

This Naked Mind

"A groundbreaking program to help you cut back or quit drinking entirely--in the privacy of your own home"-- Be happier, healthier and more productive by taking a break from booze! An illustrated day-by-day guide packed with inspiration and practical help, *The 28 Day Alcohol-Free Challenge* is the only book you need to reset your drinking habits and discover a hangover-free world of quality time to achieve your goals. Drawing on their own experiences of ditching the drink, and bringing together the collective experience of the thousands of people they have helped, Andy and Ruari bring you unparalleled insight into how you can make your break from alcohol an empowering, life-changing experience. Andy Ramage and Ruari Fairbairns started their website *One Year No Beer* to connect with like-minded people who no longer wanted to deal with the adverse effects of drinking alcohol. In *The 28 Day Alcohol-Free Challenge* Andy and Ruari share their extensive experience of going alcohol free, including having a great time at parties, resisting appeals from friends to 'just have the one', and, most importantly, how to make the most of the health benefits of going sober.

This Naked Mind Control Alcohol, Find Freedom, Discover Happiness & Change Your Life Penguin

The moment the second line on the pee stick turns pink, women discover they've entered a world of parenting experts. Friends, family, colleagues, the UPS delivery guy -- suddenly everybody is a trove of advice, much of it contradictory and confusing. With dire warnings of what will happen if baby is fed on demand and even direr warnings of what will happen if he isn't, not to mention hordes of militant "lactivists," cosleeping advocates, and books on what to worry about next, modern parenthood can seem like a minefield. In busy Mom-friendly short essays, *Sippy Cups Are Not for Chardonnay* delivers the empathetic straight dirt on parenting, tackling everything from Mommy & Me classes ("Your baby doesn't need to be making friends at three months old -- you do! But not with people you'll meet at Mommy & Me") to attachment parenting ("If you're holding your baby 24/7, that's not a baby, that's a tumor"). Stefanie Wilder-Taylor combines practical tips with sidesplitting humor and refreshing honesty, assuring women that they can be good mothers and responsibly make their own choices. A witty and welcome antidote to trendy parenting texts and scarifying case studies, *Sippy Cups Are Not for Chardonnay* provides genuine support, encouragement, and indispensable common-sense advice.

New York Times Bestseller! "New, scientifically-based approaches that recognize the biological basis of addiction have brought major advances in the treatment of addiction. Dr. Urschel is at the forefront of this treatment paradigm." Dr. Larry Hanselka, Psychologist *The Proven Scientific Approach to Conquering Addiction and Defeating the Disease Healing the Addicted Brain* is a breakthrough work that focuses on treating drug and alcohol addiction as a biological disease—based on the Recovery Science program that has helped thousands of patients defeat their addictions over the past 10 years. It

combines the best behavioral addiction treatments with the latest scientific research into brain functions, providing tools and strategies designed to overcome the biological factors that cause addictive behavior along with proven treatments and medications. Using this scientific approach, you will learn to conquer the physical factors that keep people tied to drug and alcohol addiction. The proven fact is addiction is not a moral failing or an issue of not having enough willpower. It is a disease of the brain that can and must be treated like other chronic medical illnesses —such as diabetes, hypertension, or asthma—in order to defeat the disease. This revolutionary program can triple the success rate of patients, from 20-30% to 90% There Is Hope. By understanding addiction and using 21st-century breakthroughs, for the first time drug and alcohol addiction can be, and will be, defeated.

A sober hedonist's guide to living a decadent, wild, and soulful life--alcohol-free. In a culture where sipping "rosé all day" is seen as the epitome of relaxation, "grabbing a drink" the only way to network; and meeting at a bar the quintessential "first date," many of us are left wondering if drinking alcohol really is the only way to cultivate joy and connection in life. Jardine Libaire and Amanda Eyre Ward wanted to live spontaneous and luxurious lives, to escape the ordinary and enjoy the intoxicating. Their drinking, however, had started to numb them to the present moment instead of unlocking it. Ward was introduced to Libaire when she first got sober. As they became friends, the two women talked about how they yearned to create lives that were Technicolor, beautifully raw, connected, blissed out, and outside the lines . . . but how? In *The Sober Lush*, Libaire and Ward provide a road map for living a lush and sensual life without booze. This book offers ideas and instruction for such nonalcoholic joys as: • The allure of "the Vanish," in which one disappears early from the party without saying goodbye to a soul, to amble home under the stars • The art of creating zero-proof cocktails for all seasons • Having a fantastic first date while completely sober • A primer on setting up your own backyard beehive, and honey tastings For anyone curious about lowering their alcohol consumption or quitting drinking altogether, or anyone established in sobriety who wants inspiration, this shimmering and sumptuous book will show you how to keep indulging in life even if you stop indulging in alcohol.

Now complete with daily prompts to reflect on each day of a month-long, alcohol-free plan, the author of *This Naked Mind* helps readers challenge their thinking, find clarity, and form new habits. Changing your habits can be hard without the right tools. This is especially true for alcohol because habits are, by definition, subconscious thought processes. Through her methodical research of the latest neuroscience and her own journey, Annie Grace has cracked the code on habit change by addressing the specific ways habits form. This unique and unprecedented method has now helped thousands redefine their relationship to drinking painlessly and without misery. In *The Alcohol Experiment*, Annie offers a judgment-free action plan for anyone who's ever wondered what life without alcohol is like. The rules are simple: Abstain from

drinking for 30 days and just see how you feel. Annie arms her readers with the science-backed information to address the cultural and emotional conditioning we experience around alcohol. The result is a mindful approach that puts you back in control and permanently stops cravings. With a chapter and journal prompt devoted to each day of the experiment, Annie presents wisdom, tested strategies, and thought-provoking information to supplement the plan and support your step-by-step success as you learn what feels good for you. It's your body, your mind, and your choice. Craig Beck was a successful and functioning professional man in spite of a 'two bottles of wine a night' drinking habit. For 20 years, he struggled with problem drinking, all the time refusing to label himself an alcoholic because he did not think he met the stereotypical image that the word portrayed. Discover why all 'will-power' based attempts to stop drinking will fail (exactly as they are destined to do). Slowly Craig discovered the truth about alcohol addiction, and one by one, all the lies he had previously believed started to fall apart. For the first time, he noticed that he genuinely did not want to drink anymore. In this book, he will lead you through the same remarkable process. No need to declare yourself an alcoholic. A permanent cure, not a lifetime struggle. No group meetings or expensive rehab. No humiliation, no pain and 100% no 'will-power' required. Treats the source of the problem, not the symptoms.

Cover design and illustrations by DeAndre & Mary Purdie.

Ever sworn off alcohol for a month and found yourself drinking by the 7th? Think there's 'no point' in just one drink? Welcome! Quitting drinking, whether for a month or for life, is enormously satisfying, but also fiendishly difficult. -There's the getting started ('But I have that party next week!') -There's the feeling clenched and socially anxious. -Throw in a sizeable amount of social pressure and suspicious questions ('So, do you have a drinking problem?' -Finally, chuck in the hundreds of pro-drinking messages we see every day; films where a round of shots always comes with a whoop; fridge magnets that say 'I don't trust people who don't drink'; pub clapboards announcing 'Strong people need strong drinks'; and memes declaring 'Beer: it's a holiday in a glass.' Whew. It's no wonder we find it tricky to stay teetotal. But don't worry. We're going to tackle all of the above. I'm going to give you tools that enable you to clear all of these stumbling blocks with the grace of a gazelle. So, let's get started, shall we? PRAISE FOR CATHERINE GRAY'S WRITING: "An icon of the Quit Lit movement." Condé Nast Traveller "Fascinating." Bryony Gordon. "Not remotely preachy." The Times "Jaunty, shrewd and convincing." The Telegraph "Admirably honest, light, bubbly and remarkably rarely annoying." The Guardian "Truthful, modern and real." Stylist "Brave, witty and brilliantly written." Marie Claire "Haunting, admirable and enlightening." The Pool

Paula Deen meets Erma Bombeck in The Pioneer Woman Cooks, Ree Drummond's spirited, homespun cookbook. Drummond colorfully traces her transition from city life to ranch wife through recipes, photos, and pithy commentary

based on her popular, award-winning blog, Confessions of a Pioneer Woman, and whips up delicious, satisfying meals for cowboys and cowgirls alike made from simple, widely available ingredients. The Pioneer Woman Cooks—and with these “Recipes from an Accidental Country Girl,” she pleases the palate and tickles the funny bone at the same time. Alcohol Explained is the definitive, ground-breaking guide to alcohol and alcohol addiction. It explains how alcohol affects human beings on a chemical, physiological and psychological level, from our first drinks right up to chronic alcoholism. Despite being entirely scientific and factual in nature the book is presented in an accessible and easily understandable format. For those with an alcohol problem it will explain why they have a problem and what they can do about it. For those who are unsure whether they have a problem or not it provides them with firm guidance. For those who have someone close to them who has an alcohol problem it will help them to understand what that person is going through, how they ended up where they are, and what they can do to help them. However this is not just a book for people with links to problem drinking, it is compulsive reading for anyone who has ever, or will ever, drink an alcoholic drink. How many people have inadvertently drunk too much on occasion? Virtually every drinker on the planet has done that! But how many people have actually stopped to think why? There is in fact a logical, scientific explanation for this phenomenon, it is fully and simply explained in this book. Even for those who have never imbibed alcohol this book provides a fascinating insight into addiction generally and, more specifically, into a substance that has pervaded our society to such a great extent that it is now an integral part of our culture.

READ STOP DRINKING NOW AND BECOME A HAPPY NONDRINKER FOR THE REST OF YOUR LIFE. Allen Carr's Easyway a global phenomenon. It has helped millions of smokers from all over the world. Stop Drinking Now applies Allen Carr's Easyway method to problem drinking. By explaining why you feel the need to drink and, with simple step-by-step instructions to set you free, he shows you how to escape from the alcohol trap. • A UNIQUE METHOD THAT DOES NOT REQUIRE WILLPOWER • REMOVES THE DESIRE TO DRINK ALCOHOL • STOP EASILY, IMMEDIATELY AND PAINLESSLY • REGAIN CONTROL OF YOUR LIFE What people say about Allen Carr's Easyway method: "The Allen Carr program was nothing short of a miracle." Anjelica Huston "It was such a revelation that instantly I was freed from my addiction." Sir Anthony Hopkins "His skill is in removing the psychological dependence" The Sunday Times

There is a helpful detox timeline to help you understand what your body is going through during the 30 days, and the resource section contains useful guides for coping with sleeplessness, cravings and slip-ups during the detox. *30 New Days Alcohol-Free for Sober Curious Drinkers* promises to give you the motivation to reach 30-days alcohol-free easily. It provides your daily gentle shove in the right direction towards that goal. Don't delay on something so important. Order your copy today and begin your guided alcohol detox with confidence.

THE SUNDAY TIMES BESTSELLER 'Not remotely preachy' - The Times 'Jaunty, shrewd and convincing' - Sunday Telegraph 'Admirably honest, light, bubbly and remarkably rarely annoying.' - Alice O'Keeffe, Guardian 'Truthful, modern and real' - Stylist 'Brave, witty and brilliantly written' - Marie Claire Ever sworn off alcohol for a month and found yourself drinking by the 7th? Think there's 'no point' in just one drink? Welcome! There are millions of us. 64% of Brits want to drink less. Catherine Gray was stuck in a hellish whirligig of Drink, Make horrible decisions, Hangover, Repeat. She had her fair share of 'drunk tank' jail cells and topless-in-a-hot-tub misadventures. But this book

goes beyond the binges and blackouts to deep-dive into uncharted territory: What happens after you quit drinking? This gripping, heart-breaking and witty book takes us down the rabbit-hole of an alternative reality. A life with zero hangovers, through sober weddings, sex, Christmases and breakups. In *The Unexpected Joy of Being Sober*, Catherine Gray shines a light on society's drink-pushing and talks to top neuroscientists and psychologists about why we drink, delving into the science behind what it does to our brains and bodies. Much more than a tale from the netherworld of addicted drinking, this book is about the escape, and why a sober life can be more intoxicating than you ever imagined. Whether you're a hopelessly devoted drinker, merely sober-curious, or you've already ditched the drink, you will love this book. 'Haunting, admirable and enlightening' - *The Pool* 'A riveting, raw, yet humorous memoir with actionable advice.' - Annie Grace, author of *This Naked Mind* 'Like listening to your best friend teach you to be sober. Lighthearted but serious, it's packed with ideas, tools, tips and, most importantly, reasons for living a sober life.' - Eric Zimmer, host of podcast *The One You Feed* 'Gray's fizzy writing succeeds in making this potentially boring-as-hell subject both engaging and highly seductive' - *The Bookseller* 'Her exquisitely crafted thoughts on the joys of being sober are not only deeply honest and pragmatic, but she manages to infuse tons of humor. This is a delightful, informative, and compelling read for all those who are sober or seeking sobriety.' - Sasha Tozzi, *Huffington Post*

This Naked Mind has ignited a movement across the country, helping thousands of people forever change their relationship with alcohol. Many people question whether drinking has become too big a part of their lives, and worry that it may even be affecting their health. But, they resist change because they fear losing the pleasure and stress-relief associated with alcohol, and assume giving it up will involve deprivation and misery. *This Naked Mind* offers a new, positive solution. Here, Annie Grace clearly presents the psychological and neurological components of alcohol use based on the latest science, and reveals the cultural, social, and industry factors that support alcohol dependence in all of us. Packed with surprising insight into the reasons we drink, this book will open your eyes to the startling role of alcohol in our culture, and how the stigma of alcoholism and recovery keeps people from getting the help they need. With Annie's own extraordinary and candid personal story at its heart, this book is a must-read for anyone who drinks. *This Naked Mind* will give you freedom from alcohol. It removes the psychological dependence so that you will not crave alcohol, allowing you to easily drink less (or stop drinking). With clarity, humor, and a unique blend of science and storytelling, *This Naked Mind* will open the door to the life you have been waiting for. "You have given me my live back." —Katy F., Albuquerque, New Mexico "This is an inspiring and groundbreaking must-read. I am forever inspired and changed." —Kate S., Los Angeles, California "The most selfless and amazing book that I have ever read." —Bernie M., Dublin, Ireland

Little changes can make a big, big difference! In *The Little Book of Big Change*, psychologist Amy Johnson shows you how to rewire your brain and overcome your bad habits—once and for all. No matter what your bad habit is, you have the power to change it. Drawing on a powerful combination of neuroscience and spirituality, this book will show you that you are not your habits. Rather, your habits and addictions are the result of simple brain wiring that is easily reversed. By learning to stop bad habits at the source, you will take charge of your habits and addictions for good. Anything done repeatedly has the potential to form neural circuitry in the brain. In this light, habits and addictions are impersonal brain wiring problems that result from taking your habitual thinking as truth, and acting on that thinking in the form of doing your habit—over and over. This book offers a number of small changes you can make in your everyday life that will help you stop your bad habit in its tracks. If you want to understand the science behind your habit, make the decision to end it, and commit to real, lasting change, this book will help you to finally take charge of your life—once and for all.

Twenty-two of today's most talented writers (and comics fans) unite in *Who Can Save Us Now?*, an anthology featuring brand-new

superheroes equipped for the threats and challenges of the twenty-first century -- with a few supervillains thrown in for good measure. Edited and with contributions by Owen King (*We're All in This Together*) and John McNally (*America's Report Card*), *Who Can Save Us Now?* enriches the superhero canon immeasurably. With mutations stranger than the X-Men and with even more baggage than the Hulk, this next generation of superheroes is a far cry from your run-of-the-mill caped crusader. From the image-conscious and not-very-mysterious masked meathead who swoops in and sweeps the tough girl reporter off her feet; to the Meerkat, who overcomes his species' cute and cuddly image to become the resident hero in a small Midwestern city; to the Silverfish, "the creepy superhero," who fights crime while maintaining the slipperiest of identities; to Manna Man, who manipulates the minds of televangelists to serve his own righteous mission, these protectors (and in some cases antagonizers) of the innocent and the virtuous will delight literary enthusiasts and comic fans alike. With stunning illustrations by artist Chris Burnham, *Who Can Save Us Now?* offers a vibrant, funny, and truly unusual array of characters and their stories.

There is no such thing as an alcoholic and there is no such disease as alcoholism! (as society understands it). Whether you agree with this statement or not, one thing is for sure, you will never see alcohol in the same light ever again after reading this book. Jason Vale takes an honest and hard hitting look at people's conceptions of our most widely consumed drug. Jason's major argument is there is no such thing as an 'alcoholic' and that we are conditioned to accept alcohol as a 'normal' substance in today's society despite the fact that it is the major cause of many of today's social problems and a wide range of health issues. This book is much more than a simple eye opener, it will: change the way you see alcohol forever; show you how to stop drinking; help you enjoy the process and enjoy your life so much more than you do now without having to drink alcohol. So open your mind and take a journey with Jason to explore the myths about the most used and accepted drug addiction in the world!

With an easy three-step plan, *Mindful Drinking: How To Break Up With Alcohol* is here to help the 64% of Brits who want to drink less, and cultivate a new, healthy and more mindful relationship with alcohol. You CAN drink less, without giving up! Journalist Rosamund Dean combines scientific expertise with practical advice in a game-changing three step guide: *The Problem, The Incentive, and The Plan*. By following this guide you will be able to experience the benefits of drinking less - drinking less will improve your mood, your skin, your sex-drive and your body as well as reduce stress and anxiety. Whether you are sober-curious, or just want to cut down - *Mindful Drinking: How To Break Up With Alcohol* shows not only why you should, but also how you can, in a way that will change your life forever. What readers have been saying about *Mindful Drinking: How to Break Up With Alcohol*: 'Brilliant book; realistic and creating real positive change' 'Would highly recommend for anyone who is concerned about the amount they drink, but doesn't want to completely stop.' 'A brilliantly straightforward and realistic approach to cutting down sensibly.' 'Really broke a cycle for me of just drinking every weekend.'

The New York Times bestselling account of one of history's most brutal -- and forgotten -- massacres, when the Japanese army destroyed China's capital city on the eve of World War II In December 1937, one of the most horrific atrocities in the long annals of wartime barbarity occurred. The Japanese army swept into the ancient city of Nanking (what was then the capital of China), and within weeks, more than 300,000 Chinese civilians and soldiers were systematically raped, tortured, and murdered. In this seminal work, Iris Chang, whose own grandparents barely escaped the massacre, tells this history from three perspectives: that of the Japanese soldiers, that of the Chinese, and that of a group of Westerners who refused to abandon the city and created a safety zone, which saved almost 300,000 Chinese. Drawing on extensive interviews with survivors and documents brought to light for the first time, Iris Chang's classic book is the definitive history of this horrifying episode. "Chang vividly, methodically, records what happened, piecing together the abundant eyewitness reports into an

undeniable tapestry of horror." - Adam Hochschild, Salon !--[if !supportAnnotations]-- !--[if !supportAnnotations]-- !--[endif]--

Allen Carr established himself as the world's greatest authority on helping people stop smoking, and his internationally best-selling Easy Way to Stop Smoking has been published in over 40 languages and sold more than 10 million copies. In this classic guide Allen applies his revolutionary method to drinking. With startling insight into why w...

"Why do some people succeed at change while others fail? It's the way they think! Liminal thinking is a way to create change by understanding, shaping, and reframing beliefs. What beliefs are stopping you right now? You have a choice. You can create the world you want to live in, or live in a world created by others. If you are ready to start making changes, read this book."

Have you ever thought about the impact that alcohol has on our lives? Have you ever wished to stop drinking but didn't know how to and felt too ashamed to ask for help? This summary of Annie Grace's book "This Naked Mind", completed by a chapter by chapter overview and added information about the author and her work doesn't give its readers a set of rules to follow but instead, it gently guides them towards changing their mindset about alcohol and reprogramming their subconscious minds. This summary is a companion to the original book and can help make a real and lasting change in your life, which will enable you to be free from alcohol forever. This Synopsis contains many tantalizing sections such as:- Book Summary Overview- Chapter by Chapter Summary- Trivia Questions about the author Annie Grace- Discussion Questions- And Much Much More!!NOTE: This is an unofficial companion book to "The Naked Mind: Control Alcohol, Find Freedom, Discover Happiness & Change Your Life". It is meant to enhance your reading experience and is NOT the ORIGINAL BOOK.

The National Book Award–winning epic chronicle of the creation of the Panama Canal, a first-rate drama of the bold and brilliant engineering feat that was filled with both tragedy and triumph, told by master historian David McCullough. From the Pulitzer Prize–winning author of Truman, here is the national bestselling epic chronicle of the creation of the Panama Canal. In The Path Between the Seas, acclaimed historian David McCullough delivers a first-rate drama of the sweeping human undertaking that led to the creation of this grand enterprise. The Path Between the Seas tells the story of the men and women who fought against all odds to fulfill the 400-year-old dream of constructing an aquatic passageway between the Atlantic and Pacific oceans. It is a story of astonishing engineering feats, tremendous medical accomplishments, political power plays, heroic successes, and tragic failures. Applying his remarkable gift for writing lucid, lively exposition, McCullough weaves the many strands of the momentous event into a comprehensive and captivating tale. Winner of the National Book Award for history, the Francis Parkman Prize, the Samuel Eliot Morison Award, and the Cornelius Ryan Award (for the best book of the year on international affairs), The Path Between the Seas is a must-read for anyone interested in American history, the history of technology, international intrigue, and human drama.

Greece in the age of Heroes. Patroclus, an awkward young prince, has been exiled to the kingdom of Phthia. Here he is nobody, just another unwanted boy living in the shadow of King Peleus and his golden son, Achilles. Achilles, 'best of all the Greeks', is everything Patroclus is not - strong, beautiful, the child of a goddess - and by all rights their paths should never cross. Yet one day,

Achilles takes the shamed prince under his wing and soon their tentative companionship gives way to a steadfast friendship. As they grow into young men skilled in the arts of war and medicine, their bond blossoms into something far deeper - despite the displeasure of Achilles's mother Thetis, a cruel and deathly pale sea goddess with a hatred of mortals. Fate is never far from the heels of Achilles. When word comes that Helen of Sparta has been kidnapped, the men of Greece are called upon to lay siege to Troy in her name. Seduced by the promise of a glorious destiny, Achilles joins their cause, Torn between love and fear for his friend, Patroclus follows Achilles into war, little knowing that the years that follow will test everything they have learned, everything they hold dear. And that, before he is ready, he will be forced to surrender his friend to the hands of Fate. Profoundly moving and breathtakingly original, this rendering of the epic Trojan War is a dazzling feat of the imagination, a devastating love story, and an almighty battle between gods and kings, peace and glory, immortal fame and the human heart.

Thousands of people have forever regained control of their drinking through This Naked Mind. Now, they're telling their stories. This Naked Life offers forty-eight raw and real stories of people who have found freedom from alcohol. In these pages, discover how Bryan went from hopeless certainty that drinking would eventually kill him to absolute peace over the course of a single day. See how reading one book gave Jennifer total freedom after twenty years of binge drinking. Witness Becca thrive in ways she had never thought possible, all because she learned it was okay to question her relationship with alcohol before she hit rock bottom. Find out how Kari broke a family legacy of deadly alcohol abuse that stretched back generations. Alternately poignant and humorous, This Naked Life will surprise, challenge, and inspire you. These stories, written by relatable humans from all walks of life, pull no punches and prove that, no matter where you are in your journey with alcohol, you are not alone. Witness the power of transformed minds today in This Naked Life, the collection Annie Grace calls "the most important book I never wrote." "From This Naked Life" I'm finally able to move forward into the future with confidence and poise, interacting with others on my own terms instead of through the haze of alcohol." -Nancy "It feels good to be alive-truly alive!" -Ryan "Past me-the me who drank-wouldn't recognize present me. But over those intervening years, I was able to design my lifestyle, to purposefully choose who I want to be without alcohol. . . . And in place of alcohol, I found a life I'm in love with that's only getting better. I love who I am today." -Mike J. Describes how, after its publication in 1939 and then becoming the nation's best-selling book, a great conflict arose in Kern County, California, as a giant cotton grower and a determined librarian went head-to-head over the issue of censorship with public burnings of this masterpiece at center stage.

BY THE AUTHOR OF NEW YORK TIMES BESTSELLER THE AUTHENTICITY PROJECT, THE BRAVE AND FUNNY MEMOIR THAT IS CHANGING LIVES. How one mother gave up drinking and started living. This is Bridget Jones Dries Out. Clare Pooley is a Cambridge graduate and was a Managing Partner at one of the world's biggest advertising agencies, and yet by eighteen months ago she'd become an overweight, depressed, middle-aged mother of three who was drinking more than a bottle of wine a day, and spending her evenings Googling 'Am I an alcoholic?' In a desperate bid to turn her life around, she quit drinking and started a blog. She called it Mummy Was a Secret Drinker. This book is the story of a year in Clare's life. A year that started with

her quitting booze having been drinking more than a bottle of wine every day. It sees her starting a hugely successful blog, then getting and beating breast cancer. By the end of the year she is booze free and cancer free, two stone lighter and with a life that is so much richer, healthier and more rewarding than ever before. *Sober Diaries* is an upbeat, funny and positive look at how to live life to the full. Interwoven within Clare's own very personal and frank story is research and advice, and answers to questions like: How do I know if I'm drinking too much? How will I cope at parties? What do I say to friends and family? How do I cope with cravings? Will I lose weight? What if my partner still drinks? And many more.

NEW YORK TIMES BESTSELLER • The founder of the first female-focused recovery program offers a groundbreaking look at alcohol and a radical new path to sobriety. “You don’t know how much you need this book, or maybe you do. Either way, it will save your life.”—Melissa Hartwig Urban, Whole30 co-founder and CEO We live in a world obsessed with drinking. We drink at baby showers and work events, brunch and book club, graduations and funerals. Yet no one ever questions alcohol’s ubiquity—in fact, the only thing ever questioned is why someone doesn’t drink. It is a qualifier for belonging and if you don’t imbibe, you are considered an anomaly. As a society, we are obsessed with health and wellness, yet we uphold alcohol as some kind of magic elixir, though it is anything but. When Holly Whitaker decided to seek help after one too many benders, she embarked on a journey that led not only to her own sobriety, but revealed the insidious role alcohol plays in our society and in the lives of women in particular. What’s more, she could not ignore the ways that alcohol companies were targeting women, just as the tobacco industry had successfully done generations before. Fueled by her own emerging feminism, she also realized that the predominant systems of recovery are archaic, patriarchal, and ineffective for the unique needs of women and other historically oppressed people—who don’t need to lose their egos and surrender to a male concept of God, as the tenets of Alcoholics Anonymous state, but who need to cultivate a deeper understanding of their own identities and take control of their lives. When Holly found an alternate way out of her own addiction, she felt a calling to create a sober community with resources for anyone questioning their relationship with drinking, so that they might find their way as well. Her resultant feminine-centric recovery program focuses on getting at the root causes that lead people to overindulge and provides the tools necessary to break the cycle of addiction, showing us what is possible when we remove alcohol and destroy our belief system around it. Written in a relatable voice that is honest and witty, *Quit Like a Woman* is at once a groundbreaking look at drinking culture and a road map to cutting out alcohol in order to live our best lives without the crutch of intoxication. You will never look at drinking the same way again.

The Sober Survival Guide - How to Free Yourself from Alcohol Forever - By Simon Chapple. Foreword by Annie Grace - Author of *This Naked Mind - Control Alcohol* Are you tired of thinking about drinking? Hands up if you believe any of the following about drinking alcohol to be true: I can’t have fun without alcohol. Imagine going to a party without drinking! it makes me feel less anxious or depressed; it helps me sleep; I can’t relax without it; it makes me entertaining to be around; it fits the lifestyle of my boozy friends; I like the taste of alcohol; it’s cool and sophisticated; I’m not confident enough to talk to new people without it; it helps me deal with all the problems life throws my way; it stops me worrying about how much I’m drinking (ironic, I know). If you

find yourself nodding at even one of these statements, then I know how you feel. I was a heavy daily drinker for over twenty years, I too used to believe that I couldn't live without alcohol, and that once I'd had a few drinks I was funny to be around (hilarious in fact). Are you too are tired and fed up with the routine of drinking, and want to make a change and improve your life? Or you may simply be curious about how an alcohol-free life might look for you. Could it be better? Happier? Calmer? More peaceful? Perhaps you're already on the path to changing your relationship with booze and might have read other 'sober books' or taken part in programmes to help you quit. I want you to know you can do the same as me and find complete freedom from alcohol, and that you don't have to wait for years like I did. Also, I want to reassure you that alcohol addiction is never a person's fault, and that there's no need to blame yourself for finding it hard to give up. It honestly isn't as difficult as you might think, and this book will provide the support, tactics and advice you need as you progress on your sober journey. The Sober Survival Guide is unique in that it is split into two parts. The first is designed to set you up for success and put you in a place where you can find freedom from alcohol if that's what you want. The first part of the book contains essential information for when you're in the early stages of controlling your drinking. The second part serves as a handbook as you move forward into an alcohol-free life and is where this book comes into its own. As you read it you'll see I've used my own experiences and those of the people I've worked with to help ensure you're ready for the challenges, fears, and questions that will come up in the years after quitting drinking. You'll learn how to handle the work Christmas party without a glass of bubbly in hand, the joys of sober holidays, what to do when you stop drinking but your partner won't, and a whole lot more. With this part you can dip in and out, picking the chapters that address the problems you're facing that day or week. This unique quit alcohol book also shares my own stories and personal accounts that helped me learn (sometimes the hard way), so as well as providing vital tools and tactics it will also leave you with a smile on your face and provide you with a fun and enjoyable read. Part memoir, part sober guide and 100% alcohol free - The Sober Survival Guide is perfect for anyone looking to free themselves from the grip of alcohol. Simon Chapple is the founder of Be Sober one of the largest online 'quit drinking' communities, he is also a speaker and works as a Certified Alcohol Coach working with This Naked Mind helping people change their relationship with alcohol. He has helped thousands of people quit drinking and has made it his life mission to spread the word about the benefits an alcohol-free life brings. Join Simon and the alcohol freedom revolution on Instagram @besoberandquit or visit www.besober.co.uk to discover more.

"We Are the Luckiest is a masterpiece. It's the truest, most generous, honest, and helpful sobriety memoir I've read. It's going to save lives." — Glennon Doyle, #1 New York Times bestselling author of Love Warrior: A Memoir What could possibly be "lucky" about addiction? Absolutely nothing, thought Laura McKowen when drinking brought her to her knees. As she puts it, she "kicked and screamed . . . wishing for something — anything — else" to be her issue. The people who got to drink normally, she thought, were so damn lucky. But in the midst of early sobriety, when no longer able to anesthetize her pain and anxiety, she realized that she was actually the lucky one. Lucky to feel her feelings, live honestly, really be with her daughter, change her legacy. She recognized that "those of us who answer the invitation to wake up, whatever our invitation, are really the luckiest of all." Here, in

straight-talking chapters filled with personal stories, McKowen addresses issues such as facing facts, the question of AA, and other people's drinking. Without sugarcoating the struggles of sobriety, she relentlessly emphasizes the many blessings of an honest life, one without secrets and debilitating shame.

Do you want to take a break from alcohol easily and safely? When you stop drinking, it takes up to 10 days for the alcohol to completely leave your system. It's a tricky time. You get cravings and your thinking becomes emotional. Most people struggle in the early days. But now there's a modern, scientific solution. The 10-Day Alcohol Detox Plan walks you through the detox period painlessly and explains everything you need to carry on to your personal sobriety goal, whether short-term or long-term. Written in an engaging and informative way, the 10-Day Alcohol Detox Plan is practical and easy to follow. There's no doom and gloom or going to meetings. It just does the job, and is suitable for anyone: If you want to try a sober break from alcohol If you want to stop drinking to help fitness or weight-loss If you need to give up alcohol for health reasons If you've simply had enough and want to quit drinking for good The author is a therapist working in public health who has helped countless drinkers to quit alcohol, and is the author of the bestseller "Alcohol and You: How to Control and Stop Drinking" and "Mindfulness for Alcohol Recovery". Order this book today and find a better way.

Would life be better without alcohol? It's the nagging question more and more of us are finding harder to ignore, whether we have a "problem" with alcohol or not. After all, we yoga. We green juice. We meditate. We self-care. And yet, come the end of a long work day, the start of a weekend, an awkward social situation, we drink. One glass of wine turns into two turns into a bottle. In the face of how we care for ourselves otherwise, it's hard to avoid how alcohol really makes us feel... terrible. How different would our lives be if we stopped drinking on autopilot? If we stopped drinking altogether? Really different, it turns out. Really better. Frank, funny, and always judgment free, Sober Curious is a bold guide to choosing to live hangover-free, from Ruby Warrington, one of the leading voices of the new sobriety movement. Drawing on research, expert interviews, and personal narrative, Sober Curious is a radical take down of the myths that keep so many of us drinking. Inspiring, timely, and blame free, Sober Curious is both conversation starter and handbook—essential reading that empowers readers to transform their relationship with alcohol, so we can lead our most fulfilling lives.
