as circumstances lead him across the city's broken landscape, through the chaos of its hospitals and streets, in a

Get Free The Story Of Streets Mike Skinner Budeau

harrowing search for the mother's lost daughter. Over the days that follow, Lear's very sense of humanness will be tested and compromised, as he faces the limits of himself and his fellow survivors, in his long journey home. A novel for our age of anxiety and fear, Steven Price delivers a powerful story about the physical manifestation of the darker things lurking in our culture, in ourselves.

Nick Hornby meets Patti Smith, Mean Streets meets A Visit From the Goon Squad in this quintessential New York City story about two people who knew each other in the downtown music scene in the 1980s, meet again in the present day, and fall in love. Mike knew June in New York's downtown music scene in the eighties. Back then, he thought she was "the living night—all the glamour and potential of a New York night when you're 25." Now he's twice divorced and happy to be alone—so happy he's writing a book about it. Then he meets June again. "And here she was with a raincoat over the back of the chair talking about getting a divorce and saying she's done with relationships. Her ice-calm eyes are the same, the same her glory of curls." Jacket Weather is about awakening to love—dizzying, all-consuming, worldview-shaking love—when it's least expected. It's also about remaining alert to today's pleasures—exploring the city, observing the seasons, listening to the guys at the gym—while time is slipping away. Told in fragments of narrative,

Get Free The Story Of Streets Mike Skinner Budeau

reveries, recipes, bits of conversation and snatches of weather, the book collapses a decade in Mike and June's life and shifts a reader to a glowing nostalgia for the present.

Welcome to a West like you've never seen before, where electric lights shine down on the streets of Tombstone, while horseless stagecoaches carry passengers to and fro, and where death is no obstacle to *The Thing That Was Once Johnny Ringo*. Think you know the story of the O.K. Corral? Think again, as five-time Hugo winner Mike Resnick takes on his first steampunk western tale, and the West will never be the same.

Three boys, who made a pact to stick together through the rough times in their impoverished Newark neighborhood, found the strength to work through their difficulties and complete high school, college, and medical school together.

Be sure to check out *IRON AMBITION: My Life with Cus D'Amato* by Mike Tyson "Raw, powerful and disturbing—a head-spinning take on Mr. Tyson's life."—Wall Street Journal Philosopher, Broadway headliner, fighter, felon—Mike Tyson has defied stereotypes, expectations, and a lot of conventional wisdom during his three decades in the public eye. Bullied as a boy in the toughest, poorest neighborhood in Brooklyn, Tyson grew up to become one of the most ferocious boxers of all time—and the youngest heavyweight champion ever. But his

Get Free The Story Of Streets Mike Skinner Budeau

brilliance in the ring was often compromised by reckless behavior. Yet—even after hitting rock bottom—the man who once admitted being addicted “to everything” fought his way back, achieving triumphant success as an actor and newfound happiness and stability as a father and husband. Brutal, honest, raw, and often hilarious, Undisputed Truth is the singular journey of an inspiring American original.

Originally published in hardcover in 2018 by Nancy Paulsen Books.

Robert B. Parker's iconic and irresistible PI Sunny Randall is back, and the stakes are higher than ever as she races to protect her ex-husband--and his Mafia family--from the vengeful plan of a mysterious rival. Sunny Randall is "on" again with Richie, the ex-husband she never stopped loving and never seemed to be able to let go, despite her discomfort with his Mafia connections. When Richie is shot and nearly killed, Sunny is dragged into the thick of his family's business as she searches for answers and tries to stave off a mob war. But as the bullets start flying in Boston's mean streets, Sunny finds herself targeted by the deranged mastermind of the plot against the Burke family, whose motive may be far more personal than she could have anticipated...

Now an acclaimed documentary from Screen Media, the New York Times bestselling account of the story behind one of the most influential, durable, and

Get Free The Story Of Streets Mike Skinner Budeau

beloved shows in the history of television: Sesame Street. “Davis tracks down every Sesame anecdote and every Sesame personality in his book . . . Finally, we get to touch Big Bird's feathers.” —The New York Times Book Review Sesame Street is the longest-running-and arguably most beloved-children's television program ever created. Today, it reaches some six million preschoolers weekly in the United States and countless others in 140 countries around the world. Street Gang is the compelling, comical, and inspiring story of a media masterpiece and pop-culture landmark. Television reporter and columnist Michael Davis-with the complete participation of Joan Ganz Cooney, one of the show's founders-unveils the idealistic personalities, decades of social and cultural change, stories of compassion and personal sacrifice, and miraculous efforts of writers, producers, directors, and puppeteers that together transformed an empty soundstage into the most recognizable block of real estate in television history.

Like a modern-day Jane Jacobs, Janette Sadik-Khan transformed New York City's streets to make room for pedestrians, bikers, buses, and green spaces. Describing the battles she fought to enact change, Streetfight imparts wisdom and practical advice that other cities can follow to make their own streets safer and more vibrant. As New York City's transportation commissioner, Janette Sadik-Khan managed the seemingly impossible and transformed the streets of one of the world's greatest, toughest cities into

Get Free The Story Of Streets Mike Skinner Budeau

dynamic spaces safe for pedestrians and bikers. Her approach was dramatic and effective: Simply painting a part of the street to make it into a plaza or bus lane not only made the street safer, but it also lessened congestion and increased foot traffic, which improved the bottom line of businesses. Real-life experience confirmed that if you know how to read the street, you can make it function better by not totally reconstructing it but by reallocating the space that's already there. Breaking the street into its component parts, Streetfight demonstrates, with step-by-step visuals, how to rewrite the underlying "source code" of a street, with pointers on how to add protected bike paths, improve crosswalk space, and provide visual cues to reduce speeding. Achieving such a radical overhaul wasn't easy, and Streetfight pulls back the curtain on the battles Sadik-Khan won to make her approach work. She includes examples of how this new way to read the streets has already made its way around the world, from pocket parks in Mexico City and Los Angeles to more pedestrian-friendly streets in Auckland and Buenos Aires, and innovative bike-lane designs and plazas in Austin, Indianapolis, and San Francisco. Many are inspired by the changes taking place in New York City and are based on the same techniques. Streetfight deconstructs, reassembles, and reinvents the street, inviting readers to see it in ways they never imagined.

A political insider recounts in a compelling narrative the rise and reign of the Wall Street billionaire who became Wall Street's Mayor Michael Bloomberg, the most dominant political figure in New York's modern history, who leveraged his vast wealth and political power to govern in the interest of the 1 percent.

The Story of The Streets Random House

Emmy-award winning gadfly Rowe presents a ridiculously entertaining, seriously fascinating collection of his favorite

Get Free The Story Of Streets Mike Skinner Budeau

episodes from America's #1 short-form podcast, The Way I Heard It, along with a host of memories, ruminations, illustrations, and insights.

An updated and expanded edition of the gritty, challenging, and utterly captivating portrait of the homeless crisis. Ever Wonder What it Would Be Like to Live Homeless? Mike Yankoski did more than just wonder. By his own choice, Mike's life went from upper-middle class plush to scum-of-the-earth repulsive overnight. With only a backpack, a sleeping bag and a guitar, Mike and his traveling companion, Sam, set out to experience life on the streets in six different cities—from Washington D.C. to San Diego— and they put themselves to the test. For more than five months the pair experienced firsthand the extreme pains of hunger, the constant uncertainty and danger of living on the streets, exhaustion, depression, and social rejection—and all of this by their own choice. They wanted to find out if their faith was real, if they could actually be the Christians they said they were apart from the comforts they'd always known...to discover first hand what it means to be homeless in America. What you encounter in these pages will radically alter how you see your world—and may even change your life.

In July 1976, a twenty-four-year-old white woman, Margo Olson, was found in a shallow grave in Stamford, Connecticut, with an arrow piercing through her heart. A few weeks later, Howie Carter, her black boyfriend, was killed by the police. Howie and Margo's interracial relationship held a distorted mirror to the author's own, with Howie's best friend, Joe. Joe's theory was that the police didn't have any evidence to arrest Howie; operating on the assumption that the black man is always guilty, they killed him instead. Margo's murder was never solved. Looking back at what might have happened in 1976, the author discovers a Bicentennial year steeped in recession, racism, and unrelenting violence. It was

Get Free The Story Of Streets Mike Skinner Budeau

also a time of flourishing second-wave feminism, when young women were encouraged to do anything, if only they knew how. Stamford was in the midst of urban renewal, destroying historically black neighborhoods to create space for corporations escaping a bankrupt and dangerous New York City, just forty miles away. Organized crime followed the money, infiltrating Stamford at all levels. The author reveals how racism, misogyny, the economy, and corruption affected the young people's daily lives, and helped lead Margo and Howie to their deaths.

This is the true story of two decorated combat veterans linked by tragedy, who come home from the Middle East and find a new way to save their comrades and heal their country. In *Charlie Mike*, Joe Klein tells the dramatic story of Eric Greitens and Jake Wood, larger-than-life war heroes who come home and use their military discipline and values to help others. This is a story that hasn't been told before, one of the most hopeful to emerge from Iraq and Afghanistan—a saga of lives saved, not wasted. Greitens, a Navy SEAL and Rhodes Scholar, spends years working in refugee camps before he joins the military. He enlists because he believes the innocent of the world need heavily armed, moral protection. Wounded in Iraq, Greitens returns home and finds that his fellow veterans at Bethesda Naval Hospital all want the same thing: they want to continue to serve their country in some way, no matter the extent of their injuries. He finds *The Mission Continues* to provide paid public service fellowships for wounded veterans. One of the first *Mission Continues* fellows is charismatic former Marine sergeant Jake Wood, a natural leader who began *Team Rubicon*, organizing 9/11 veterans for dangerous disaster relief projects around the world. "We do chaos," he says. The chaos they face isn't only in the streets of Haiti after the 2011 earthquake or in New York City after Hurricane Sandy—it's also in the lives of

Get Free The Story Of Streets Mike Skinner Budeau

their fellow veterans, who've come home from the wars traumatized and looking for a sense of purpose. Greitens and Wood believe that the military virtues of discipline and selflessness, of sacrifice for the greater good, can save lives—and not just the lives of their fellow veterans. They believe that invigorated veterans can lead, by personal example, to stronger communities—and they prove it in *Charlie Mike*. Their personal saga is compelling and inspirational: Greitens and Wood demonstrate how the skills of war can also provide a path to peace, personal satisfaction, and a more vigorous nation.

In this utterly immersive volume, Mike Wallace captures the swings of prosperity and downturn, from the 1898 skyscraper-driven boom to the Bankers' Panic of 1907, the labor upheaval, and violent repression during and after the First World War. Here is New York on a whole new scale, moving from national to global prominence -- an urban dynamo driven by restless ambition, boundless energy, immigrant dreams, and Wall Street greed. Within the first two decades of the twentieth century, a newly consolidated New York grew exponentially. The city exploded into the air, with skyscrapers jostling for prominence, and dove deep into the bedrock where massive underground networks of subways, water pipes, and electrical conduits sprawled beneath the city to serve a surging population of New Yorkers from all walks of life. New York was transformed in these two decades as the world's second-largest city and now its financial capital, thriving and sustained by the city's seemingly unlimited potential. Wallace's new book matches its predecessor in pure page-turning appeal and takes America's greatest city to new heights.

From one of our most innovative and celebrated authors, the definitive take on the wildest story of the year— the

Get Free The Story Of Streets Mike Skinner Budeau

David-vs.-Goliath GameStop short squeeze, a tale of fortunes won and lost overnight that may end up changing Wall Street forever. Bestselling author Ben Mezrich offers a gripping, beat-by-beat account of how a loosely affiliate group of private investors and internet trolls on a subreddit called WallStreetBets took down one of the biggest hedge funds on Wall Street, firing the first shot in a revolution that threatens to upend the establishment. It's the story of financial titans like Gabe Plotkin of hedge fund Melvin Capital, one of the most respected and staid funds on the Street, billionaires like Elon Musk, Steve Cohen, Mark Cuban, Robinhood co-CEOs Vlad Tenev and Baiju Bhatt, and Ken Griffin of Citadel Securities. Over the course of four incredible days, each in their own way must reckon with a formidable force they barely understand, let alone saw coming: everyday men and women on WallStreetBets like nurse Kim Campbell, college student Jeremy Poe, and the enigmatic Keith "RoaringKitty" Gill, whose unfiltered livestream videos captivated a new generation of stock market enthusiasts. The unlikely focus of the battle: GameStop, a flailing brick-and-mortar dinosaur catering to teenagers and outsiders that had somehow held on as the world rapidly moved online. At first, WallStreetBets was a joke—a meme-filled, freewheeling place to share shoot-the-moon investment tips, laugh about big losses, and post diamond hand emojis. Until some members noticed an opportunity in GameStop—and rode a rocket ship to tens of millions of dollars in earnings overnight. In thrilling, pulse-pounding prose, **THE ANTISOCIAL NETWORK** offers a

Get Free The Story Of Streets Mike Skinner Budeau

fascinating, never-before-seen glimpse at the outsize personalities, dizzying swings, corporate drama, and underestimated American heroes and heroines who captivated the nation during one of the most volatile weeks in financial history. It's the amazing story of what just happened—and where we go from here.

A full-color, lushly illustrated graphic novel that recounts the many-layered past and present of beer through dynamic pairings of pictures and meticulously researched insight into the history of the world's favorite brew. Starting from about 7,000 BC, *The Comic Book Story of Beer* traces beer's influence through world history, encapsulating early man's experiments with fermentation, the rise and fall of Ancient Rome, the (often beer-related) factors that led Europe out of the Dark Ages, the Age of Exploration, the spread of capitalism, the Reformation, and on up to the contemporary explosion of craft brewing. No book has ever told the story of beer in a graphic format as a liberating or emancipating force that improved the life of everyday people. Visually riffing on abstract subjects like pasteurization, "original gravity," and "lagering," artist Aaron McConnell has a flair for cinematic action and demonstrates versatility in depicting characters and episodes from beer's rich history. Hand-drawn in a classic, accessible style, *The Comic Book Story of Beer* makes a great gift, and will appeal to the most avid comic book geek and those who live for beer.

A heartwarming memoir of a couple who takes in a homeless man and the life-altering effect the experience has on all three of them. For years, "Fisher King Mike"

Get Free The Story Of Streets Mike Skinner Budeau

wandered L.A., preaching to his people. On occasion he'd share an open mic night with Michael Konik, who offered a curious and sympathetic ear, particularly when the Fisher King lamented his separation from his wife (who he claimed was Selena Gomez). As the pair began to trust one another, confusion and distance gave way to something that astounded them both. The Unexpected Guest gives love profound new dimensions with its story of family, friendship, and the meaning of home. Konik offered food and a pair of pants when his new friend came by, and wondered how much he owed the troubled Fisher King? a question all of America faces with the nation's ongoing homelessness crisis. When Konik and his wife gave Fisher King Mike a place in their home, handy as he turned out to be with household projects, they witnessed a guest become a caretaker. Gone was the man who gave sermons about his supposed estate next door to Kanye West. Gone was the man drifting through life. What each never saw coming was their own transformation and the lessons they'd learn about what it means not only to be good people, but simply to be human. Praise for The Unexpected Guest

"Heartwarming, compassionate, and well-crafted, The Unexpected Guest gives voice to those rarely heard, compels you to look closer when you want to look away, and reveals the joy of caring for others." ?Pete Earley, New York Times–bestselling author of Crazy: A Father's Search Through America's Mental Health Madness, 2007 Finalist for the Pulitzer Prize "What a pleasure to read a book that is quick in pace, absent of cynicism, and packed with conversations and stories we

Get Free The Story Of Streets Mike Skinner Budeau

desperately need. The Unexpected Guest exceeded my already high expectations. Michael Konik does something that few journalists, let alone politicians even attempt to do. He humanizes the people who are without shelter. I won't be soon forgetting "Fisher King Mike." "Dave Zirin, The Nation "A deft meditation on the ordinary magic that happens when you open your heart and home, one small step at a time. Poignant, timely, compulsively readable. Konik's story of family lingers long after the last page." "Jack McCallum, New York Times—bestselling author of Dream Team "Honest and entertaining, this book forces readers to confront the systems of inequality in which we are all implicated." "Kirkus Reviews

****WINNER OF THE NME BEST BOOK AWARD**** 'This book is going to try and get as close as possible to the full story of what informed the noise of The Streets. Obviously that's something I should be fairly well-qualified to know about, and I'm going to be as honest as the publisher's lawyers will allow.' With the 2001 release of The Streets' debut single 'Has It Come To This?' the landscape of British popular music changed forever. No longer did homegrown rappers have to anxiously defer to transatlantic influences. Mike Skinner's witty, self-deprecating sagas of late-night kebab shops and skunk-fuelled Playstation sessions showed how much you could achieve simply by speaking in your own voice. In this thoroughly modern memoir, the man the Guardian once dubbed 'half Dostoevsky . . . half Samuel Pepys' tells a freewheeling, funny and fearlessly honest tale of Birmingham and London, ecstasy and epilepsy, Twitter-

Get Free The Story Of Streets Mike Skinner Budeau

fear and Spectrum joysticks, spread-betting and growing up. He writes of his musical inspirations, role models and rivals, the craft of songwriting and reflects on the successes and failures of the decade-long journey of The Streets.

#1 NEW YORK TIMES BESTSELLER • “Compelling . . . another timely tale from John Grisham.”—Chicago Tribune Michael Brock is billing the hours, making the money, rushing relentlessly to the top of Drake & Sweeney, a giant D.C. law firm. One step away from partnership, Michael has it all. Then, in an instant, it all comes undone. A homeless man takes nine lawyers hostage in the firm’s plush offices. When it is all over, the man’s blood is splattered on Michael’s face—and suddenly Michael is willing to do the unthinkable.

Rediscovering a conscience he lost long ago, Michael is leaving the big time for the streets where his attacker once lived—and where society’s powerless need an advocate for justice. But there’s one break Michael can’t make: from a secret that has floated up from the depths of Drake & Sweeney, from a confidential file that is now in Michael’s hands, and from a conspiracy that has already taken lives. Now Michael’s former partners are about to become his bitter enemies. Because to them, Michael Brock is the most dangerous man on the streets.

Catherine Cookson was one of the world's most beloved writers. Her books have sold millions of copies, and her characters and their stories have captured the imaginations of readers around the globe. Now, available for the first time in this country, comes one of Cookson's

Get Free The Story Of Streets Mike Skinner Budeau

earliest and most stirring historical romances: *The Fifteen Streets*. John O'Brien lives in a world where surviving is a continual struggle. He works long hours at the docks to help support his parents' large family. Many other families in the Fifteen Streets have already given up and descended into a dismal state of grinding poverty, but the O'Briens continue to strive for a world they are only rarely allowed to glimpse. Then John O'Brien meets Mary Llewellyn, a beautiful young teacher who belongs to that other world. What begins as a casual conversation over tea quickly blossoms into a rare love that should have been perfect. Fate steps in, however, when John is accused of fathering the child of a local girl, and Mary's parents forbid her to see him. The couple begins to realize that the gulf of the Fifteen Streets between them is a chasm they could never bridge-or might they still find a way? In these pages Catherine Cookson displays the irresistible plotting, scene-setting, and characterization that have made her a recognized master of historical and romance fiction. Fans of her novels, with their larger themes of romantic love and class conflict, will be delighted to find that even at the beginning of her illustrious career, Cookson had the power to captivate audiences. Filled with passion and compelling drama, *The Fifteen Streets* is a rare treat for lovers of romantic fiction.

In the tradition of *About a Boy* comes a feel good sports and holiday novel from #1 New York Times bestselling author Mike Lupica. Josh Cameron has it all: a World Championship ring with the Boston Celtics, an MVP award, a clean-cut image, and the adoration of millions.

What he doesn't have is family. Until the day 12-year-old smartaleck Molly Parker confronts him in a parking lot and claims to be his daughter—the only daughter of Jen Parker, Josh's college sweetheart and the still the only girl he's ever loved. Trouble is, Jen Parker died last year, and now Molly has tracked down the father she never knew, the one her mother never wanted her to know about. Josh Cameron cares about two things only: himself, and basketball. The last thing this superstar wants or needs is a 12-year-old daughter. Yet this isn't just any 12-year-old. Mr. World Champion has finally met his match. “[T]his novel is . . . an enjoyable read with interesting peeks into the world of professional basketball. It will appeal to young teen sports enthusiasts as well as kids just looking for a good story.” –VOYA

“Lupica delivers a winning novel, creating a realistic character in Molly. Young readers will also enjoy the look inside Josh's pampered sports-superstar world.”

–Booklist “Lupica is an extraordinarily smooth writer with a great ear for witty repartee.” –Publisher's Weekly

Los Angeles Times Bestseller "Authoritative and impressive." –Los Angeles Times "Monumental."

–Guardian A magisterial, riveting movement history of Los Angeles in the Sixties Los Angeles in the sixties was a hotbed of political and social upheaval. The city was a launchpad for Black Power—where Malcolm X and Angela Davis first came to prominence and the Watts uprising shook the nation. The city was home to the Chicano Blowouts and Chicano Moratorium, as well as being the birthplace of “Asian American” as a political identity. It was a locus of the antiwar movement, gay

Get Free The Story Of Streets Mike Skinner Budeau

liberation movement, and women's movement, and, of course, the capital of California counterculture. Mike Davis and Jon Wiener provide the first comprehensive movement history of L.A. in the sixties, drawing on extensive archival research and dozens of interviews with principal figures, as well as the authors' storied personal histories as activists. Following on from Davis's awardwinning L.A. history, *City of Quartz, Set the Night on Fire* is a historical tour de force, delivered in scintillating and fiercely beautiful prose.

#1 NEW YORK TIMES BESTSELLER • A

panoramic experience that tells the story of Beastie Boys, a book as unique as the band itself—by band members ADROCK and Mike D, with contributions from Amy Poehler, Colson Whitehead, Wes Anderson, Luc Sante, and more. The inspiration for the Emmy-nominated Apple TV+ “live documentary” *Beastie Boys Story*, directed by Spike Jonze

NAMED ONE OF THE BEST BOOKS OF THE YEAR BY Rolling Stone • The Guardian • Paste

Formed as a New York City hardcore band in 1981, Beastie Boys struck an unlikely path to global hip hop superstardom. Here is their story, told for the first time in the words of the band. Adam “ADROCK” Horovitz and Michael “Mike D” Diamond offer revealing and very funny accounts of their transition from teenage punks to budding rappers; their early collaboration with Russell Simmons and Rick Rubin; the debut album that became the first hip hop record

Get Free The Story Of Streets Mike Skinner Budeau

ever to hit #1, Licensed to Ill—and the album’s messy fallout as the band broke with Def Jam; their move to Los Angeles and rebirth with the genre-defying masterpiece Paul’s Boutique; their evolution as musicians and social activists over the course of the classic albums Check Your Head, Ill Communication, and Hello Nasty and the Tibetan Freedom Concert benefits conceived by the late Adam “MCA” Yauch; and more. For more than thirty years, this band has had an inescapable and indelible influence on popular culture. With a style as distinctive and eclectic as a Beastie Boys album, *Beastie Boys Book* upends the typical music memoir. Alongside the band narrative you will find rare photos, original illustrations, a cookbook by chef Roy Choi, a graphic novel, a map of Beastie Boys’ New York, mixtape playlists, pieces by guest contributors, and many more surprises. Praise for *Beastie Boys Book* “A fascinating, generous book with portraits and detail that float by in bursts of color . . . As with [the band’s] records, the book’s structure is a lyrical three-man weave. . . . Diamond’s voice is lapidary, droll. Horovitz comes on like a borscht belt comedian, but beneath that he is urgent, incredulous, kind of vulnerable. . . . Friendship is the book’s subject as much as music, fame and New York.”—*The New York Times Book Review* “Wild, moving . . . resembles a Beastie Boys LP in its wild variety of styles.”—*Rolling Stone*

Get Free The Story Of Streets Mike Skinner Budeau

Mr. and Mrs. Mallard proudly return to their home in the Boston Public Garden with their eight offspring. This thought-provoking book examines gang history in the region encompassing West Texas, Southern New Mexico, and Northern Chihuahua, Mexico. Known as the El Paso–Juárez borderland region, the area contains more than three million people spanning 130 miles from east to west. From the badlands—the historically notorious eastern Valle de Juárez—to the Puerto Palomas port of entry at Columbus, New Mexico, this area has become more militarized and politicized than ever before. Mike Tapia examines this region by exploring a century of historical developments through a criminological lens and by studying the diverse subcultures on both sides of the law. Tapia looks extensively at the role of history and geography on criminal subculture formation in the binational urban setting of El Paso–Juárez, demonstrating the region’s unique context for criminogenic processes. He provides a poignant case study of Homeland Security and the apparent lack of drug-war spillover in communities on the US-Mexico border.

Finalist for the 2020 Kirkus Prize for Nonfiction | One of Time Magazine's 100 Must-Read Books of 2020 | Longlisted for the 2020 Porchlight Business Book Awards "An entertaining quest to trace the origins and implications of the names of the roads on which we reside." —Sarah Vowell, *The New York Times*

Book Review When most people think about street addresses, if they think of them at all, it is in their capacity to ensure that the postman can deliver mail or a traveler won't get lost. But street addresses were not invented to help you find your way; they were created to find you. In many parts of the world, your address can reveal your race and class. In this wide-ranging and remarkable book, Deirdre Mask looks at the fate of streets named after Martin Luther King Jr., the wayfinding means of ancient Romans, and how Nazis haunt the streets of modern Germany. The flipside of having an address is not having one, and we also see what that means for millions of people today, including those who live in the slums of Kolkata and on the streets of London. Filled with fascinating people and histories, *The Address Book* illuminates the complex and sometimes hidden stories behind street names and their power to name, to hide, to decide who counts, who doesn't—and why.

Stories From The Streets is a compilation of stories about the street children served by Street Girls Aid in Accra, Ghana. The powerful and inspirational success stories showcase what it is like to live in the heart of West Africa and how the individual's resilience to survive combined with the support of Street Girls Aid helped transform their confidence, dreams and their future. This book is a passionate celebration of Street Girls Aid, Ghana, whose

mission is "serving street children - impacting generations." It is also a unique tribute to the success of the many children, girls and young women whose stories are presented. The twenty inspiring stories shared, represent the many thousands of children who have gone through the Street Girls Aid's programs, and represent the twenty years that Street Girls Aid has consistently served children on the street. *Stories From The Streets* brings together a careful selection of relevant information, lessons learned and for organizations already working in the field of vulnerable children, or those yet to do so, a guide for their project implementation. This book has intentionally moved away from dwelling on the many challenges facing the street children and rather, concentrates on the successes. After reading this book, readers will have gained a broader perspective of issues and the realities of street children. A portion of the proceeds from the sale of this book will create an on-going source of income to support the next 20 years of Street Girls Aid mission, "Serving Street Children - Impacting Generations."

New York Times Notable Book: "An exceptional, assured debut [that] captures the zeitgeist of confused adolescents and a sick culture post-Columbine."—Hartford Courant A national bestseller that inspired a major motion picture, this chilling novel follows prep school dropout White Mike

through the week between Christmas and New Year's 1999, as he deals an alluring new drug to his privileged peers on Manhattan's Upper East Side. The kids of Twelve have it all; Chris and Claude and Hunter and Laura have the best, and most, of everything, but are constantly looking for something more exotic, and more dangerous. But Twelve is not a coming-of-age story, because these kids never had a childhood—their parents are off on holiday in Bali or business in Brussels, leaving hired help to look the other way as the kids stay home alone in their multimillion-dollar town houses, partying, surrounded by drugs and sex—and, in the end, much worse. “Renders Manhattan’s cosseted Upper East Side with both the casual authority of an insider and the wry distance of an observer...impressive.”—Jennifer Egan, *The New York Times Book Review* “Riveting in its no-holds-barred depiction of teenage nihilism.”—Jon Land, *Providence Journal*
